

# Low Carbon Transit Operations Program (LCTOP) Allocation Request Workshops

The California Department of Transportation, Division of Rail and Mass Transportation invites you to participate in the LCTOP Allocation Request Workshops. These workshops are designed to provide participants with the information needed to successfully complete an LCTOP application. The workshops will walk participants through the Allocation Request Form and review all required documents.

### About LCTOP

LCTOP is one of several programs established by Senate Bill 862, approved by the California Legislature in 2014. LCTOP was created to provide operating and capital assistance to transit agencies with the goal of reducing greenhouse gas (GHG) emissions and improving mobility; with an emphasis on serving Disadvantaged Communities (DAC).

### About the Workshops

The workshops will discuss the eligible project criteria established in SB 862 and modified in SB 824. Sample Allocation Requests handouts will be provided to assist agencies in completing their Allocation Request.

For questions and comments regarding LCTOP, email [lctopcomments@dot.ca.gov](mailto:lctopcomments@dot.ca.gov). A Webex and conference call will be available [at this link](#), Thursday, February 16<sup>th</sup>. Conference call: 1-(800)-593-9981, participant passcode: 49272.
