

AUTHORIZED LIST OF RESISTANCE WELDING FABRICATORS

Resistance Welding Fabricator	Rebar Type and Size	Welding Machine Identification (S/N)	Small Diameter Hoop Qualification (2.5 ft or Smaller)	Large Diameter Hoop Qualification (Larger than 2.5 ft)	
CMC Rebar Etiwanda	ASTM A 706 #4	Welder #N101	Approved Expires December 7, 2017	Approved Expires March 18, 2018	
		Welder #S102		Approved Expires March 18, 2018	
	ASTM A 706 #5	Welder #N101	Approved Expires December 7, 2017	Approved Expires March 18, 2018	
		Welder #S102		Approved Expires March 18, 2018	
	ASTM A 706 #6	Welder #N101	Approved Expires December 7, 2017	Approved Expires March 18, 2018	
		Welder #S102		Approved Expires March 18, 2018	
	ASTM A 706 #7	Welder #N101	Approved Expires December 7, 2017	Approved Expires March 18, 2018	
		Welder #S102		Approved Expires March 18, 2018	
	ASTM A 706 #8	Welder #N101	Approved Expires December 7, 2017	Approved Expires March 18, 2018	
		Welder #S102		Approved Expires March 18, 2018	
	ASTM A 706 #9	Welder #N101		Approved Expires December 13, 2017	
	Harris Rebar	ASTM A 706 #4	66630	Approved Expires March 19, 2018	Approved Expires March 19, 2018
		ASTM A 706 #5	66630	Approved Expires March 19, 2018	Approved Expires March 19, 2018
		ASTM A 706 #6	10599		Approved Expires March 19, 2018
66630			Approved Expires March 19, 2018	Approved Expires March 19, 2018	
ASTM A 706 #7		10599		Approved Expires March 19, 2018	
		66630	Approved Expires March 19, 2018	Approved Expires March 19, 2018	
ASTM A 706 #8		10599		Approved Expires March 19, 2018	
ASTM A 706 #9		10599		Approved Expires March 19, 2018	
ASTM A 706 #10	10599		Approved Expires March 19, 2018		
Martinez Steel	ASTM A 706 #5	F-3612	Approved Expires August 11, 2018	Approved Expires June 28, 2018	
	ASTM A 706 #6	F-3612	Approved Expires August 11, 2018	Approved Expires June 28, 2018	
	ASTM A 706 #7	F-3612		Approved Expires Feb. 23, 2018	
	ASTM A 706 #8	F-3612		Approved Expires Feb. 23, 2018	

NOTE: This table was prepared to provide a reference source for resistance (flash) welded rebar splice fabricators currently authorized for use by Caltrans. Caltrans assumes no liability or responsibility for the accuracy or validity of this information if used by other entities. If you have any questions about this list, please contact the Office of Structural Materials at (916) 227-5719.

AUTHORIZED LIST OF RESISTANCE WELDING FABRICATORS

Resistance Welding Fabricator	Rebar Type and Size	Welding Machine Identification (S/N)	Small Diameter Hoop Qualification (2.5 ft or Smaller)	Large Diameter Hoop Qualification (Larger than 2.5 ft)
Mission City Rebar	ASTM A 706 #4	18801	Approved Expires September 8, 2018	Approved Expires September 8, 2018
	ASTM A 706 #5	18801		Approved Expires September 8, 2018
	ASTM A 706 #6	18801		Approved Expires September 8, 2018
RKR Steel Welding	ASTM A 706 #4	F3377	Approved Expires on July 7, 2018	Approved Expires April 8, 2018
	ASTM A 706 #5	F3377	Approved Expires October 03, 2018	Approved Expires October 03, 2018
	ASTM A 706 #6	F3377	Approved Expires October 03, 2018	Approved Expires October 03, 2018
	ASTM A 706 #7	F3377	Approved Expires October 03, 2018	Approved Expires October 03, 2018
	ASTM A 706 #8	F3377	Approved Expires October 03, 2018	Approved Expires October 03, 2018
	ASTM A 706 #9	F3377		Approved Expires November 13, 2017
TNT Rebar	ASTM A 706 #3	H5746R		
	ASTM A 706 #4	H5746R	Approved Expires August 18, 2017	Approved Expires August 18, 2017
	ASTM A 706 #5	H5746R	Approved Expires August 18, 2017	Approved Expires August 18, 2017
	ASTM A 706 #6	H5746R	Approved Expires August 18, 2017	Approved Expires August 18, 2017
	ASTM A 706 #7	H5746R		Approved Expires August 18, 2017
	ASTM A 706 #8	H5746R		Approved Expires August 18, 2017
	ASTM A 706 #9	H5746R
