Footnotes:

* Balances in the 3rd year (October 1, 2013) are subject to reprogramming on November 1, 2014. These balances include the federal fiscal year 2014 "Advance" apportionments (dated November 1, 2013).

¹ Indicates all apportionments not yet obligated.

² Totals reflect balances in the third year.

³ These Regions are in air quality attainment and cannot use unobligated CMAQ apportionments, which are deobligations of closed out projects. It is anticipated that any CMAQ balance that accumulates in a Region in air quality attainment will be included in a future CMAQ rescission or transferred to another Region that over-delivered prior to the end of the current federal fiscal year.
