

EMERGENCY OPENING (EO) VERSUS PERMANENT RESTORATION (PR)

- **EO** work is defined as any repairs made during and immediately following a disaster that:

1. Restores Essential Traffic, or
2. Minimizes the extent of damage, or
3. Protects the remaining facilities

- **EO** work is reimbursed at 100% for the first 180 days of the disaster, reimbursement drops to the pro-rata share (88.53% for local roads) on day 181 of the disaster.

- **PR** repairs undertaken to restore the road to its pre-disaster condition and are reimbursed at the pro-rata share.
