

## ONLINE APPLICATION TRAININGS FOR FTA PROGRAMS FTA SECTION 5311, 5311(f), & CMAQ

### Attendees Must Register via Email by January 22nd

Caltrans, along with Panther International, will be holding 5 one-day training sessions over 3 days in early February to train applicants on the new BlackCat Grants Management System.

The new BlackCat Grants Management System now allows applicants to apply for Caltrans' FTA funds online, track application statuses, maintain an organizational profile, store program documents, receive communication from Caltrans, request project expense reimbursements, and much more.

Beginning with the upcoming 5311, 5311(f), and CMAQ funding cycles, all applications and supporting documents must be submitted through the BlackCat system. Therefore, it is critical for those who are applying for funding in 2016 to attend a training. Please note that space is limited. To register for a training, please email the following information to [michael.amaral@dot.ca.gov](mailto:michael.amaral@dot.ca.gov):

- Identify which training you will attend
- Organization Name
- Names of attendees from your organization (including first name, last name, and job title)
- Email addresses and phone numbers for each attendee (both are required to receive a login)

For questions, please contact Michael Amaral by email or by phone at (916) 654-8803.
