Caltrans receives funding from FTA to provide transit to disabled, elderly, rural agencies and public agencies for planning activities. The meetings are being held for the public to provide information and the opportunity to comment on the Caltrans FTA Program’s DBE Goals and Methodology for Federal Fiscal Years 15/16 (revised), 16/17, 17/18 and 18/19. There will be two public information meetings - Oakland and Los Angeles. The Goals and Methodology document is attached. Caltrans will also be requesting a waiver from the FTA to exclude two groups, Hispanic and Sub-Continent Asian, from proposed race conscious goals, as these groups are already at/above parity. Comments will be accepted from April 1 through May 31, 2015.
