RE: Disabled Veterans Business Enterprise (DVBE) #1732181

Dear Mr. Davis:

This letter is regarding the review conducted by the Department of Transportation (Caltrans) Contract Evaluation Unit (CEU) staff on February 29, 2012. Caltrans has taken the initiative to ensure all certified DVBE firms that bid on or perform on Caltrans' State funded projects are performing a commercial useful function (CUF). After careful evaluation of the information and documentation obtained as a result of the review, pursuant to Military & Veterans Code §999(b)(5)(B) (i) and (ii), your firm is deemed to perform a CUF when providing the following types of services on Caltrans projects:

Classification Number	Description
471015	Water Treatment and Supply Equipment

For the remaining services listed on your DVBE certification, if any, no documentation or evidence has been provided to demonstrate that you perform, manage or supervise the work involved. Your role therefore is deemed to be that of an extra participant in Caltrans' contracting process. Therefore, your firm's DVBE participation may not be counted towards a DVBE goal.

You may review your firm's information on the Department of General Services (DGS) website at <http://www.bidsync.com/DPXBisCASB>. It is your responsibility to maintain correct information regarding your firm's name, address, phone/fax number, and e-mail address on the DGS website.

Caltrans CEU is amiable to re-visit your firm to determine if work classifications and updated information reflect actual practices.

If you have questions or need further assistance or clarification, please contact Monica Pogemiller Analyst, CEU at (916) 327-5825, or by email at monica_pogemiller@dot.ca.gov.

Sincerely,

JANICE SALAIS
 Manager
