THIS CHANGE ORDER PROVIDES FOR:

Modifications to the requirements of Section 10-1.XX, "Reinforcement," of the special provisions, in accordance with Division of Construction memorandum CPD 04-4, which provides blanket authorization to issue and approve this particular change within the district.

Production tests must still be performed. The contractor must notify the engineer in writing at least one week prior to the production testing. The engineer or his authorized representative may or may not be present to witness the tests.

Note: If this project has federal funding, include the following clause:

Mr. Jason Dietz of FHWA granted a statewide blanket prior approval for this change to federally funded projects on March 12, 2004, (copy attached).

Contract time will not be extended and the testing shall not be delayed for the sake of the state in case the engineer or his authorized representative is not present to witness the production testing at the appointed time.

There will be no cost or credit to the state because of this change.
