1. If the Contractor is awarded the contract and refuses to execute the contract forms presented for signature within the time and manner required, the Contractor will be liable to the Department of Transportation for actual damages resulting to the Department therefrom or 10% of the amount quoted, whichever is less. Should the Contractor fail to pay these damages, the Department may list the Contractor as in default and ineligible to make proposals on future Department projects.

2. The quote of any Contractor who is currently in default with the Department on a contract already awarded may be regarded as non-responsive and may be rejected. Default is defined as being within a period of liquidated damages on uncompleted work or under notice to begin or complete a contract where work has not commenced within the time limit set forth in that notice or was suspended without valid cause, or failure to perform the required work in a manner satisfactory to the Engineer.
