Contractor to provide monthly progress payments for all completed work in accordance with the bid pricing schedule. Monthly payments must be received in full by Mallard Const. no later than 10 calendar days after the Contractor receives payment from Owner for our completed work. Delinquent payments will be subject to the highest interest rate allowed by law.

Retainage percentage on monthly progress payments to be no greater than the percentage retained by the Owner on its payments to the Contractor. If Owner reduces the retainage percentages on payments to the Contractor, the Contractor shall likewise reduce the retainage percentage on payments to Mallard Const. Full retention to be released no later than thirty (30) days after completion of Mallard Const. work. Excessive or delinquent retainage will be subject to the highest interest rate allowed by law.

No retention to any Traffic Control Operations

**General Terms & Conditions**

**NOTE: All contracts must be written to our legal corporate name "Mallard Construction, Inc."**

Mallard Const. requires a written contract, purchase order or signed quote prior to the start of work.

Any required Testing, Engineering, Design, Permits, Licenses or Applications, and the like to be provided by others.

Prices are based on Plans & Specifications available at bid time, including all addenda. Any request for work (post bid) under conditions differing from those represented by the Prime Contract Documents, including but not limited to; altered phasing or staging, design changes, modified layout resulting from plan errors or inaccurate designs, will require payment for additional work to be made to Mallard Const. at an amount agreed upon prior to performing this work. If an amount cannot be agreed upon prior to performing the additional work the amount will be determined using Caltrans Force Account Rates or unit prices established in the bid pricing schedule, or a combination thereof; whichever method results in a higher overall payment.

Mallard Const. is not responsible for delays caused by and or resulting from activities or non activities of others, including but not limited to, owner, contractor, vendors, suppliers, other subcontractors and other factors not in direct control of Mallard Const. For the delays caused by the aforementioned, Mallard Const. will be reimbursed for all direct and indirect costs plus a mark up of forty percent (40%), or as specified and allowed by the Prime Contract if the delays are caused by the Owner / Agency. Mallard Const. will be granted an extension of time to perform its work tantamount to the delays.

Mallard Const. requires fifteen (10) working days notice prior to commencement of any production activity. If any of Mallard Const. work will be a controlling operation on the critical path of this project, Mallard Const. must be notified in writing prior to execution of the Subcontract Agreement and provided with a CPM schedule which details this work. Failure to provide this information will waive the Contractor's right to recover liquidated damages from Mallard Const. for this work.

All changes to the original scope of work or proposed extra work must be directed by the Contractor in writing prior to Mallard Const. performing this work.

For the purpose of this Subcontract Quotation one (1) move-in is considered to be: a period of consecutive eight (8) hour days of continuous work, not including weekends and holidays. Any discontinuities in this period, other than weekends and holidays, or for our own convenience, will be charged as an additional move-in at the Addition Move-in Charge as quoted herein.

Mallard Const. must receive a letter of intent to award us the subcontract no later than (30) calendar days after bid date or this Subcontract Quotation becomes null and void. Also, This quote shall become a part of any and all subcontract agreements and / or purchases orders related to the project. Violation of this action can nullify this proposal.
