MFE agrees to perform the proposed contract works in accordance to internationally accepted industry standards and/or as stated in the Scope of Work. Where it is necessary to obtain permits or other approvals from relevant regulating agencies, it will remain the responsibility of the customer, unless MFE agrees to price for this service as a part of the works to be undertaken. Investigations of private covenants and property boundaries shall be the responsibility of the customer and no liability shall be attributed to MFE for a breach relating to any such covenant or boundary. Unless a plan showing the exact location of underground pipes, wires, or cables has been forwarded to MFE by the customer (or their agent) prior to the commencement of the works, MFE shall be under no liability for any damage caused to such pipes, wires or cables as a result of work performed, or any damage to property resulting there from. The customer shall be solely liable for any such damage. The customer accepts that in order to access and carry out work specified in this proposal, damage could be caused to lawns, driveways and paths by heavy machinery. MFE will take reasonable care to prevent such damage, but will not accept liability for damage caused. The net amount due shall be paid in full within 30 days of the date of invoice. Amounts unpaid after 30 days after the due date shall accrue interest, compounded semiannually, at the annual rate of 18%, or the maximum legal rate, if less. This proposal is not a tender document and as a result any order which is placed by you will be subject to our formal acceptance confirmed by an appropriate agreement. If the assignment proceeds without an agreement being signed by both parties, the assignment shall be governed by the terms and conditions of this proposal and industry standards. This proposal is good for 30 days from date of submission.

MFE agrees to perform the proposed contract works in accordance to internationally accepted industry standards and/or as stated in the Scope of Work. Where it is necessary to obtain permits or other approvals from relevant regulating agencies, it will remain the responsibility of the customer, unless MFE agrees to price for this service as a part of the works to be undertaken. Investigations of private covenants and property boundaries shall be the responsibility of the customer and no liability shall be attributed to MFE for a breach relating to any such covenant or boundary. Unless a plan showing the exact location of underground pipes, wires, or cables has been forwarded to MFE by the customer (or their agent) prior to the commencement of the works, MFE shall be under no liability for any damage caused to such pipes, wires or cables as a result of work performed, or any damage to property resulting there from. The customer shall be solely liable for any such damage. The customer accepts that in order to access and carry out work specified in this proposal, damage could be caused to lawns, driveways and paths by heavy machinery. MFE will take reasonable care to prevent such damage, but will not accept liability for damage caused. The net amount due shall be paid in full within 30 days of the date of invoice. Amounts unpaid after 30 days after the due date shall accrue interest, compounded semiannually, at the annual rate of 18%, or the maximum legal rate, if less. This proposal is not a tender document and as a result any order which is placed by you will be subject to our formal acceptance confirmed by an appropriate agreement. If the assignment proceeds without an agreement being signed by both parties, the assignment shall be governed by the terms and conditions of this proposal and industry standards. This proposal is good for 30 days from date of submission.

RE: Biological and Environmental Services

Dear Mr. Hanford,

Californian Environmental Services (CES) is registered with the DIR and is certified as a DBE via Caltrans (Cert # 40306). We are providing our bids for Items, 39, 40, 41, 41a, 42, 45, and 57 as shown in the table provided below. We are committed to providing these services for the North Counties Contract (#04A4979) if awarded. Please note, that for items 41 and 57, since there is no way to know which work product will be required nor how many of each, we have given two amounts.

Item No.	Estimated Quantity	Unit of Measure	Item Description	Unit Price	Total (Estimated Quantity X Unit Price
39	20	Each	Nest Relocation	$275.00 per nest	$5,500.00
40	35	Each	Training for Construction Workers	$275.00 per training	$9,625.00

BIDDER/PROPOSER INSTRUCTIONS: Submittal of only the Disadvantaged Business Enterprise (DBE) Information/Participation form, ADM-0227f, may not provide sufficient documentation to demonstrate that adequate good faith efforts (GFE) were made by the bidder/proposer. Bidder/proposers prosing goal attainment should always submit documentation for making GFE to protect its eligibility for award should Caltrans, in its evaluation, find that the goal was not met. Examples of disqualification may include but are not be limited to: 1) A DBE subcontractor was not certified by Caltrans or a state or local participating agency that has a reciprocal agreement with Caltrans, by the bid/proposal due date and time; or 2) Bidder/proposer made a mathematical error resulting in failure to meet the goal. Bidder/Proposer must make an adequate GFE to be responsive. When applying for a determination of a GFE when no contract goals have been attained **or** when only partial goal(s) have been attained, bidders/proposers shall complete this Bidder/Proposer Disadvantaged Business Enterprise (DBE) Good Faith Efforts Documentation form, ADM-0312f, and submit the requested information below with its bid by the bid due date and time.

Bidder/Proposer is responsible to: (1) ensure information is complete and accurate, and (2) verify DBE certifications.
