Caltrans Quarterly Report
January 1, 2013 – March 31, 2013
Summary**

This report has been prepared pursuant to the Caltrans/FHWA Memorandum of Understanding (MOU) regarding State assumption of responsibilities under Section 326 of amended Chapter 3 of title 23, United States Code (23U.S.C. 326). MOU Section IV, State Performance Requirement F.1 requires Caltrans to provide a list of Categorical Exclusion (CE) determinations that it approves semi-annually (for reporting periods January 1 through June 30, and July 1 through December 31).

Caltrans has elected to maintain a quarterly reporting cycle at this time; this report provides a list of all 23 USC 326 CE determinations reported between January 1 and March 31, 2013. Additionally, newly identified approvals from previous quarters are also included on this report.

A total of 229 CE determinations were reported for the quarter, including 73 State Highway System Projects and 156 Local Assistance Projects.
