

Section 6005
Quarterly Report Revision to FHWA
January 1 – March 31, 2008
Summary

This report has been prepared pursuant to the Caltrans/FHWA Memorandum of Understanding (MOU) regarding State assumption of responsibilities under Section 6005(a) of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU), codified as Section 327 of amended Chapter 3, Title 23, United States Code (23U.S.C. 327). MOU Section 8.2.7, monitoring and oversight, requires Caltrans to provide a report every 3 months to the FHWA California Division, listing any approvals and decisions Caltrans has made with respect to the responsibilities Caltrans has assumed under part 3 of the MOU. This report provides a list of all Section 6005 approvals from January 1 through March 31, 2008.

As revised in this report, a total of two 6005 Categorical Exclusions were approved by Caltrans during the third quarter of the Pilot Program. Caltrans also approved seven Draft Environmental Documents, three Findings of No Significant Impacts, and one Final Environmental Impact Statement during the reporting period. In addition to the environmental document approvals, two Notices of Intent were signed.

This report is being re-submitted with revisions. Please note that information omitted in error from the previously submitted Quarterly Report is included in italics and underlined. Where necessary, footnotes with comments have been added. Consultations reported in error on the previous report are lined out.
