LOCATION DESCRIPTION: The biofiltration swale site is located behind the southern side of the Cerritos Maintenance Station, along SR-91 westbound embankment. The site can be accessed from the maintenance station, which is located at 16849 Studebaker Road in the City of Cerritos. The precise location for the biofiltration swale is from the SR-91 drainage outlet, located at the foot of the SR-91 westbound slope, to the main area outlet culvert.

PARKING DESCRIPTION: At all maintenance station facilities, vehicles shall be parked in designated parking stalls so as not to create an obstruction. Prior to conducting work at the maintenance station discuss possible safety concerns with the maintenance station supervisor.
