

PARKING DESCRIPTION: At all park and ride facilities, vehicles shall be parked in designated parking stalls so as not to create an obstruction.

LOCATION DESCRIPTION: The Termination Park & Ride is a large facility at the eastern terminus of I-105 at the I-105/I-605 interchange in the City of Norwalk. A small portion of the facility is located on the westside of I-605. The facility is adjacent to a Green Line Metrolink station and has a bus terminal integrated into the park and ride facility. The proposed media filter is located on the south portion of the park and ride facility.
