

PARKING DESCRIPTION: At all maintenance stations, vehicles shall be parked in designated parking stalls so as not to create an obstruction. Prior to conducting work within the maintenance station, discuss any potential safety concerns with the maintenance station supervisor. Park in the western end of the maintenance station next to the barrel storage area.

LOCATION DESCRIPTION: The Kearny Mesa Maintenance Station is located adjacent to the 805 freeway at 7179 Opportunity Road. The proposed media filter is located along the eastern boundary of the maintenance station adjacent to the Balboa Avenue/I-805 northbound entrance ramp.
