LOCATION DESCRIPTION: The site is located along the shoulder of the I-5 southbound off-ramp at La Costa Avenue, in the City of Leucadia. The infiltration basin site is located in a basin south of the Batiquitos Lagoon. The site is bounded by a gas station to the south, a hillside residential area to the west, Batiquitos Lagoon to the north, and southbound I-5 and the southbound I-5 off-ramp to La Costa Drive to the east.

PARKING DESCRIPTION: Park along the shoulder of the I-5 southbound/ La Costa Avenue off-ramp. The area can be accessed from the I-5 southbound off-ramp. Parking should be in conformance with provisions outlined within Chapter 8 of the Caltrans Highway Maintenance Manual.
