

California Department of Transportation
 Division of Engineering Services - Materials Engineering and Testing Services
 New Products Quarterly Report - December 31, 2008

	A	B	C	D
Technical Committee ¹	Backlog Pending Initial Review	Initial Reviews Completed by Technical Committee	Remaining Submittals Pending Initial Review by Technical Committee (A - B = C)	Percent Completed
Bridge Deck Protection Committee	0	---	0	---
Construction Needs Assessment Committee	4	0	4	0.00%
Culvert Committee	16	2	14	12.50%
DES Substructure Committee (Foundations)	0	---	0	---
Environmental Engineering Tool Development Committee	9	7	2	77.78%
DES Needs Assessment Committee (Structures)	65	65	0	100.00%
Landscape Needs Assessment Committee	0	---	0	---
Maintenance Needs Assessment Committee	0	---	0	---
Maintenance Graffiti Committee	0	---	0	---
Maintenance Flood Control Committee	0	---	0	---
Maintenance Hazardous Material Operations Committee	0	---	0	---
Noise Barrier Committee	0	---	0	---
Pavement Related New Products Needs Assessment Committee	71	71	0	100.00%
Design - Americans with Disabilities Act (ADA) Committee	0	---	0	---
Traffic Devices New Products Committee	8	8	0	100.00%
Traffic Electrical Systems Committee	65	54	11	83.08%
Highway Safety Features New Products Committee	0	---	0	---
Reinforced Concrete Committee	0	---	0	---
Slope Stabilization Committee	0	---	0	---
TOTAL	238	207	31	86.97%

¹ Human Resources, Office of Health and Safety Services, completed 35 of the 39 outstanding MSDS reviews (which are captured and accounted for within the various Committee totals).
