

**LIST OF FABRICATORS
CALTRANS HAS APPROVED TO PRODUCE RESISTANCE BUTT WELDS**

LAST UPDATE: July 14, 2006

WELDING FABRICATOR	REBAR TYPE AND SIZE	MACHINE SERIAL NUMBER (MACHINE ID)	Small Hoop Diameter (2.5 ft or Smaller)	Large Hoop Diameter (2.5 ft or Larger)
HARRIS SALINAS REBAR	ASTM A706 #4	66630	Approved Expires April 13, 2008	Approved Expires April 13, 2008
	ASTM A706 #5	66630	Approved Expires April 13, 2008	Approved Expires April 13, 2008
	ASTM A706 #6	66630	Approved Expires April 13, 2008	Approved Expires April 13, 2008
	ASTM A706 #7	66630	Approved Expires April 13, 2008	Approved Expires April 13, 2008
	ASTM A706 #8	66630	Not Approved Samples Not Submitted	Expired October 3, 2005**
	ASTM A706 #8	H5702	Not Approved Samples Not Submitted	DECOMMISSIONED December 7, 2004
	CENTURY REINFORCING (FORMERLY KNOWN AS FRANKLIN REINF. STEEL)	ASTM A706 #3	56W-71	Approved Expires April 25, 2008
ASTM A706 #4		56W-71	Approved Expires April 25, 2008	Approved Expires February 27, 2008
ASTM A706 #5		56W-71	Approved Expires April 25, 2008	Approved Expires February 27, 2008
ASTM A706 #6		56W-71	Approved Expires April 25, 2008	Approved Expires February 27, 2008
ASTM A706 #7		56W-71	Approved Expires April 25, 2008	Approved Expires April 25, 2008
ASTM A706 #8		56W-71	Not Approved Samples Not Submitted	Approved Expires February 27, 2008
ASTM A706 #9		56W-71	Not Approved Samples Not Submitted	Approved Expires February 27, 2008
C&M STEEL (FORMERLY KNOWN AS J.L. DAVIDSON CO., INC.)		ASTM A706 #4	N/A	Approved Expires April 27, 2008
	ASTM A706 #5	N/A	Approved Expires April 27, 2008	Approved Expires April 25, 2008
	ASTM A706 #6	N/A	Approved Expires April 27, 2008	Approved Expires April 27, 2008
	ASTM A706 #7	N/A	Approved Expires April 27, 2008	Approved Expires April 27, 2008
	ASTM A706 #8	N/A	Approved Expires April 27, 2008	Approved Expires April 27, 2008
	ASTM A706 #9	N/A	Not Approved Samples Not Submitted	Approved Expires May 30, 2008
	ASTM A706 #10	N/A	Not Approved Samples Not Submitted	Approved Expires May 30, 2008

NOTE: This table was prepared to provide a reference source for resistance (flash) welded rebar splice fabricators currently certified by the California Department of Transportation on their projects. The Department assumes no liability of the accuracy or validity of this information if used by other agencies or offices. If you have any questions regarding the material contained herein, please feel free to contact the Office of Structural Materials at (916) 227-7251.

** TNT is currently fabricating #8 rebar hoops for Harris Salinas.
