Dike, Paving, Furnish Geogrid, Furnish Import Barrow, Delineator (Class 2), Milepost Marker and Marker Culvert, Vegetation Control (Minor Concrete), Alternative In-Line Terminal System, Midwest Guardrail System (8' Post), and Thermoplastic Striping & Markings. The quotations may be broken down into comparable units as reasonably necessary. Steelhead will work with suppliers and subcontractors to identify opportunities and break down items into economically feasible units.

Requirements: Steelhead Constructors, Inc. (Steelhead) will be bidding the referenced project as a prime contractor. Plans and specifications for this project may be viewed at your local builder's exchange and are available for review in our office. If you require additional information regarding the requirements of the contract, please don't hesitate to call our office. In order that we may give your bid maximum consideration, please supply us with a FAX letter prior to the bid describing the scope of your work. Steelhead is an Equal Employment Opportunity Employer. We encourage and actively solicit proposals from DBE and MB subcontractors and suppliers on all our projects. All qualified DBE and MB subcontractors must be registered and certified by the California Department of Transportation. Steelhead is signatory to Operating Engineers, Laborers, Carpenters and Cement Masons Unions. All subcontractors must possess a current contractor's license, insurance, and worker's compensation coverage meeting Steelhead's requirements and will be required to sign Steelhead's Subcontract Agreement. Performance and payment bonds up to 100% may be required for the full amount of the subcontract price. Prior to the bid, upon request, you can contact our office if you require assistance in bonding, lines of credit, insurance, obtaining necessary equipment, supplies, materials or services etc., which may be required by the Owner.
