Dear Mr. Brown,

The Department of Transportation (Caltrans) received a bid submitted by R. Brown Construction Company (R. Brown) on the above referenced contract on August 12, 2015. R. Brown listed work to be performed by Camblin Steel Service, Inc. as 37 percent for bid item 109 (Concrete Barrier (Type 80 Modified)). ACL Construction Company, Inc. was also listed to perform 71 percent of the same bid item.

Public Contract Code Section 4106 States in pertinent part:

*"If a prime contractor fails to specify a subcontractor or if a prime contractor specifies more than one subcontractor for the same portion of work to be performed under the contract in excess of one-half of 1 percent of the prime contractors bid, the prime contractor agrees that he or she is fully qualified to perform that portion of work himself or herself, and that the prime contractor shall perform that portion himself or herself."*

If R. Brown is awarded Contract 01-0B03U4, it must perform bid item 109 with its own forces.

The Resident Engineer will receive a copy of this letter for contract administration and compliance.

**Contract No. 01-0B03U4 Bid Date 8/12/2015**

During the time we put our bid together and sent it off electronically we had one price for item #109 and had Camblin Steel Service and A C L Construction Company, Inc. listed as subcontractors on this item. We had configured their percentage. At the last minute before submitting our bid we changed our price on that item which would change the percentages but we did not correct the percentages at that time before submitting our bid.

Attached please find A C L Construction's quote and Camblin Steel Service quote.

R. Brown bid on item #109	= \$98,400.00	
ACL Const. quote	= \$65,600.00	= 66.67%
Camblin Steel quote	= \$26,240.00	= 26.67%
		93.34%
