Dear Ms. Castro:

The Department of Transportation (Caltrans) received the attached Disadvantaged Business Enterprise (DBE) Commitment form for Contract No. 01-0B1004 from Desert Concepts Construction, Inc. (Desert Concepts). Caltrans established a Disadvantaged Business Enterprise (DBE) goal of 8.0 percent for this project. Desert Concepts initially claimed a DBE commitment of 10.2 percent of the total bid amount.

Desert Concepts listed (for credit toward the DBE goal) James Transportation Group (JTG) to provide Job Site Management for the amount of \$25,000. The Office of Business and Economic Opportunity, Contract Evaluation Unit (CEU) reviewed Desert Concepts' DBE submittal and determined that JTG does not have the work codes to perform Bid Item 7 Job Site Management. Consequently, JTG's participation has been disallowed. The total dollar amount counted towards the DBE goal was reduced by \$25,000. After the adjustment, the total amount of DBE participation is \$65,489, or 7.54 percent of the total bid amount.

CEU staff further determined that Desert Concepts did demonstrate a good faith effort towards meeting the DBE participation goal for this contract.

The Resident Engineer will receive a copy of this letter for contract administration compliance.
