RE: Contract No. 01-0B1004,
Bid Protest ~~2~~ # 1

Upon further review, DCCI finds other discrepancies in Dirt and Aggregate, Inc. bid package, first D+AI did not list a DBE certification No. on first page of DBE commitment form. Only at bottom of tabulation do they list their cert, No. on item 38. Second D+AI do not list a traffic control contractor on bid item 3. D+AI has a C-32 license, but not a C-31.

Both Coral Construction, and DCCI do not possess this license, therefore it was subbed to KRC which is licensed to this portion of the work. KRC is licensed and posses a DBE certification. How can D+AI perform this work without a current license?

Thank you,
