Dear Mr. Myers,

The Department of Transportation (Caltrans) received a bid from Myers and Sons, LP (Myers and Sons) on the above referenced contract on May 19, 2015. Myers and Sons listed work to be performed by ABSL Construction (ABSL) as 100 percent for bid item 18 (cold plane asphalt concrete pavement). Darren Taylor Construction, Inc. was also listed to perform 100 percent of the same bid item.

Public Contract Code Section 4106 States in pertinent part:

*"If a prime contractor fails to specify a subcontractor or if a prime contractor specifies more than one subcontractor for the same portion of work to be performed under the contract in excess of one-half of 1 percent of the prime contractors bid, the prime contractor agrees that he or she is fully qualified to perform that portion of work himself or herself, and that the prime contractor shall perform that portion himself or herself."*

If Myers and Sons is awarded Contract 01-0B2404, it must perform bid item 18 with its own forces.

The Resident Engineer will receive a copy of this letter for contract administration and compliance.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

A handwritten signature in black ink, appearing to read "John C. McMillan".
