GENERAL CONDITIONS

Hillside Drilling's (HSD) bid is based on one move ins to the job with continuous operation until completion of subject move-ins; add \$10,000 to the contract for each additional move. Contractor will provide 20-foot wide level, unobstructed access with no overhead obstructions adjacent to all locations as required for drill rig, R.T. crane, concrete pump and concrete trucks. Power lines to be de-energized as required for safe clearances. Contractor to remove drill spoils concurrent with drilling as required to provide access for setting and pouring operations. Concrete pour crew may require additional overtime work hours to complete pours. Contractor will provide a clean out area for drilling equipment and concrete pumps and trucks. Bid is based on day work Mon.-Fri. 8 hours per day. Contractor to provide three weeks minimum notice of start date. Contractor to provide area on site for storage of Hillside Drilling's equipment and materials. Changes in start date shall be made 72 hours in advance of given start date and may result in a delay to the rescheduled work. Hillside Drilling will be given one working day to verify grade, access, and layout before moving on to the site. If casing or dewatering is needed, rebar cages shall not block access of casing or sump pumps. Price based on groundwater being discharged at site into desilting pit or basin provided by General Contractor 100' from work area. If any man-made/man-placed materials are encountered such as bricks, concrete, rip rap, pea gravel, etc., the general contractor will provide Hillside Drilling with written authorization to proceed with the work utilizing any required special tools and equipment. A daily log of labor, equipment and material will be maintained and subsequently billed at the rate of \$425.00 per drill rig hour including two men, plus costs of materials, other equipment and labor, plus appropriate markups. All standby time due to delays by others will be billed at the same hourly rate. Standby rate for equipment left on site due to delays by others is \$1,200/day for the drill rig plus any additional equipment left on site. Back charges will only be accepted when properly documented and acknowledged on a daily basis by our authorized representative. Payments will be made within 30 days of invoice. Retention will not exceed the percentage with held by the owner. Balance of retention will be paid in full within 35 days after completion of Hillside Drilling's work.

For shafts to be drilled deeper than soil borings indicate we have assumed that the materials to be drilled are similar to those indicated on the soil borings lowest depth explored adjacent to the drilled shaft. Conditions differing shall be considered a changed condition. Soil conditions or water table elevations that are different than those indicated in the soils report/borings shall be considered a differing site condition.

This quotation includes the following insurance coverage for HSD with the general contractor to be named as additional insured. Hillside Drilling shall only indemnify Owner and/or Prime Contractor to the extent of Hillside Drilling's proportionate fault or neglect.

1. Worker's compensation & Employers Liability -\$1,000,000.00 each accident, \$1,000,000.00 disease policy limit & \$1,000,000.00 disease each employee (excludes waiver of subrogation)
2. General Liability - \$2,000,000.00 (Excludes pollution liability, professional liability, riggers liability, builders risk and rail road insurance)
3. Automobile Liability Coverage - \$1,000,000.00.

This quotation is subject to acceptance within 30 days and the terms herein will be incorporated into any subsequent sub-contract agreement. In the event that legal counsel is retained to collect any sums due, HSD will be reimbursed for legal expense incurred. Should any dispute arise out of this Proposal/Agreement; the prevailing party shall be entitled to recover reasonable attorney's fees and cost.

Thank you for the Business Opportunity!
