Additional Terms and Conditions of Sale

PRICE QUOTATION

Tidewater Contractors, Inc. (seller) quotation sheet must be signed by an appropriate person (Contractor/buyer) and returned to Tidewater prior to pickup or delivery of any materials. These terms and conditions ***will not*** be superseded by any other documents, including purchase orders unless agreed to by Tidewater Contractors, Inc. Prices, terms and conditions are firm for 30 days *or* the period set forth in this quotation.

TERMS

All prices are subject to federal, state and local taxes. This quotation is specific to the Contractor and project listed on the material price quote. This proposal is contingent upon the approval of the Contractors credit by Tidewaters credit department and acceptance of the terms and conditions in this quotation. If Tidewater Contractors decides not to sell these materials on credit basis, Tidewater Contractors, Inc. may *cancel* this quotation, or elect to sell to the Contractor on a (COD) basis. *Tidewater is a Non-Union Contractor and will not enter into signatory agreements.*

DELIVERY

Prices are delivered to the job site over suitable access roads. The seller reserves the right to stop delivery if the access roads are not suitable or are unsafe. The Contractor assumes responsibility for damages to sidewalks, driveways, or other property, and agrees to hold the Tidewater harmless against all liabilities, loss and expense incurred as a result of such deliveries. Prices quoted are for full loads (5 CY Min). Partial loads are subject to short load charges. All materials dispatched, and with delivery underway will be charged to the Contractors account.

SCHEDULING

All scheduling is on a first come first serve basis. Therefore it is recommended the Contractor schedule a minimum of 72 hours prior to the delivery date and time desired. This does not guarantee delivery at that time, but all efforts will be made to accommodate the Contractors request.

STANDBY TIME CHARGES

Contractor is allowed ten (10) minutes for discharging each load of aggregate and ten (10) minutes for each CY of concrete. Additional time will be charged at $1.50 per minute. In the event the Contractor is unprepared to receive the material at the scheduled time, standby time will be calculated from the scheduled arrival time until the load is completely discharged, less ten (10) minutes.

FUEL SURCHARGES

At this time Tidewater does not have fuel surcharges in place, however fuel price volatility may require a surcharge depending on the price of fuel at the time of delivery.

OPERATING HOURS

Standard operating hours are Monday thru Friday, 7:00 am to 5:00 pm - Saturdays and Sundays are considered "premium time" and will require an additional charge.

TRUCK WASHDOWN

In the event that an onsite wash down is required, it is the responsibility of the Contractor to provide an area for trucks to wash down and that is in accordance with all applicable regulations.

Tidewater Contractors, Inc. will not assume any liability for any damage or trespass as a result of the cleaning and wash down, and the Contractor agrees to indemnify and hold Tidewater Contractors, Inc. harmless against all liabilities, loss and expense incurred as a result of any damage or trespass caused by such cleaning and wash down.

SAMPLING & TESTING

All sampling and testing at the plant site shall be in accordance with A.S.T.M./AASHTO standards. Unless specifically stated, prices *do not* include any costs for testing or any other services, including engineering. Any costs for additional testing, repairs, or delays due to improper sampling, testing or inspection procedures shall be the responsibility of the Contractor.

DELAYS

Tidewater Contractors, Inc. will not be responsible for failure to make deliveries or produce materials when prevented by labor issues, accidents, fire, flood, adverse weather conditions, and breakdowns or by reasons of any other contingencies beyond Tidewaters control. Tidewater will not be responsible for allocations of priorities that may be imposed by its suppliers.

I agree to the above quotation and conditions to supply material for this project.
