Low Bidder

1. List items of work the Bidder made available to DBE firms. Identify items of work the Bidder might otherwise perform with its own forces, items that have been broken down into economically feasible units to facilitate DBE participation, and items for which the Bidder has established flexible time frames for performance and delivery schedules in a manner that encourages and facilitates DBE participation. For each item listed, show the dollar value and percentage of the total contract. The Bidder must demonstrate that sufficient work to meet the goal was made available to DBE firms.

Attention General Contractors:

Regarding: Construction on State Highway in Mendocino County About 7 Miles East of Boonville on Hwy 253
Contract No. 01-0B5704

PROPOSAL LETTER

Contractors:

Certified Coatings Company is pleased to provide our proposal for the field Clean and Paint Steel Soldier Piling surfaces on the above referenced project. We hold current SSPC QP1 certifications as required by Caltrans.

For shop abrasive blasting and priming, we recommend that you contact R&B Protective Coatings in Linden, CA (Tel 209-887-2030), who is SSPC QP3 certified.

We are a non-union contractor and will provide non-union painters at prevailing wages. If this is a problem, please let us know immediately. We will provide a paint quality work plan to cover our work.

We will be bidding on the following items:

Bid Item #	Description	Unit of Measure	Est. Qty.	Unit Price	Extension
54	Clean and Paint Steel Soldier Piling, (partial)	LS	LS	LS	\$61,676.00
Total Lump Sum Bid					\$61,676.00

Bonding can be provided upon request at 1.5% of our subcontract price.

Scope and Specification:

Item 54- Our bid includes sweep blasting to clean the shop applied zinc and applying one zinc finish coat to the exposed soldier pile surfaces in the new soldier pile after pile installation, placement of timber lagging and waler installation. General Contractor will provide surfaces to be painted that are free of concrete splatter and residue. Our bid assumes that we will be able to access the soldier piles by walking on the walers while tied off to the tubular hand rail above.

Caution: Phishing Attempt Threat Advisory-- In recent days, we've learned of a new phishing attack that attempts to draw the attention of recipients with the subject line Issue with your DBE Certification. Users are advised of a complaint regarding their DBE certification. In the event that you receive a message fitting this description, close the message immediately and report it as spam. Contact your certifying agency if you have concerns. - [Click here to see example of phishing.](#)

The Disadvantaged Business Enterprise (DBE) Database contains information on certified DBE firms and is **updated daily**. Use the database query form to find certified DBE firms to meet DBE goals on contracting requirements.

- [Click here to Access the DBE Query Form](#) (*Export options: CSV | Excel | XML | PDF*)

- [Click here to Access the Work Code Template](#)
[Click here to view Caltrans District Map](#)

Where there is a DBE goal on a contract, a Bidder must show that it took all necessary and reasonable steps to achieve a DBE goal or other requirement of [Appendix "A" to Part 26](#), by their scope, intensity, and appropriateness to the objective, could reasonably be expected to obtain sufficient DBE participation, even if they were not fully successful.

Quick Search Tips:

- To find firms doing Construction Area Signs in Caltrans District 11, use [Caltrans Districts]> [11] [Work Category Codes] > scroll and select [C1200 Construction Area Signs]> [Start Search].
- To get a list of Landscape Contractors in Caltrans District 7, use [Caltrans Districts]> [07]> [License Type]> [C 27 Landscape Contractor] > [Start Search – PDF or Excel] – this will give you all firms located in Caltrans District 7.
- Search results will show firms located in a particular area, plus those firms that indicate they can work statewide.
- You may need to upgrade you Browser to view/download data.

DBE CERTIFICATION DOES NOT EXPIRE

NOTE: Please note that the California UCP (including Caltrans) does not issue DBE Certificates as evidence of certification. A copy of a printout from the DBE Database should be sufficient for the bid package.

If you have any questions or need verification of a DBE firm, please call our office (916) 324-1700, or the DBE's own Certifying Agency.

Caution: The DBE regulation allows for firms to be suspended for various reasons, including death or incarceration of majority owner or other non-compliance with documentary requirements. The database will indicate if a firm is suspended. Therefore, prior to contracting with a DBE please ensure you have the most current information about the DBE for your good faith effort paperwork.

The North American Industry Classification System (NAICS) Code:

The NAICS Code is the standard used by Federal statistical agencies in classifying business establishments for the purpose of collecting, analyzing, and publishing statistical data related to the U.S. business economy. Use the U.S. Census Bureau NAICS Search page to determine the NAICS Code.

The Work Codes supplement NAICS Codes that are used by the UCP during DBE certification process. It is a classification scheme of equivalent detail and specificity, describing work a DBE firm states it can perform, whether on initial certification or when a new type of work is added to an existing certification.

These codes provide a general overview of the process used to determine code assignment, which in part considers description of work and any licenses necessary to prove control of the business by a disadvantaged owner.

The Work Code Template provided above is not an all encompassing list of work DBE firms perform and should be used as a guide only. DBE firms can always request their certifying agency (any time) to review their business activities and add or remove codes as and when necessary. DBE Firms are required to be certified with appropriate codes prior to bid date.
