Dear Jim,

We would like to thank you for your time giving us this opportunity to offer you our rates. All rates provided are on a contract to contract basis. *We may be required to have equipment travel back to our shops for periodic servicing or operator exchange. Equipment may need to be serviced at our shop due to unexpected breakdowns. In the event we are unable to perform on the job due to breakdown or unavailability of equipment we may subcontract a local sweeper in at their rates which may vary higher than ours. We will make all attempts to quickly limit the expense in these events. In the event that we cannot perform or substitute a contractor to perform on this job, Wells Sweeping will not be held liable. If dispatched equipment/driver is not able to perform on scheduled day, client will be responsible for acquiring a replacement, client will assume any and all liability for delay due to this circumstance; this clause remains in effect from the date of this proposal, without signature of acceptance. (These circumstances are possible, but highly unlikely; we are performing work out of our normal area of operations and events out of our control can and may take place, we have a very high out-of-town success rate and our clients are extremely satisfied with our services) *Small surcharge may be added to cover fluctuations in fuel costs.*

We look forward to providing you with quality service.

Sincerely,
