Subject: **Good Faith Efforts Documentation**  
**Contract # 01-262024**  
**Bid Opening - October 22, 2013**

The Department of Transportation (Department) established a Disadvantaged Business Enterprises (DBE) goal of six percent (6%) for this project along with Good Faith Efforts. In order to protect Diablo Contractors, Inc.'s (DCI) eligibility for award of this contract, please find the following information and supporting documents of our Good Faith Efforts (GFE):

- 1. Identified items of work available to DBE firms. Items of work DCI might otherwise perform with our own forces and those items that can be broken down into economically feasible units to facilitate DBE participation. DCI would self perform at least 50% of the contract amount:**

“We are soliciting quotes from certified DBE Subcontractors and Suppliers for the following categories of work (**including but not limited to**): fence, erosion control, excavation, demo, planting, seed supplier, concrete, aggregate, RSP. Work will be broken down to accommodate subcontractor quotes. Quotes are due by Monday, October 21, 2013.” (from DCI’s posted advertisement)

- 2. Contacted the Department’s Office of Civil Rights website ([http://www.dot.ca.gov/hq/bep/find\\_certified.htm](http://www.dot.ca.gov/hq/bep/find_certified.htm)) to access and download the DBE Database in Excel. Filtered the database for available and appropriate DBEs. Submitted invitations to bid to the following DBEs:**

- Initial contact with DBEs was on 08/15/13 by way of facsimile.

(See Section 1)

- Since the bid date was changed, another facsimile was sent to entire list of DBEs to notify them of the bid date change on 09/25/13.

(See Section 2)

- Followed up contact with a phone call to all DBEs where no fax reply was received. Those phone calls were placed on 10/11/13.

(See Section 3)

- Follow-up faxes were made to all DBEs whom still hadn't responded on 10/11/13.

(See Section 4)

- We received four fax replies of the DBEs intentions of bidding in response to the invitations (both with the original bid date and then again with the new bid date). One 'Yes' response each time and three 'No' responses each time.

(See Section 5)

**3. The following is our official Subcontractor List of the selected firms for this project:**

(See Section 6)

\*Please note our Subcontractor List is based on Subcontractors we would hire for work performed that is at least ½ of 1 percent of the contract amount. Therefore, material suppliers and/or smaller subcontracted items are not listed.\*

DCI never discriminates on the basis of race, color, ethnicity, national origin, or gender of the owner of any business wishing to provide our company with Subcontractor quotes for any project in which we are bidding as the General Contractor. DCI selects firms based solely on the amount and items in which they are bidding and for no immoral reasons. Copies of any quote can be provided upon request.

**4. Advertisements were placed in the following Trade and DBE Focused Publications:**

- DBE Goodfaith Inc. Focus Journal Ad - Posted on 09/25/13 at 04:11 PM
- DBE Goodfaith Inc. Trade Journal Ad - Posted on 09/25/13 at 04:11 PM
- Compliance News Daily Focus Journal - Posted on 09/25/13 at 03:41 PM
- Compliance News Monthly Trade Journal - Posted on 09/25/13 at 03:41 PM
- DCI also utilized the "Advertise for Help" feature on the Department's website for Prime Contractors to signify to possible Subcontractors that we are looking for DBEs. This was posted on 08/15/13.

(See Section 7)

**5. Contacted the Department's Office of Civil Rights website ([http://www.dot.ca.gov/hq/bep/find\\_certified.htm](http://www.dot.ca.gov/hq/bep/find_certified.htm)) to access and download the DBE Database in Excel on 08/15/13 to identify available and appropriate DBEs.**

6. **DCI's advertisement and solicitation letter states that the plans and specifications are available for review at our main office. No DBEs requested assistance with the plans, specifications or requirements for this contract.**

(See Section 8)

7. **DCI's advertisement and solicitation letter states that DCI will pay bond premium up to 1.5% and that DCI will assist with any bonding, insurance, and lines of credit needed. No DBEs requested assistance in obtaining bonding, lines of credit, insurance, equipment, supplies or materials. As a company policy, DCI reviews bonding requirements on a case by case basis and will adjust when possible. DCI utilizes joint check agreements when applicable and can provide past history of such, upon request.**

(See Section 8)

**8. Excerpt from DCI's advertisement and solicitation letter:**

"Diablo Contractors, Inc. (DCI) adheres to the requirement for Affirmative Action to ensure Equal Employment Opportunity according to Executive Order 11246, and requires proof from all subcontractors that they are in accordance. 100% Performance and Payment Bonds with a surety company thereof, subject to the approval of DCI, will be required of all subcontractors. DCI will pay bond premium up to 1.5%. Please contact DCI for assistance with bonding, insurance, or lines of credit. All subcontractors are expected to sign a standard contract, refer to our website: [www.diablocontractors.com](http://www.diablocontractors.com). Any bid provided by your company constitutes an acceptance on each and every term of the general contractor's standard contract. Subcontractor will be deemed to understand and accept those terms by providing a bid. Any attempt by a subcontractor to revise or limit those terms will be null and void and not recognized by DCI. Prevailing wages must be met. Plans & specifications are available for viewing at our San Ramon office as well as Caltrans Plans Counter and their website: [www.dot.ca.gov/hq/esc/oe/](http://www.dot.ca.gov/hq/esc/oe/). Please call DCI for more information. Contact: Tiffany White."
