Dear Mr. Boies:

The Department of Transportation (Caltrans) received the attached bid submitted by Granite Construction Company (Granite) for Contract No. 01-474904 on June 18, 2014. Caltrans notifies Granite that 6 bid items listed on the Subcontractor List allocate the percentage of work for each item to exceed 100 percent.

Granite's Subcontractor List form indentified Apply-A-Line as performing bid items 5 (temp. pavement marking), 6 (temp traffic stripe), 32 (remove yellow stripe), 106 (thermoplastic marking), 107 (paint marking), and 108 (pavement marker) each at greater than 100 percent (170, 120, 132.5, 240, 120, and 180 percent respectively).

After a review of the bid documents submitted by Granite, Caltrans determined that an error was committed with regard to the percentage of work identified for the above mentioned bid items. Caltrans finds that this error is waivable, since the work to be performed could not exceed 100 percent. As such, by waving this error, no competitive advantage is given to the bidder.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

JOHN C. MCMILLAN
