Reference: Caltrans Contract 01-493704
B.O. 4/07/15

Subject: Response to Bid Protest by McCullough Construction

Mr. McMillan:

McCullough Construction has not identified any material grounds on which Caltrans is required to reject Mercer-Fraser's bid.

However, McCullough's bid is materially non-responsive for its failure to properly submit the subcontractor listing form. As McCullough is a non-responsive bidder, it has no standing to protest any bidder on this contract.

Respectfully,
MERCER-FRASER COMPANY

Charles M. Anderson
Project Manager
