BOE-442-IFTA REV.4 (7-11)

BOE-06 068806

Above is your International Fuel Tax Agreement (IFTA) license. This license is issued by the California State Board of Equalization (BOE) under the terms of the International Fuel Tax Agreement (IFTA). This license is valid for qualified motor vehicles operated by the licensee in all IFTA jurisdictions.

This license, or an exact copy of this license, must be carried in the cab of each qualified motor vehicle registered under the California IFTA program. Along with this license, each vehicle must display one set of valid California IFTA decals on the exterior portion of the truck's cab; one decal on each side.

In lieu of the IFTA decals, a valid California International Fuel Tax Agreement (IFTA) Temporary Decal Permit (BOE-442-T) may be carried in the cab of the vehicle.

If you do not carry a copy of the IFTA license or do not display the IFTA decals in the required locations on the vehicle(s) (or carry in the cab a valid California IFTA Temporary Decal Permit), it will subject the vehicle operator to the requirement to purchase a fuel trip permit, issuance of a citation and/or imposition of a fine, and possible seizure and sale of the vehicle.

As a holder of this license, you accept certain responsibilities. You must keep adequate records that document the amount of fuel purchased, used, or stored; the amount of fuel paid; any fuel use that is exempt from tax; and the number of miles your qualified motor vehicle(s) operated in all IFTA and non-IFTA jurisdictions. Generally, you must keep records for four years.

You must file an IFTA Quarterly Fuel Use Tax Report (IFTA-100/101) no later than the last day of the month following the quarterly reporting period. You must file your report with the exact miles traveled and gallons consumed during the reporting period. You must file your quarterly report even if you did not purchase any fuel or operate your vehicles in any IFTA jurisdiction during the reporting period.

Your license is valid for the entity named and type of ownership specified (for example, sole proprietorship, corporation, partnership, limited liability company, etc.). You should notify BOE immediately if you make ownership changes, sell your business, stop operating, or otherwise close your California IFTA license account. Upon closure of your account, you must destroy this license and all copies and remove all related decals issued by the BOE from your vehicles.

This license is valid only if issued by the BOE. Any agent or other person who alters or otherwise produces unauthorized fuel tax credentials is creating fraudulent documents, the use of which may result in civil liability, criminal prosecution or revocation of the license.

If you have any questions, please call the Motor Carrier Office or Taxpayer Information Section at 800-400-7115 (TTY:711). You may also write to the State Board of Equalization, MIC:65, P.O. Box 942879, Sacramento, CA 94279-0065. For general information, visit our website at www.boe.ca.gov.

If you would like to know more about your rights as a taxpayer, or if you are unable to resolve an issue with the BOE, please contact the Taxpayers' Rights Advocate office for help by calling 888-324-2798 or 916-324-2798. Their fax number is 916-323-3319.

- The policy to which this endorsement is attached provides primary or excess insurance, as indicated by "X," for the limits shown:
- This insurance is primary and the company shall not be liable for amounts in excess of \$ 1,000,000 for each accident.
 - This insurance is excess and the company shall not be liable for amounts in excess of \$ _____ for each accident in excess of the underlying limit of \$ _____ for each accident.

Whenever required by the Federal Motor Carrier Safety Administration (FMCSA), the company agrees to furnish the FMCSA a duplicate of said policy and all its endorsements. The company also agrees, upon telephone request by an authorized representative of the FMCSA, to verify that the policy is in force as of a particular date. The telephone number to call is: 404-443-2040. Cancellation of this endorsement may be effected by the company or the insured by giving (1) thirty-five (35) days notice in writing to the other party (said 35 days notice to commence from the date the notice is mailed, proof of mailing shall be sufficient proof of notice), and (2) if the insured is subject to the FMCSA's jurisdiction, by providing thirty (30) days notice to the FMCSA (said 30 days notice to commence from the date the notice is received by the FMCSA at its office in Washington, D.C.).

DEFINITIONS AS USED IN THIS ENDORSEMENT

ACCIDENT includes continuous or repeated exposure to conditions which results in bodily injury, property damage, or environmental damage which the insured neither expected nor intended.

MOTOR VEHICLE means a land vehicle, machine, truck, tractor, trailer, or semitrailer propelled or drawn by mechanical power and used on a highway for transporting property, or any combination thereof.

BODILY INJURY means injury to the body, sickness or disease to any person, including death resulting from any of these.

ENVIRONMENTAL RESTORATION means restitution for the loss, damage, or destruction of natural resources arising out of the accidental discharge, dispersal, release or escape into or upon the land, atmosphere, watercourse, or body of water, of any commodity transported by a motor carrier. This shall include the cost of removal and the cost of necessary measures taken to minimize or mitigate damage to human health, the natural environment, fish, shellfish, and wildlife.

PROPERTY DAMAGE means damage to or loss of use of tangible property.

PUBLIC LIABILITY means liability for bodily injury or property damage.

The insurance policy to which this endorsement is attached provides automobile liability insurance and is amended to assure compliance by the insured, within the limits stated herein, as a motor carrier of property, with Sections 29 and 30 of the Motor Carrier Act of 1980 and the rules and regulations of the Federal Motor Carrier Safety Administration.

In consideration of the premium stated in the policy to which this endorsement is attached, the insurer (the company) agrees to pay, within the limits of liability described herein, any final judgement received against the insured for public liability resulting from negligence in the operation, maintenance or use of motor vehicles subject to financial responsibility requirements of Sections 29 and 30 of the Motor Carrier Act of 1980 regardless of whether or not each motor vehicle is specifically described in the policy and whether or not such negligence occurs on any route or in any territory authorized to be served by the insured or elsewhere. Such insurance as is afforded, for public liability, does not apply to injury to or death of the insured's employees while engaged in the course of their employment, or property transported by the insured, designated as cargo. It is understood and agreed that no condition, provision, stipulation or limitation contained in the policy, this endorsement, or any other endorsement thereon, or violation thereof, shall relieve the company from liability or from the payment

of any final judgement, within the limits of liability herein described, irrespective of the financial condition, insolvency or bankruptcy of the insured.

However, all terms, conditions and limitations in the policy to which the endorsement is attached shall remain in full force and effect as binding between the insured and the company. The insured agrees to reimburse the company for any payment made by the company on account of any accident, claim, or suit involving a breach of the terms of the policy, and for any payment that the company would not have been obligated to make under the provisions of the policy except for the agreement contained in this endorsement.

It is further understood and agreed that, upon failure of the company to pay any final judgement recovered against the insured as provided herein, the judgement creditor may maintain an action in any court of competent jurisdiction against the company to compel such payment.

The limits of the company's liability for the amounts prescribed in this endorsement apply separately to each accident and any payment under the policy because of any one accident shall not operate to reduce the liability of the company for the payment of final judgements resulting from any other accident.

THE SCHEDULE OF LIMITS SHOWN BELOW DOES NOT PROVIDE COVERAGE.

The limits shown in the schedule are for information purposes only.

If you do not have a number, see *How to get a TIN* on page 3.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
