**Re: Response to Request for Subcontractors for CALTRANS Contract 01-497714
Item No. 20, Item Code 146001- Contractor Supplied Biologist (WDAY)- Highway
1, Mendocino Co. near Gualala**

Dear Amber:

NRM is pleased to provide the attached offer for biological related services to Rege Construction, Inc. for the above Mendocino County CalTrans project near Gualala. NRM is a Eureka based employee owned certified small business that has provided natural resources planning consulting services since 1971. We have previous subcontracting experience on various CalTrans projects in northern California. We also have previous experience with other similar projects and will be able to provide these services to your firm for the above project at cost effective rates.

NRM offers the following services: Natural Resource Protection Plans, Biological Resource Information Plans, worker awareness training, regulatory specialists, agency permitting including CDFW, USFWS, ACOE, RWQCB, Coastal Commission, etc., terrestrial and fisheries biologists, raptor and migratory bird surveys and plans, fish protection and salvage plans, botanical surveys, wetland delineations, pre-construction surveying and reporting, compliance monitoring, and GIS mapping. Please see www.nrmcorp.com for more information.

Please see the attached cost proposal. If desired, we can also provide a NRM company information sheet and profile, and professional resumes. If our services and cost structure meets your project needs, we would be interested in discussing project specifics for this and others. We appreciate the opportunity to provide this offer for your consideration and we look forward to working with your firm and CalTrans on this project.

Please feel free to contact us for additional information, or if you have any questions.

Sincerely,

Bob Kelley,
Vice President

<u>Labor Category</u>	<u>2015-16 Charge Rate (Hourly)</u>
Wildlife Biologist	\$67.50

In developing a day rate for biological work associated with CalTrans Contract No. 01-497714, the above charge rates are used for the labor cost. Labor cost on an eight (8) hour workday basis is \$540.00/day.

These above rates are straight time only and do not include overtime hours.

Lodging costs are expected to be approximately \$160/night, and per diem is \$30/day/person.

Travel costs associated with this project will be billed at the IRS reimbursement rates. For 2015, the IRS rate is \$0.575/mile driven. IRS rates for 2016 are unknown, so 2015 rates are used. Round trip travel distance from Eureka to Gualala is approximately 400 miles. On-site travel is expected to average approximately 10 miles/day. Provided one (1) round trip can be applied to the estimated (5) work days for the Biologist, the 2015-16 travel costs might be expected to average \$51.75/day. Following are the eight (8) hour workday costs per biologist associated with this bid:

Labor-	\$540.00/day
Lodging	\$160.00/day
Per diem	\$ 30.00/day
Travel-	\$ 51.75/day
Total-	\$781.75/day for a standard eight (8) hour day w/ no overtime

Below is NRM's cost proposal per biologist for performing a twelve (12) hour work day if requested by the Contractor:

Labor-	\$945.00/day
Lodging	\$160.00/day
Per diem	\$ 30.00/day
Travel-	\$ 51.75/day
Total-	\$1,186.75/day for a twelve (12) hour work day which includes overtime

If requested by the Contractor for biologist(s) to work more than twelve (12) hours per work day, the Labor rate portion of the daily cost would increase by \$135/hour (double time) for each hour worked more than twelve (12) hours per work day per biologist.

**NRM COST PROPOSAL FOR SUBCONTRACTOR SERVICES CONTRACT NO. 01-497714
MENDOCINO COUNTY NEAR GUALALA**

The above daily costs include all expected subcontractor costs required to conduct biological surveying and monitoring work described in CALTRANS Contract No. 01-497714. Our cost proposal includes fully burdened labor rates with employee benefits, taxes, payroll costs, insurance, overhead, and profit included in the rates.

As it is described in the CalTrans bid package for this project, there are 5 work days estimated for the Biologist. This would result in a total cost for the Contractor-supplied Biologist of **\$3,908.75** if all days worked are straight time. If the Contractor anticipates a schedule with overtime associated, the overtime rates would apply. As necessary, NRM would supply as many qualified biologists to meet the need of the Contractor's schedule.

We would welcome your discussion of this project in providing a successful bid to CalTrans. Thank you.

4. **Demurrage / Standby Time charges will be billed and due & payable, after the standard allowable times listed, based on the hourly rates quoted on page 1 & 2, then divided by 60 minutes.** As an example: \$ 105.00 hourly = \$1.75 per minute. \$ 108.00 hourly = \$1.80 per minute, or \$ 118.00/hourly = \$ 1.97 per minute, etc. Also standby time/demurrage starts upon arrival at the jobsite, including but not limited too; when governmental agencies/general contractors require traffic control points before the actual jobsite (traffic control points, flagmen control, lane closure etc.), and then standby time/demurrage charges will commence starting at the point of that traffic control location.
5. **It will be the contractor's /customers sole responsibility to pay all demurrage /standby time at any quarry site/ load site.**
6. **Never will any "Averaging of Standby Time" be allowed.** In other words; standby averaging is not allowed at all, as first stated on page 1, reflective in qualifying maximum allowable times in tonnage rate quotes. Demurrage / standby time will be billed and become due & payable after the maximum allowable times listed at the rate per minute quoted.
7. **Semi End Dumps, Double bottoms, Semi Bottoms and 10-Wheelers are hourly unless agreed in writing by R&S Trucking & Contractor prior to job commencing.**
8. **All quotes reflect 100% trucking of said job. R & S Trucking reserves the right to void any /all prices if less than 100%.**
9. *** Please call truck orders in by 11:00 a.m., to check availability.** Please notify us several days in advance of any new jobs starting and/or any large truck orders of 8 trucks or more.
10. On all jobs that require certification rosters, additional names may be added at any time.
11. **PROBLEMS ON PROJECTS:** The contractor must FAX into our main office a detailed description of the occurrence, including the sub hauler and/or drivers name, owner of the truck, truck number/trailer(s) number and description of truck/trailer(s), and copy of the freight tag that pertains to this incident or occurrence, along with estimated dollar (\$) amount of loss within 24 hours on the same day of the incident or occurrence. R&S Trucking will accept "NO EXPENSE CHARGES OR BACK CHARGE CLAIMS" unless we are notified as stated above. R & S Trucking will then respond back to customer after investigating the incident. All claims for recovery by contractor for loss or damage to commodity hauled must follow this procedure. To clarify: R & S Trucking treats invoices billed as revenue and claims or back charges as expenses, so as such, any claims or back charges need to be received as an invoice, not a deduction on any R & S Trucking invoice. Any deviation from this procedure will not change the costs incurred and may cause immediate withdrawal of trucking from said job
12. **It is the contractor's responsibility to FAX notice to R&S Trucking Estimator prior to job bidding if certified payroll and/or union participation is required (also see item.32 following).**
13. **Saturday rates: add 12.5% to the weekday rates, listed on Page 1. Also, Sunday & Holiday rates: add 25 % to the weekday rates, listed on Page 1. This applies to all rates quoted, regardless of hourly, per ton, per load = ALL RATES.**
14. **Minimum Show-up time: On every truck dispatched to customers project, customer will be responsible for paying at least a 8 hour minimum daytime, & 8 hour minimum nighttime, unless previously arranged with dispatch.**
15. All un-scaled tonnage quotes will be based on 26.20 tons per load for Double bottoms. All scaled tonnage quotes for partial loads will be based on 24.00 tons for Transfers. All scaled tonnage quotes for partial loads will be based on 19.00 tons for Semi ends, Semi bottoms and Super Dumps These quotes are based on R&S Trucking performing all trucking requirements on said project. Also, when partial loads are sent back from the jobsite, back to the quarry: The time spent traveling back will be charged at the quoted hourly rate.

Continued.....

16. If Contractor chooses not to have loads weighted, then contractor is responsible for all overloads, overload tickets, and anything that occurs if load is not weighed.
17. Hourly time to be charged will start from the time reporting to work (time truck was ordered to be at load site), to the time completing the hourly service, which includes travel time back to the load site on the last load. Time to be charged shall include time for transportation in both directions, time for loading and unloading, and waiting or standby time, at origin and/or destination. Total chargeable time shall be computed to the nearest one-tenth of an hour. Deductions from the time only allowed for carrier equipment failure and meal delays. *** Travel-Time:** When listed and/or when applicable, travel-time charges will be billed at the hourly rates listed, per man, per truck, per day. **** Increased Hourly Rates:** When listed and/or when applicable, the increase of hourly rates will apply due to distance/mileage, traffic conditions & environment, duration of time involved, geography, etc.
18. R & S Trucking shall render to contractor invoices for services agreed to in the quote sheet/purchase order. Contractor agrees to pay R & S Trucking by the 20th day following the last day of the calendar month in which the work was performed, billed by the 5th day of the following month. When large truck orders are continuous in a given period it may be required that the contractor will be billed weekly and said payment to be no later than 10 days of receipt of invoice. Interest to be charged on all past due accounts at the maximum allowed by law.
19. Please provide R & S Trucking Estimator with all specific job information, which will be the basis of our quotes. Specific details such as lane closures, traffic control points, project labor agreements/organized labor unions, locations for transfers to drop trailers, State, County & City agencies road closures, on and/or off-ramp turn-around access, designated truck routes per job specific contract language, etc., are needed to qualify per ton or per load rates, as these types of rates reflect time constraints. R & S Trucking reserves the right to void quoted rates that reflect time constraints (per ton or per load) at any time, due to lack of specific accurate information given at time of request. Default to hourly rates might prevail, however that could change also dependent on information given at time of request!
20. R & S Trucking provides a "Commercially Useful Function" as defined by 49 CFR 26 in achieving the awarded contractors DBE commitment goals. DBE contract commitment goals, whether in dollars or percentages, are strictly the contractor's achievement responsibility, as defined by 49 CFR 26.
21. Contractor must provide a site on each job for all truckers to clean out trailers daily at end of the last load.
22. R & S Trucking is not responsible for delays caused by equipment failure of employees, agents or sub haulers of R & S Trucking, or by act of God, strikers, lockouts or similar matters beyond the control of R & S Trucking.
23. If any action at law or in equity, including an Action for Declaratory Relief, is brought to enforce or interpret the provisions of this agreement, the prevailing party shall be entitled to reasonable attorney's fee which may be set by the court in the same action or in a separate action brought for that purpose in addition to any other relief to which that party may be entitle. This agreement will be governed by and construed in accordance with the laws of the State of California.
24. Any changes to R & S Trucking freight tags must be received by FAX in the R & S Trucking main office within 2 working days from date of work performed by R & S Trucking for review.
25. Notices will be deemed communicated to either party to this agreement by either fax or certified mail using date of actual receipt of notice to receiving party.
26. **R&S Trucking is not responsible for project production;** this includes the availability of trucks, daily plant and/or jobsite production goals, UDBE, DBE & SB dollar listed/commitment amounts material quota amounts or any other reason, on any job, at any time.
27. As it is standard practice in the construction industry for contractors not to sign truckers trucking quotes. If R & S Trucking sign's a contractor's agreement/contract for trucking services; this action will be construed as a contractor signing an R & S Trucking complete quote with its Contract of Terms & Conditions. This also means that an R & S Trucking quotes supersedes any/all contractors agreements/contract/purchase order, and contractor will hold harmless anything associated in that contract, including production.

Continued.....

- 28. **R&S Trucking Co. is a VENDOR, not a SUB CONTRACTOR.**
- 29. Yearly escalation raise on top of the base rate quoted shall occur at **6% yearly**, commencing **1 year after the job bid date**, and shall continue yearly with 6% raises, year after year. for the continued duration of this same job.
- 30. All Asphalt mix designs, such as **Polymer blends, Rubberized, Open-Grade, etc.**, require the contractor to supply a designated clean-out area on the jobsite, and to supply release agents, such as: United Products, Smart Solve Tar Remover # 603, along with additional equipment & manpower to help facilitate the clean-out of any and all truck and trailer(s). This also includes other sticky materials: such as Bay Mud, Wet Concrete mixes, etc. The time spent on this additional clean-out is chargeable at the hourly rates listed and accrues separately for this clean-out procedurc, and this extra-time is not allowed to be averaged-out. In addition, R & S Trucking only hauls rubberized/open-grade type asphalts in 5-axle Double bottoms/Semi bottoms only, when available.
- 31. All rates quoted reflect a diesel cost per gallon up to and including: **\$ 3.25/per gallon**. After it rises to: **\$ 3.26/per gallon**, R & S Trucking will apply a **diesel fuel surcharge rate of 1% for every \$.10 cent per gallon cost increase**, as reported by the U.S. Dept. of Energy weekly on-highway diesel cost reports. Applying a diesel surcharge, after \$ 3.26/per gallon, shall be billed thru the previous weeks trucking work (1 week in arrears).
- 32. All quoted rates **DO NOT** reflect the cost of an on-site truck boss. If the need of one is required, and mutually agreed upon by R & S Trucking and the contractor requesting this need, then the requesting contractor agrees to pay all costs associated for an on-site truck boss type monitor: This additional fee typically runs approx. \$ 350.00/per day/per 8 hour shift, plus fuel cost. This rate is subject to change accordingly.
- 33. **R & S Trucking is not a union company. We are not affiliated or part of any union organization or any union subsidiary. We do not follow any union structure, including but not limited to any union laws, guidelines, wage structure, rules or regulations.**
- 34. **R & S Trucking is not obligated to become a member of the Teamsters or join into any other agreement with any organized union organization arising from PLA (project labor agreements).**
- 35. When "budget trucking only estimates" are provided alongside quoted hourly rates, these budgets are provided reflecting the contractors/estimators desire & requests to help arrive to a: "Approximation of time cycles and/or tonnage estimate to help create a budget cost +/-". These budget costs/rates are not to be considered accurate enough for a commitment and are created only for a convenience, therefor only the hourly rates quoted at the time shall prevail.

NOTICE TO PERMITTEE:
You are required to obey all Federal and State laws that regulate or control your business. This permit does not allow you to do otherwise.

IS HEREBY AUTHORIZED PURSUANT TO SALES AND USE TAX LAW TO ENGAGE IN THE BUSINESS OF SELLING TANGIBLE PERSONAL PROPERTY AT THE ABOVE LOCATION. THIS PERMIT IS VALID ONLY AT THE ABOVE ADDRESS.

THIS PERMIT IS VALID UNTIL REVOKED OR CANCELED AND IS NOT TRANSFERABLE. IF YOU SELL YOUR BUSINESS OR DROP OUT OF A PARTNERSHIP, NOTIFY US OR YOU COULD BE RESPONSIBLE FOR SALES AND USE TAXES OWED BY THE NEW OPERATOR OF THE BUSINESS.

Not valid at any other address

For general tax questions, please call our Information Center at 800-400-7115.

For information on your rights, contact the Taxpayers' Rights Advocate Office at 888-324-2798 or 916-324-2798.

BOE-442-R REV. 15 (2-06)

A MESSAGE TO OUR NEW PERMIT HOLDER

As a seller, you have rights and responsibilities under the Sales and Use Tax Law. In order to assist you in your endeavor and to better understand the law, we offer the following sources of help:

- Visiting our website at www.boe.ca.gov
- Visiting a district office
- Attending a Basic Sales and Use Tax Law class offered at one of our district offices
- Sending your questions in writing to any one of our offices
- Calling our toll-free Information Center at 800-400-7115

As a seller, you have the right to issue resale certificates for merchandise that you intend to resell. Conversely, you have the responsibility of not misusing resale certificates. While the sales tax is imposed upon the retailer,

- You have the right to seek reimbursement of the tax from your customer
- You are responsible for filing and paying your sales and use tax returns timely
- You have the right to be treated in a fair and equitable manner by the employees of the Board
- You are responsible for following the regulations set forth by the Board

As a seller, you are expected to maintain the normal books and records of a prudent businessperson. You are required to maintain these books and records for no less than four years, and make them available for inspection by a Board representative when requested. You are also expected to notify us if you are buying, selling, adding a location, or discontinuing your business, adding or dropping a partner, officer, or member, or when you are moving any or all of your business locations. If it becomes necessary to surrender this permit, you should only do so by mailing it to a Board office, or giving it to a Board representative.

If you would like to know more about your rights as a taxpayer, or if you are unable to resolve an issue with the Board, please contact the Taxpayers' Rights Advocate Office for help by calling toll-free, 888-324-2798 or 916-324-2798. Their fax number is 916-323-3319.

Please post this permit at the address for which it was issued and at a location visible to your customers.

Dear Ms. Guillory:

I am pleased to advise you that after careful review of your application and supporting documentation, the California Department of Transportation (Caltrans) has determined that your firm meets the eligibility standards to be certified as a Disadvantaged Business Enterprise (DBE) as required under the U.S. Department of Transportation's Code of Federal Regulation (CFR) 49, Part 26, as amended.

Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs under these specific areas of your expertise and license identified following a comprehensive review of your firm:

NAICS Category Codes	Description
425120	Wholesale Trade Agents and Brokers

Work Category Codes	Description
G1000	Non-Store Whole Merchant
G1001	Drop- Shipper

Your DBE certification is recognized solely for the above codes. You may review your firm's information in the CUCP DBE Database, which can be accessed at Caltrans' Web site at <http://www.dot.ca.gov/hq/bep/>. Any additions and revisions must be submitted to Caltrans for review and approval.

In order to assure continuing DBE status, you must annually submit a No Change Declaration Form (which will be sent to you) along with supporting documentation. Based on your annual submission – that no change in ownership and control has occurred – or if changes have

Quotation prepared by : Jake Merz

To accept this quotation, sign and date here and return: _____

This quotation is subject to the following terms and conditions:

- 1) All sales are net 15. This proposal specifically allows the Seller to invoice for and receive payment for the value of materials, supplies, services, and work performed each month, including materials manufactured on hand and awaiting shipment. Full and final payment will not be required to final shipping of materials.
- 2) Prices quoted do not include applicable sales taxes and freight charges, unless specifically stated.
- 3) This proposal is subject to change without notice, and all quotations expire and become invalid if not accepted within 10 days from the date of issue and shall automatically be withdrawn thereafter.
- 4) All prices are FOB factory or warehouse, depending on origination of shipment.
- 5) All prices quoted are based upon the direct use or installation by Customer. Resale by Customer, unless specifically approved in the quote are strictly prohibited and shall void this quotation.
- 6) Prices quoted are for specific quantities only. Changes in quantities delivered may result in higher prices charged. Requests for additional materials above the specified quantities may be priced at higher rates. When quoted prices are based on truckload rates, quantities requested are estimates only and cannot be guaranteed.
- 7) All sales are final. No materials are returnable.
- 8) Delivery dates are estimates only. Merz Material and Supply, Inc. is not responsible for any delay in shipments, incorrect materials shipped, materials damaged during shipment, inaccessibility of the project site for delivery of materials, or any other cause of delay beyond its control. No damages of any kind, whether compensatory, special, incidental, consequential or other, shall be paid as the result of delay in delivery of the ordered materials.
- 9) For projects in which Customer does not promptly take complete delivery of all the goods identified in this proposal, prices identified in this proposal shall remain firm for a period of 30 days after acceptance of this proposal, unless specifically stated in the quotation. In the event the time period expires before customer takes complete delivery, Merz Material and Supply, Inc. shall be entitled to raise its prices for all or part of the remaining undelivered goods. Payment to Customer by third party is not a condition precedent for Customer's payment to Merz Material and Supply, Inc.
- 10) Customer assumes responsibility for carrier's reasonable access to the project site for delivery of materials. Customer agrees to pay for additional costs for redirection of delivery and/or temporary storage costs should project site be inaccessible to carrier, regardless of cause.
- 11) NO WARRANTIES, EXPRESSED OR IMPLIED ARE PROVIDED BY MERZ MATERIAL AND SUPPLY, INC. All warranties, if any, are provided by the manufacturer of the materials, in no event shall Merz Material and Supply, Inc. be liable for any compensatory, special, incidental or consequential damages for, resulting from, or in connection with; the breach of any warranty, defects in materials, or customer's use of the materials.
- 12) The conditions contained herein are an integral part of this proposal, shall be superior to, and included, without modification, into any other form of order or agreement issued to, or entered into with, Seller for supplying of the proposed products.
- 13) Any dispute(s) arising out of this proposal, order and/or agreement, shall be settled in arbitration. Each party shall select one arbitrator. The two selected arbitrators shall select the rules and the third arbitrator.
- 14) In the event of allegations, claims or litigation between the parties, the prevailing party shall be entitled to all costs and attorney's fees. The prevailing party shall be defined as that person or entity that receives one dollar more than the other party. Customer agrees that jurisdiction for any lawsuit shall be in the County of Marin, California.

F. ADDITIONAL TEMPORARY TRAFFIC CONTROL DEVICES (Part of Item No. 3)

We can provide a wide variety of additional traffic control devices at modest rental rates. All devices are night-rated with high-intensity retroreflectivity and are NCHRP-350 certified.

GENERAL NOTES, TERMS & CONDITIONS - Please read carefully

- **Acknowledgement & Agreement:** By appointing or listing Force Traffic Control as a subcontractor on this project, the Prime Contractor acknowledges and agrees to all applicable terms and conditions as stated above and in the descriptions below.
- **Durability of Rates Quoted Above:** Based upon the Advertisement Date of this project, all labor rates quoted above shall remain in effect through June 30, 2016. Should the State of California increase the applicable rates for work on this project thereafter, our rates above will increase by no more than 5% more than the State's net increase.
- **Radios:** Our flaggers and pilot car(s) will be equipped with VHF or UHF 2-way radios. Additionally, pilot cars are equipped with CB radios for coordination with your truckers and other CB-equipped equipment.
- **Rental equipment** (excludes non-powered devices): For this project, the Portable Changeable Message Signs are covered herein under. The Prime Contractor shall be responsible for any damage or loss to/of the equipment due to traffic conflicts, vandalism, theft, acts of nature or mishandling by Prime Contractor's staff. The Prime Contractor will NOT be responsible for maintenance of the operational capabilities, except for operational difficulties and repairs brought about by such traffic conflicts, vandalism, acts of nature or mishandling by Prime Contractor's staff.
- **Night Work:** (a) No increase is applicable to any labor rates quoted above; (b) All added costs associated with illuminating the flaggers stations shall be borne by the Prime Contractor; (c) we will provide the two required 12" flashing beacons at \$6 each per shift.
- **Labor Agreements:** Signatory to the AGC-No. California Laborers' Traffic Control & Lane Closure Agreement.
- **Insurance:** Force Traffic Control, Inc. maintains insurance coverages as required by USDOT-FHWA, CalTrans and Nevada DOT (Commercial General Liability, Workers Comp and Commercial Auto). Any additional coverages required by the Prime Contractor can be acquired by us at the Prime Contractor's sole par-value expense (e.g., Workers' Comp Waiver of Subrogation, Excess Liability umbrella).
- **Mobilization:** For this project our initial advance notice requirements are 21 calendar days for USA-locate and installation of Construction Area Signs, and 10 calendar days for mobilization of CMS boards, flaggers, pilot car, etc.
- **Inclusion of these entire quotations in Subcontract or Work Order** is required either within the body of the Subcontracts/Work Orders or appended to and referenced within the Subcontracts/Work Orders. Such inclusion and /or referencing in no way obligates the Prime Contractor to use any of the optional quotations above.

Should you have any questions regarding these quotations, please call Vern at 559.786.9866.

Portland cement concrete grinding is excluded from this quotation unless specifically quoted.

Removal of Asphalt Concrete over gutter damages can't be guaranteed by ABSL.

ABSL Construction will cold plane as close as possible to existing manholes, water valves, and other obstructions in cutting plane. Handwork and placing temporary asphalt tapers around these objects or at pavement edge for safety requirements are excluded.

Contractor to post streets with "No Parking" signs prior to subcontractor's phase of work, provide water or water meter and provide traffic control during cold planing operation.

All areas to be ground shall be clearly marked by the general or the job inspector.

A minimum of two weeks notice is requested prior to move in.

Anything not specifically included in this price should be considered excluded.

ABSL Construction does not accept backcharges due to machine breakdown during operation above the machine's daily rental fee.

Back charges will only be based on the time the machine is broken and will reflect the cost of the equipment for that time. All others costs due to the equipment breakdown will not be charged to ABSL Construction.

All teeth over one complete set will be charge to the contractor.

ABSL does not accept force account rates or retention.

This quotation will be part of our contract or purchase order agreement and is valid till a new change of the rates.

If you have any questions regarding the above quote please call me at (510) 727-0900 or fax at (510) 727-0912.

Sincerely,

Daryl Vorne

GRINDING JOB AGREEMENT

The prices set forth above are based on the following assumptions and are subject to change under conditions set forth below.

- 1) A minimum daily rate is any part of an 8 hour day and overtime will be charged for work done other than a regular weekday shift.
- 2) Modification to the work may require a change in the quote.
- 3) Unless otherwise indicated the unit prices are based on ABSL performing all the work included on the proposal. If ABSL does not receive a contract for all the work, the unit prices are subject to adjustment.
- 4) The unit prices are based on the estimated quantities in the bid proposal. If the quantity of the item changes by 25% or more the unit price is subject to equitable adjustment.
- 5) All teeth over one complete set will be charge to the contractor.
- 6) Prices are good for 30 days from the date of this proposal, after that date the prices are subject to adjustment.
- 7) In the event there is an increase in the cost of fuel of more than \$0.50 per gallon during the performance of this contract, ABSL will be entitled to a \$75.00 per day fuel surcharge. The base cost of fuel shall be established on the bid date of the contract by reference to the Weekly Retail On-Highway Diesel Prices for California, as published by the U.S. Department of Energy on its web site at www.tonto.eia.doe.gov/oog/info/wohdp/diesel.asp.
- 8) If ABSL cannot proceed with its work as scheduled due to others, standby time will be charged at the following rate: \$425.00 per hour.
- 9) Downtime for equipment becoming stuck in wet or muddy sub-grade conditions will be charged at a stand-by time rate until removed. Additional equipment required for removal will be charged at a time and materials basis.
- 10) This proposal to be attached and made part of any and all resulting contracts.
- 11) The above price does not include permits, fees, bonding, state or local taxes.
- 12) This is a proposal only for the purpose of establishing a price for work as outlined. In the event ABSL is the low bidder a formal contract or PO suitable to both parties shall be prepared and fully executed.
- 13) Repairs of damage to ABSL equipment due to unmarked or buried obstructions; i.e. valve boxes, manholes covers, concrete, steel fence posts, steel pipe or excessive depth asphalt will be billed at time and material for repairs.
- 14) Backcharges to ABSL must be communicated by contractor in a written notice within 72 hours from the time of occurrence for backcharges.
- 15) Unless otherwise agreed to in writing prior to start of work, payment is due and payable within 30 days of billing, and no retention to be withheld on payments.
- 16) All utilities within mill grade are to be located and marked by customer. It is the sole responsibility of the lessee or renter (customer) to follow the requirements of the regional notification center law pursuant to Article 2 (Commencing with Section 4216) of Chapter 3.1 of Division 5 of Title 1 of the California Government Code. Customer assumes sole responsibility for, and all subsequent liabilities coincident with following the requirements of the regional notification center law. Furthermore, customer agrees to be responsible for all damage to both utilities themselves and to our company's equipment by reason of ABSL equipment encountering unmarked utilities.
- 17) Items not specifically included are considered to be excluded. If you have any questions please call.

Thank You,

**PROPOSAL LETTER**

October 28, 2015

Attention General Contractors:

Regarding: Construction on State Highway in Mendocino County Near Gualala at 0.2 Mile
North of Big Gulch Road
Contract No. 01-497714

Gentlemen:

Certified Coatings Company is pleased to provide our proposal for the field Clean and Paint Steel Soldier Piling surfaces on the above referenced project. We hold current SSPC QP1 certifications as required by Caltrans.

For shop abrasive blasting and priming, we recommend that you contact R&B Protective Coatings in Linden, CA (Tel 209-887-2030), who is SSPC QP3 certified. Shop preparation and prime coat application to pilings are not included in this proposal.

We are a non-union contractor and will provide non-union painters at prevailing wages. If this is a problem, please let us know immediately. We will provide a paint quality work plan to cover our work.

We will be bidding on the following items:

Bid Item #	Description	Unit of Measure	Est. Qty.	Unit Price	Extension
53	Clean and Paint Steel Soldier Piling, (partial)	LS	LS	LS	\$25,200.00
Total Lump Sum Bid					\$25,200.00

Bonding can be provided upon request at 1.5% of our subcontract price.

Scope and Specification:

Item 53- Our bid includes pressure rinsing the shop applied zinc and applying two finish coats of exterior grade latex finish coat to the exposed soldier pile surfaces as shown for Retaining Wall on drawing sheet numbers 5 and 37, after pile installation and placement of timber lagging. General Contractor will provide surfaces to be painted that are free of concrete splatter and residue.

Our bid assumes that we will be able to access the soldier piles by use of ladders. If that is not possible, then General Contractor is responsible to provide us alternate access to the surfaces to be painted.

Attention: Estimating Department

Construction on State Highway in Mendocino County near
Gualala at 2.0 mile North of Big Gulch Road
Contract No. 01-497714
Page 2

Clarifications and Exclusions:

- Pressure rinse surfaces scheduled for finish coating. Water used for pressure rinsing will be performed using potable water. No containment is anticipated and water will be allowed to soak into the ground at the base of the soldier pile wall.
- Potable water is to be provided by others within 5 miles of the job site.
- Repair of deficient shop-applied coatings is the responsibility of others and excluded from this proposal.
- Costs associated with repair of damaged coatings caused by others are the responsibility of the General Contractor.
- Removal of any material that would affect the adhesion of the top coats or as directed by the General Contractor / Caltrans that cannot be removed by the specified cleaning, including concrete splatter/residue is the responsibility of others, and excluded from this proposal.
- Our bid is based on doing the work in one mobilization. Costs associated with delays or additional mobilizations are the responsibility of the General Contractor.
- Traffic control to allow us to access our work is to be provided by the General Contractor at no cost to Certified Coatings Company.
- General Contractor to provide sanitary facilities as required by CalOSHA.
- Secure lay-down area and parking area for Certified Coatings' vehicles, material and equipment storage to be provided by General Contractor at no cost to Certified Coatings Company.
- Painting during inclement weather is not anticipated and costs associated with heat or enclosures to control the environment is excluded.
- General Contractor agrees not to negotiate change orders affecting our work with Owner without first getting our input as to affect on our work.
- This proposal becomes an attachment to any subcontract resulting from this proposal.

This bid is valid for 45 days.

If there are any other bid items you feel should include field painting, or if you require further clarification or modifications to this bid proposal, please call us at (707) 639-4414.

(when measured in accordance with SSPC-PA2, Level 5)

QUANTITY: 20 - W12x136# Steel Soldier Pile @ 25'

PRICE: BID ITEM 53 (Partial) - Clean and Undercoat Steel Soldier Pile, 100%	\$8,440.00
FREIGHT - Provide Freight to Jobsite from R&B's Facility (2 loads)	\$2,300.00

Note: The pricing above includes all applicable material sales tax and R&B's services are not taxable. Therefore, there is no need to add any additional taxes to this project proposal

With payment to be made as follows: Net Thirty (30) Days

****R&B reserves the right to modify the payment terms for any reasons associated with the project****

COMMENTS: This proposal does not include any field work, including touch-up of shop applied coating. The freight price includes one hour for unloading at the jobsite. Should additional standby time be required, it will be billed accordingly at \$95.00 per hour. The jobsite is to be accessible with a standard CA legal tractor semi-trailer. Contractor is to provide sufficient turn around space or offer an alternative drop zone. R&B is not responsible for any inaccessible areas. Any testing beyond R&B's Standard Caltrans Coating Quality Control will be done at R&B's Facility on a change order basis. All rack marks are to be touched up in accordance with R&B's standard packaging. The price does not include conditioning of thermal cut edges (TCEs) or knife edges produced by others. Any work performed beyond that directly stated above will be done so on a change order basis. The price does not include any surface preparation of R&B's shop applied primer prior to additional coats applied in the field. The surface preparation of the shop applied primer required for field applied coats is the responsibility of the field painter. Primer only systems should be protected or top coated within Manufacturer's Recommendations. R&B welcomes and encourages owner's acceptance and / or 3rd party inspection provided by others at our facility. Any coating defects identified by the contractor after leaving R&B's facility that are deemed to be the responsibility of R&B will be shipped back to R&B's Facility by the contractor at the contractor's expense for the necessary repairs. R&B will only warranty the application of the coating to be applied in accordance with the manufacturer's recommendations and the project specifications and does not apply any warranty to the coating material or it's intended use. Any warranties applied to this proposal are for a duration of One (1) Year from the date of R&B's Final QC. Any warranties beyond One (1) Year will need to be discussed, priced and issued prior to work performed. Price does not include a dunnage surcharge for any dunnage provided by R&B for shipping painted steel. R&B will make all efforts to meet our customer's delivery requirements. However, R&B is not a party to onsite requirements and assumes no responsibility for jobsite delays, back-charges, adverse weather conditions and all inconveniences for final erection and installation. Schedules will be binding only if R&B receives a written delivery schedule in a timely fashion prior to coating, and concurs to meet the submitted schedule in writing. Contractor will pay interest at the rate of 1.5% monthly on all overdue balances. R&B is a supplier, not a subcontractor, and should be treated as such on this project. All work is to be performed on a Purchase Order only. This proposal may be withdrawn by R&B if not accepted within 30 days. Contractor will pay all attorney fees & costs needed to collect overdue balances.

ACCEPTANCE OF PROPOSAL

The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Payment will be as outlined above.

Accepted by: _____ Date: _____

Signature: _____

*** R&B will package all painted steel in order to minimize shipping damage, and whether or not R&B is providing freight to the jobsite, R&B will not be held responsible for any shipping or handling damage, such as dunnage or strapping marks, erection damage or damage caused by shipping uncured paint due to constricted schedules, and will follow the guidelines set forth in SSPC PA-1, Section 8.3.

Shop Applied Coatings will require Touch-Up after Installation, provided by others.

I have read and fully understand the above regarding possible damage to coated steel.
