RE: Protest of bid contract number 02-0E3804 submitted by Randy Hill Construction, Inc. ( Hill )  
Bid Date: 08/24/2015

Mr. John C. McMillan

This letter is to protest the bid submitted by Hill. Hill listed SJR Masonry on his DBE Confirmation and Commitment forms for item 75 but, failed to list SJR for item 75 on the subcontractor list. Hill would have to self perform item 75. Therefore the DBE Confirmation and Commitment forms are incorrect rendering Hills bid non-responsive. Furthermore Hill listed SJR as 16.42% of line 80 on their subcontractor list when the actual is 14.2% according to the numbers given on the DBE forms.

Respectfully,  
Doug Wall

President
