Dear Mr. Ramstrom:

The Department of Transportation (Caltrans) received the attached letter dated March 1, 2013 from Steelhead Constructors, Inc. (Steelhead) protesting that Shasta Services, Inc. dba Timberworks (Timberworks) failed to submit the Subcontractor List form within the 24 hour period with column 3 completed.

Caltrans did not complete an evaluation of this protest since the bid submitted by Timberworks was found nonresponsive.

Based on the above, Caltrans finds Steelhead's protest has no bearing on the awarding of this contract. Caltrans will proceed to award the contract to the lowest responsible bidder provided that all requirements are met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Manager, at (916) 227-6228.

Sincerely,

Re: Bid Protest of Shasta Services Inc. dba Timberworks
Contract: 02-2C2254

Bid Opening: 02/13/2013

Dear Mr. McMillan:

Timberworks submitted a bid for contract 02-2C2254 on February 13, 2013. Time stamps on Timberworks Subcontractor List Submittal indicate that its bid is nonresponsive because it failed to submit the Subcontractor List *within the 24 hour period* with column 3 completed.

The Subcontractor List form states in part, "Complete columns 1 and 4 and submit with the bid. Complete columns 2 and 3 and submit with the bid or fax to (916) 227-6282 *within 24 hours after the bid opening*. Failure to provide complete information in columns 1 through 4 within the time specified will result in a nonresponsive bid.

Sincerely,

Kevin Ramstrom
President
Steelhead Constructors, Inc.
