Hi Jeanie, I'm sorry I haven't gotten back to you right away. I have been not available the last couple days. Anyway I will give you a call around 9:30 in the morning in regards to the two jobs you are bidding. I would like to ask a few questions in regards to your needs on these jobs. Thanks in advance and I look forward to talking to you.

Christi,
There is a CPM schedule and Caltrans training for this project. For contracts under the 2010 standard specs they don't put a bid item for it anymore. But if you look in the 2010 standard spec book, projects over $1mil require the CPM and training.
We would appreciate a quote from you.
Thanks

Hi Jennie,

I am a DBE but only do CPM Scheduling and Caltrans training. I did not see a need listed for this contract. Do you still need a quote? I am a DBE.

Contact: Estimating Department
Company: Steve Manning Construction, Inc.
Fax: (530) 222-4908

Cal-Con Pumping, Inc. is a woman owned company with over 40 years experience in the concrete construction industry. Cal-Con is able to fill your furnish, pump and place concrete needs for both public works and private industry projects. Current and past work performance includes bridges, water treatment plants, hospitals, transportation and other commercial and residential work. References can be provided upon request, based on cost plus fixed fee. Additionally Cal-Con can provide labor at cost plus fixed fee.

Cal-Con Pumping, Inc. is a CUF compliant company.

To furnish concrete for a project, Cal-Con does not provide a standard rate as cubic yard rates vary based on mix designs. Cal-Con Pumping can obtain mix designs and pricing prior to bid upon request.

Listed below is our pricing schedule for this project:

Equipment	Rates Per Hour	Yardage Rates
Truck Mounted Line Pump	$126.00 per hour with a (5) hour minimum	$3.70 per cubic yard
36 Meter Boom Pump (115')	$163.00 per hour with a (5) hour minimum	$2.65 per cubic yard
39 Meter Boom Pump (126')	$189.00 per hour with a (5) hour minimum	$2.75 per cubic yard
47 Meter Boom Pump (151')	$221.00 per hour with a (5) hour minimum	$2.90 per cubic yard

Terms and Conditions:

- Time starts when we leave our yard until we are washed out and return to our yard.
- Overtime after 8 hours or past 2:00PM and prior to 4:00AM @ $42.00 per hour. After 12 hours double time will apply @ $84.00 per hour. Saturday pours overtime @ $42.00 per hour for the first 8 hours and double time @ $84.00 per hour after that. Sundays and Holidays double time @ $84.00 per hour will apply
- System will be charged @ $1.00 per foot after the first 100 feet.
- Slurry and permit fees of $63.00 will be charged on every pour.
- A 1% Fuel Surcharge will apply if fuel reaches $3.25/gal, and an additional 1% increase will apply for every $.25 increase thereafter.
- All pump cancellations must be called in by 5:00pm on the day prior to pour or pump minimum rates will apply.
- Cal-Con Pumping, Inc is not responsible for any costs incurred due to delays or stoppages resulting from the first hour of any mechanical breakdown or failure of equipment.
- Cal-Con Pumping, Inc can provide other size pumps at fair market value +10% management fee.
- Safety training will be the responsibility of the contractor and should be performed day of first pour.
- Contractor will provide a safe location for the pump, a minimum of 20 feet away from all electrical lines and on solid ground able to support the weight of the pump full of concrete.
- All afternoon pours are subject to delays from morning pours.

Cal-Con Pumping, Inc. does not accept back charges or responsibility for any costs due to the inability to pump based on the concrete or objects in the concrete. Cal-Con Pumping, Inc. assumes no responsibility for delays caused by improper scheduling of mix trucks, changes in gradation of aggregate or incorrect batching of concrete. Concrete pumps may be subject to occasional mechanical failures and if assured performance is required, standby pumps may be made available at above rates. Net invoice amount is due 30 days after date of service. Past due accounts are subject to a 1.5% monthly finance charge.

This quote is valid through June 30, 2013. Add 5% to all the above on July 1, 2013 and every July 1st until the completion of this project.

Subject: Price Quote for Preparing Stormwater Pollution Prevention Plan (SWPPP)

Dear Estimator:

S Kwok Engineers, Inc. (Consultant) is a **DBE firm** and pleased to provide quotes to your firm (Contractor) for preparing the SWPPP. Here is the quote for the following bid item:

Item No. 3 Prepare SWPPP for Risk Level 2.	**Estimated fee**
Preparing SWPPP by a Qualified SWPPP Developer (QSD) and licensed Civil Engineer of California	$3,000

The SWPPP will conform to the Caltrans Standard. The draft SWPPP will be submitted electronically to you for review and approval.

If you need a hardcopies of the SWPPP, the printing cost is $300 per set plus shipping. The hardcopy of the SWPPP will be bound in a ring binder and delivered to you via UPS ground.

Our rates for a QSD with Civil Engineer license is $120 per hour and for preparing amendment is $120 per hour for a minimum of 2 hours per amendment.

The SWPPP quote does not include the effort of preparing the Dewatering and Discharge Plan (DDP). It also does not include preparing water pollution control items for aggregate crushing plant or, concrete or asphalt concrete batching plant.

Payment shall be paid in full once the SWPPP is approved or conditionally approved by the agency's Engineer for the beginning construction.

We are a **Minority Business Enterprise (MBE)**, a California Unified Certification Program (CUCP) certified **DBE (Cert. No. 37060 – AP-M)** and **Small Business Enterprise (Ref # 55132)** firm.

The quotes above include the stipulations described under the General Terms and Conditions listed below:

GENERAL TERMS AND CONDITIONS

QSP/QSD/WPCM. S Kwok Engineers, Inc. ("Consultant") is certified as a Qualified SWPPP Practitioner ("QSP") and Qualified SWPPP Developer ("QSD") under the State Water Resources Board's Construction General Storm Water Permit ("CGP"). Consultant's responsibilities shall conform and are limited to the requirements of the CGP, as applicable, to Consultant's retention as a QSP or QSD. For California Department of Transportation ("CalTrans") projects, if retained as a Water Pollution Control Manager ("WPCM"), Consultant's responsibilities shall conform and are limited to the requirements provided under CalTrans' specifications applicable to WPCMs for the project.

The minimum time required for Consultant to prepare a Storm Water Pollution Prevention Plan ("SWPPP"), or for Caltrans projects, a Water Pollution Control Plan ("WPCP"), is ten (10) business days. In order for Consultant to prepare a SWPPP or WPCP, Contractor must provide information requested by Consultant concerning the project, including, but not limited to, the project schedule, contract and/or purchase order. Payment to Consultant for preparation of the SWPPP or WPCP shall be in full once the agency's Engineer approves or conditionally approves the beginning of construction activities.

Consultant only provides advisory services, does not perform physical construction work or deliver construction materials to the field, and is not responsible for water pollution on or unauthorized discharge of pollutants from the project, including, without limitation, any resulting costs, penalties or fees. Consultant is not responsible for implementation of Best Management Practices (BMPs) and preparation of Dewatering and Discharge Plan (DDP). Consultant will monitor Active Treatment Systems ("ATSs"), but is not responsible for the design, installation, operation ATSs.

Insurance. Consultant maintains, and shall maintain during the performance of its work on the project, the following insurance and coverage:

- General liability - $1 million per occurrence/$2 million aggregate;
- Professional liability - $1 million per occurrence/$2 million aggregate;
- Automobile liability - $1 million combined single limit;
- Worker's compensation liability - $1 million per accident for bodily injury or disease.

Insurance or insurance coverage required in addition to or in excess of the insurance and coverage provided under this provision shall be paid for by Contractor in advance of being acquired by Consultant.

Billing. Except as otherwise provided herein, Consultant shall submit invoices monthly for work performed on the project. Payment term is net thirty (30) days from receipt of invoice for progress payment and net forty-five (45) days from receipt of invoice for retention payment. Payments not received in accordance with this provision shall accrue interest at the rate of one and one-half percent (1-1/2%) per month from due date until paid.

Instruments of Service. All plans, reports, data, photographs and other documents or electronic media prepared in whole or in part by or on behalf of Consultant ("Instruments of Service") shall not be used or permitted to be used by Contractor on any project other than the project for which Consultant prepared such Instruments of Service.

Change Orders and Extra Work. Consultant shall not be required to perform work different than or in addition to the scope of work agreed in Consultant's contract with Contractor without a written change order signed by Contractor and Consultant or extra work authorization signed by Contractor which includes an adjustment to the contract price and time for performance as agreed to by Contractor and Consultant.

Suspension of Work and Termination or Cancellation of Contract. Consultant may suspend work or terminate or cancel Consultant's contract with Contractor upon forty-eight (48) hours written notice to Contractor. Consultant may cancel its contract with Contractor for breach of any provision contained herein. Consultant may terminate its contract with Contractor for the following causes: (1) a force majeure event; (2) the filing of a voluntary petition in bankruptcy by Contractor; (3) the failure by Contractor to pay Consultant's invoices as provided herein; (4) the failure by Contractor to execute change orders or extra work authorizations as provided herein.

Site Conditions. Contractor represents and warrants that the site conditions of the project are as represented in Consultant's contract with Contractor, drawings and specifications (collectively "Contract Documents") and acknowledges that Consultant has only relied on the site conditions as represented in the Contract Documents. Contractor shall be responsible for extra work necessitated by unforeseen site conditions not represented in the Contract Documents.

Force Majeure. Consultant shall not be liable for any damage or delays caused by any act or event beyond the reasonable control of Consultant, including, but not limited to, natural catastrophe, war or public disorder, strikes or labor disputes, and actions by a governmental authority.

Alternative Dispute Resolution. As a condition precedent to any legal action concerning any dispute between the parties which arises out of or relates to these General Terms and Conditions ("General Terms") or the Contract Documents, the parties shall mediate such dispute before the American Arbitration Association ("AAA") pursuant to the AAA's Construction Industry Arbitration and Mediation Procedures. Provided, however, that nothing contained in this provision shall prevent the parties from filing an action to preserve its rights to foreclose on a design professional or mechanic's lien, to enforce a stop notice claim, or to enforce a payment bond claim. The locale of the mediation shall take place at the AAA office nearest to the site of the project. Expenses of mediation shall be borne equally by the parties to the mediation.

Indemnity. Contractor shall indemnify, hold harmless, and defend (with counsel acceptable to Consultant) Consultant from any and all claims, damages, liabilities or other obligations of any nature arising out of or which relates to Consultant's work on the project, except that caused by the sole and active negligence of Consultant.

Incidental, Special, and Consequential Damages. Consultant shall not be liable for any incidental, special or consequential damages, including, but not limited to, loss of revenues or profits, liquidated damages, delay damages, or liabilities or other obligations to third parties.

Cooperation. Contractor shall cooperate with Consultant in obtaining documents and other information requested by Consultant, including, but not limited to, requests for information, change orders and other approvals, and the status of Consultant's applications for payment and payments to Contractor for work performed by Consultant. Contractor shall cooperate with Consultant's recommendations so as not to impair Consultant's ability to perform under the CGP and CalTrans' specifications, as applicable, by, among other things, mobilizing crews within 72 hours to implement or maintain BMPs or corrective actions, ensuring Consultant access to the construction site at all times including after hours, weekends and holidays, and properly managing construction materials, stockpiles and waste.

Application. These General Terms shall alter and supersede any conflicting terms or conditions contained in the Contract Documents concerning the work performed or to be performed by Consultant on the project including any provision purporting to alter or supersede these General Terms.

Construction. These General Terms shall not be construed against any of the parties and the rule of constructing contract ambiguities against the party drafting the contract shall be inapplicable.

Attorneys' Fees. In the event any legal action is filed which arises out of relates to these General Terms or the Contract Documents, the prevailing party shall be entitled to recovery its reasonable attorney's fees and other costs, including expert costs, in addition to any other relief to which it may be entitled.

Governing Law. These Conditions and the Contract Documents shall be construed under, and governed by, the laws of the State of California.

Severability. If any provision contained herein is held to be invalid or unenforceable, such invalid or unenforceable provision(s) shall not effect the validity or enforceability of any other provision contained herein.

Survivability. The provisions contained in herein shall survive the completion, cancellation or other termination of Consultant's contract with Contractor.

If the proposal is acceptable to you, please send us your sub-contract or purchase order two (2) weeks before we start working on the project. This will allow us to resolve any contract issues if they arise.

Please feel free to call me if you have any questions. These quotes are valid until September 30, 2013.

Respectfully submitted,

CAPABILITIES

Landscape Construction Services - We provide a full range of planting, irrigation and turf installation services. The Jungle has a C-27 certified Landscape Contractor. We are fully capable of proceeding on a design-build basis for any size project. The Jungle also specializes in the installation of water conserving irrigation techniques including drip systems, native and drought tolerant planting, turf, hydro-seeding and tree installation of any size or species. With its Class "A" General Engineering license, The Jungle is able to handle a full project scope from grading and drainage to trenching and concrete walkways. The Jungle has successfully undertaken landscaping projects for numerous governmental and quasi-governmental institutions such as LAUSD, the City of Los Angeles, the County of Los Angeles, the Los Angeles Community College District (LACCD), the City of Palos Verdes Estates, U.S.D.A. and the Figueroa Corridor Partners.

Tree Trimming & Tree Removal - The Jungle maintains a D-49 classification (Tree Service Specialty). Services include tree trimming and tree care (all species); Tree removal and relocation; and arbor preservation. The Jungle has had extensive experience removing wind or storm damaged specimens as it did for the City of Los Angeles Dept. of Recreation and Parks following the historic wind storms of 2011. A certified arborist is available at all times.

Site Preparation, Drainage, Sidewalk, Curb & Gutter – With a California Class "A" General Engineering license, The Jungle's range of general engineering services include building demolition and certified disposal; land clearing; rough and finished grading; trenching; sidewalk, curb, gutter and drainage installation. The Jungle also can design and install landscape drains, French drains, slope drains, storm water collection and cistern systems, bio-swales and retaining walls. The Jungle's clients for these services include, Restore Neighborhoods Los Angeles, the City of Los Angeles, U.S.D.A. and LAUSD.

1900 Sawtelle Boulevard Los Angeles CA 90025
Phone: (310) 235-2875 Fax: (310) 388-5783

Storm Water & Erosion Control Services - These services include initial SWPPP's (Storm Water Pollution Prevention Plan) compliant with federal and state law; installation of BMP's (Best Management Practices) including but not limited to sandbags, fiber rolls, silt fences, temporary slope drains, hydro-seeding, dust control and other temporary drainage measures. We also provide monitoring of SWPPP compliance along with preparation and submission of final reporting. As a general engineering firm, The Jungle brings a full range of expertise to each unique storm water or erosion challenge.

Brush Clearance/Fire Control – The Jungle is certified as a qualified fire brush clearance vendor by the Los Angeles County and Orange County Fire Departments. The Jungle's expert crews are fully familiar with applicable state and local fire codes as well as establishing "Defensible Space" for effective fire protection of property, life and the environment. The Jungle is currently under a multi-year contract with the City of Palos Verdes Estates and has performed these services extensively for other agencies such as the LAUSD.

Landscape/Site Maintenance –The Jungle provides a full range of maintenance services in concert with and as a compliment to it other capabilities. The Jungle's maintenance services include mowing and turf preservation; hedge trimming, weeding plant maintenance and irrigation; plant replacement and seasonal ornamental planting; tree trimming and tree replacement; irrigation system monitoring and maintenance; general groundskeeping; and parking lot sweeping. These services can be provided on nearly any scale. Maintenance packages are available in conjunction with other services such as landscaping, planting and irrigation.

Nursery - A full operating nursery with indoor and outdoor plant material including California Natives, drought tolerant specimens, succulents, turf and a wide selection of plants suitable to institutional buildings. The Jungle works extensively with local landscape professionals; provides delivery, installation and has available contract maintenance services for all material supplied and installed. Warranties on all plant materials are available.

Additional Classifications & Certifications - The Jungle certified as a SBA 8a business. It also is certified as SB (Small Business) by the State of California; DBE (Disadvantaged Business Enterprise) by LACMTA; a MBE (Minority-Owned Business Enterprise) by the City of Los Angeles; and a CBE (Community Business Enterprise) by the County of Los Angeles. Currently, The Jungle maintains full liability and workers compensation coverage for all projects, and currently, can secure project bonding up to $500,000.00.

The Jungle pays prevailing wages and as required will prepare certified payroll on all municipal or government-related projects.

Los Angeles, CA 90025

Dear Mr. Cohn:

Thank you for submitting your Vendor Application seeking Small Business Enterprise (SBE) recognition with *The Network*. Per our evaluation of the information you provided in your application and the North American Industry Classification System (NAICS) codes you identified, your status as a Small Business Enterprise (SBE) has been approved. This certification is recognized by the following agencies:

The Port of Long Beach* ***San Diego County Water Authority****

** There are currently six agencies participating in The Network; however, at the present time, only the Port of Long Beach and San Diego County Water Authority are administering a Small Business Enterprise (SBE) Program.*

The Port of Long Beach is pleased to issue this SBE Certificate subject to the terms and conditions identified below:

NAICS code(s) for which SBE status is recognized: 541320 561730 237110 238220 238910 237990

SBE Certificate Effective Date: 6/9/2011

SBE Certificate Expiration Date: 6/9/2014

Work performed by your firm that falls within the above-mentioned NAICS code(s) will be counted as SBE participation for work performed on contracts procured by the above agencies.

The agencies reserve the right to withdraw this certification if at any time it is determined that certification was knowingly obtained by false, misleading, or incorrect information. The agencies reserve the right to audit all statements. If any firm attempts to falsify or misrepresent information to obtain certification, the firm may be disqualified from participating in any contracts for a period of up to five years.

SBE Certification is valid for a period of three (3) years. To maintain SBE status, firms must update their existing SBE Vendor Application on or before the expiration date mentioned above. All information is subject to verification.

If there are any changes in your status that may impact your certification, you are required to update your account information online. You may view your SBE qualifying information at any time, by logging into your main menu and selecting the "Small Business Certification Form" link.

Sincerely,

Sashi Muralidharan

Purchase Order No._____

THIS QUOTATION IS SUBJECT TO THE FOLLOWING TERMS AND CONDITIONS:

1) All sales are C.O.D. unless a credit account has been pre-approved, is current and unrestricted. Payments of credit account sales are due net 10th prox. Interest on past due accounts will accrue finance charges at the rate of 18% per annum on all amounts not paid when due. This proposal specifically allows the Seller to invoice for and receive payment for the value of materials, supplies, services, and work performed each month, including materials manufactured on hand and awaiting shipment. Full and final payment will be required prior to final shipment of materials.
2) Prices quoted do not include applicable taxes or freight charges, unless specifically stated.
3) This proposal is subject to change without notice, and all quotations expire and become invalid if not accepted within 10 days from the date of issue and shall be automatically withdrawn thereafter.
4) All prices are F.O.B. factory or warehouse, depending on origination of shipment.
5) All prices quoted are based upon the direct use or installation by Customer. Resale by Customer, unless specifically approved in the quote are strictly prohibited and shall void this quotation.
6) Prices quoted are specified quantities only. Changes in quantities delivered may result in higher prices charged. Requests for additional materials above the specified quantities may be priced at higher rates. When quoted prices are based upon truckload rates, quantities requested are estimated only and cannot be guaranteed.
7) All sales are final. No materials are returnable.
8) Delivery dates are estimates only. Sam's Equipment & Supplies is not responsible for any delay in shipments, incorrect materials shipped, incorrect quantities shipped, materials damaged during shipment, inaccessibility of the project site for delivery of materials, or any other cause of delay beyond its control. No damages of any kind, whether compensatory, special, incidental, consequential, or other, shall be paid as a result of delay in delivery of the ordered materials.
9) For projects in which Customer does not promptly take complete delivery of all the goods identified in this proposal, prices identified in this proposal shall remain firm for a period of 30 days after acceptance of this proposal, unless specifically stated in the quotation. In the event the time period expires before Customer takes complete delivery, Sam's Equipment & Supplies shall be entitled to raise its prices for all or part of the remaining undelivered goods.
Payment to Customer by third party is not a condition precedent for Customer's payment to Sam's Equipment & Supplies.
10) Customer assumes responsibility for carrier's reasonable access to the project site for delivery of materials. Customer agrees to pay for all additional costs for redirection of delivery and/or temporary storage costs should the project site be inaccessible to carrier, regardless of cause.

11) NO WARRANTIES, EXPRESSED OR EMPLIED ARE PROVIDED BY SAM'S EQUIPMENT & SUPPLIES. ALL WARRANTIES, IF ANY, ARE PROVIDED BY THE MANUFACTURER OF THE MATERIALS, IN NO EVENT SHALL SAM'S EQUIPMENT & SUPPLIES BE LIABLE FOR ANY COMPENSATORY, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR RESULTING FROM, OR IN CONNECTION WITH, THE BREACH OF ANY WARRANTY, DEFECTS IN THE MATERIALS, OR CUSTOMER'S USE OF THE MATERIALS.

12) The conditions contained herein are an integral part of this proposal, shall be superior to, and included, without modification, into any other form of order or agreement issued to, or entered into with, Seller for supplying of the proposed products.
13) Any dispute(s) arising out of this proposal, order and/or agreement, shall be settled by arbitration. Each party shall select one arbitrator. The two selected arbitrators shall select the rules and the third arbitrator.
14) In the event of allegations, claims or litigation between the parties, the prevailing party shall be entitled to all costs and attorney's fees. The prevailing party shall be defined as that person or entity that receives one dollar ($1.00) more than the other party. Customer agrees that jurisdiction for any lawsuit shall be in the County of Fresno, California.

necessary) is at $1,150.00 each for Hydroseed and at $1,350.00 each for Compost. Approximately two (2) working days (weekends and holidays excluded) is required to complete an estimated 122,000 SQFT of Hydroseed. Approximately four (4) working days (weekends and holidays excluded) is required to complete an estimated 11,400 SQFT of Compost. Stand-by time will be billed at $330.00 per hour for Hydroseed and at $460.00 per hour for Compost.

4) Bond premium (performance and payment) rate is 2%. Minimum bond premium charge per project is $150.00. Bond premium amount is not included in the bid price. Commercial Liability Insurance does not cover Railroad Protective Insurance, Coverage for "volunteers," Umbrella Liability Limits and/or Excess Liability Limits, Professional Liability, Avian Influenza A (Avian Flu – Absolute), Employment Related Practices, Silica (Absolute), Residential Construction Defect PCO, Construction Wrap-UP/OCIP Exclusion, EIFS & Spray-on Siding, Known Damage or Injury, Biological Contaminants - Mold, Fungus, Micro-Organisms (covered under Pollution policy), Engineers, Architects, or Surveyors Professional Liability, Nuclear Energy Liability, Lead (Absolute), Asbestos (Absolute), Injury to Independent Contractors, Residential Construction Activities (Absolute except Apartments), Condominium Conversion, Beryllium, Advertising Liability and Certified Acts of Terrorism. With the exception that our bid-proposal shall in no event be construed to require indemnification by Subcontractor to a greater extent than permitted under the public policy of the State of California, Subcontractor shall indemnify and save harmless Owner and Contractor only arising out of or in connection with Subcontractor's operations to be performed under this bid-proposal.

5) Terms: Due and payable within 30 days from date of installation and/or as per Business and Professional Code §7108.5 and Public Contract Code §10262.5 (for progress payments) and/or as per Public Contract Code §7107 (for retention due).

6) Attorney fees and interest: If court action be instituted on this invoice, general contractor promises to pay reasonable attorney fees. A late payment charge of 1 1/2% per month will be charged on all invoices not paid within terms of quote. This is annual percentage rate of 18 %.

7) **General Contractor to provide and pay for water source on jobsite** (i.e., fire hydrant with valid water meter and/or water permit, 4,000 gallon capacity water truck, or other approved source at a minimum rate of 200 g.p.m. and/or at a minimum vertical height of 14 feet (for water towers or stands)). We'll require approximately 17,000 gallons of water for an estimated 122,000 SQFT of Hydroseed. **If water isn't made available on jobsite, this bid-proposal is invalid.**

8) General Contractor to provide good, drivable truck access to each site to be treated with Hydroseed and with Compost.

9) Final field measured quantities shall be provided by General Contractor and/or Owners' Representative prior to installation of Hydroseed and of Compost. If final field measurement shall be required of Nitta Erosion Control at jobsite, it shall be performed on a time and material basis with an authorized representative from the General Contractor and Owner in attendance.

Thank you for the opportunity to quote on this project.

Dear Mr. Chinn:

I am pleased to advise you that after careful review of your application and supporting documentation, the California Department of Transportation (Caltrans) has determined that your firm meets the eligibility standards to be certified as a Disadvantaged Business Enterprise (DBE) as required under the U.S. Department of Transportation's Code of Federal Regulation (CFR) 49, Part 26, as amended.

Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs under these specific areas of your expertise and license identified following a comprehensive review of your firm:

NAICS Category Codes	Description
541330	Engineering Services
541260	Environmental Consulting Services
562910	Remediation Services

Work Category Codes	Description
C8710	Engineering
C8722	Environmental Engineer
C8715	Consultant, Engineering
C8713	Environmental Consultant

Your DBE certification is recognized solely for the above codes. You may review your firm's information in the CUCP DBE Database, which can be accessed at Caltrans' Web site at http://www.dot.ca.gov/hq/bep/. Any additions and revisions must be submitted to Caltrans for review and approval.

Firm Number: 40225

In order to assure continuing DBE status, you must annually submit a No Change Declaration Form (which will be sent to you) along with supporting documentation. Based on your annual submission – that no change in ownership and control has occurred – or if changes have occurred, they do not affect your firm's DBE standing. The DBE certification of your firm will continue until or unless it is removed by Caltrans.

Also, should any changes occur that could affect your certification status prior to receipt of the No Change Declaration Form, such as changes in your firm's name, business/mailing address, ownership, management or control, or failure to meet the applicable business-size standards or personal net worth standard, please notify us immediately. Failure to submit forms and/or change of information will be deemed a failure to cooperate under Section 26.109 of the Regulations.

Caltrans reserves the right to withdraw this certification if at any time it is determined that it was knowingly obtained by false, misleading, or incorrect information. DBE certification is subject to review at any time. The firm thereby consents to the examination of its books, records, and documents by Caltrans.

For information on Department contracting opportunities, please visit our website at http://www.dot.ca.gov/hq/esc/oe/.

Congratulations, and thank you for your continued interest in participating in the DBE Program. I wish you every business success.

Sincerely,

JOB DESCRIPTION

Acacia Consultants & Engineers, Inc. (ACE) understands that Steve Manning Construction, Inc. is requesting this proposal for the preparation of a project specific stormwater pollution prevention plan (SWPPP) in accordance with the California Department of Transportation (Caltrans) requirements. The SWPPP is required for the State Route 36 Baker Curve Re-Alignment project identified as Caltrans Contact Number 02-2E6204 (Project ID #0200000588). According to the Caltrans Contract, the project includes the Hess Road Maintenance Station and a section of State Route 36 northwest of the town of Red Bluff, California. The project limits include:

1. State Route 36 from approximately Baker Road to 0.6 miles east of Baker Road in Tehema County, California (Stations Sta. "A5" 19+00 PM 39.7 through Sta. "A5" 57+73 PM 40.3).
2. Hess Road Maintenance Station along the west side of Interstate 5 immediately north of State Route 36 (Rt 5 PM 30.2).

According to the project Special Proyisions/Bid Book dated March 11, 2013, the project bid requires a lump sum bid to prepare a project specific SWPPP. Additionally, Special Provisions Section 13 states that the project has been identified as Risk Level 2 under NPDES General Permit for Storm Water Discharges Associated with Construction and Land Disturbance Activities (Order No. 2009-0009-DWQ, NPDES No. CAS000002).

ACE proposes the following scope of services based on the consultant fee shown on page 1 to prepare a SWPPP for the proposed project. Upon receipt of an executed agreement and notice to proceed, ACE will begin work on the scope of services offered.

SCOPE OF SERVICES

ACE services include the preparation of a SWPPP. The proposed scope of services includes the following:

- Review existing environmental planning documents for the proposed project.
- Review existing design documents as provided by Caltrans and Steve Manning Construction, Inc.
- Review proposed project schedule as provided by Steve Manning Construction, Inc.
- Review the site specific drainage analysis and post construction BMP design for the proposed project as provided by Steve Manning Construction, Inc. and the design team.
- Prepare a document in general conformance with Caltrans Stormwater Quality Handbook. The document to be prepared includes the Stormwater Pollution Prevention Plan, the water pollution control drawings, overall project schedule, and monitoring documents (physical monitoring/documentation to be completed by others).

ASSUMPTIONS

ACE's services do not include preparation of a water pollution control program (WPCP), rain event action plans (REAP), surface/subsurface geotechnical and environmental sampling, water sampling and/or testing, BMP installation and maintenance, stormwater monitoring and reporting, uploading of permit registration documents, payment of any and all permit fees, or geophysical surveys. The work scope presented does not include any civil engineering design (e.g. hydraulics, hydrology, etc.).

ACE assumes that one draft copy of the document will be provided for your review and six copies of the finalized document. Subsequent drafts and revisions will be invoiced on a time and materials basis in accordance with our 2013 fee schedule

EXHIBIT TC: Standard Terms and Conditions

These Standard Terms and Conditions, together with our proposal, make up the Agreement between the named Client and ACE. Before countersigning the Proposal or verbally authorizing work, be sure you read and understand its contents, which deal with the allocation of risks and duties between the Client and ACE.

SERVICES

ACE shall perform the services defined in its Proposal and any amendments or change orders accepted by both parties. Any request from the Client that requires extra work, or additional time, or increases ACE's costs will require an amendment or change order agreeable to both parties.

STANDARD OF CARE

ACE will perform the services with the skill and care ordinarily used by qualified professionals performing the same type of services at the same time under similar conditions in the same or similar locality. No other standards or warranties, expressed or implied, including warranties of marketability or fitness for a particular purpose apply. The Client will notify ACE in writing of any deficiencies in the services within 15 days of their discovery but not later than 120 days after substantial completion of the services. The Client will give ACE a reasonable opportunity to correct these deficiencies. The Client understands that ACE's services may entail risk of personal injury and property damage (including cross contamination) that cannot be avoided, even with the exercise of due care. The Client acknowledges and accepts any risk resulting from the fact that geotechnical and environmental conditions can vary from those found by ACE at the times, locations and conditions of its work.

CLIENT RESPONSIBILITIES

Client will provide permits, licenses, approvals and consents necessary for performance of the services, except those maintained by ACE for its ordinary course of business. Client will provide ACE with all reasonably available documents that are related to the services, including information related to hazardous materials or other environmental and geotechnical conditions at the site. Before ACE performs any subsurface activities, the Client will provide all available information concerning underground services, conduits, pipes, tanks, other facilities and obstructions at the site. ACE will rely on the documents and information provided by the Client. The Client grants ACE and its subconsultant(s) permission to enter the site to perform the services. If the site is owned by others, the Client represents and warrants that the owner has granted permission for ACE to enter the site and perform the services. Client will provide ACE with written verification of site access permission upon request.

PAYMENT

Except as expressly provided in the Proposal, Client will compensate ACE for the Base Consultant Fee as stated herein and for additional services at its standard rates, reimburse its expenses, and pay any taxes applicable thereto. ACE will submit invoices that are due 45 days upon receipt. The Client will notify ACE in writing within 10 days of any disputed item on the invoice and pay all undisputed items within 30 days from invoice date. Overdue payments will accrue interest at the lower of 1½ percent per month or the maximum lawful rate. ACE may terminate its services upon 10 days written notice any time payment is overdue on any account with the Client. Client agrees to pay for all services through termination, plus termination and collection costs, including reasonable attorneys' fees and expenses.

UNDERGROUND UTILITIES ANO SITE RESTORATION

Where appropriate, ACE will contact local governmental authorities and private firms who coordinate underground utility information for knowledge about conditions at the site. ACE will review plans and information provided by these entities and the Client. ACE will not be liable for any damage to underground services or structures not accurately identified in such plans and information. Client agrees to indemnify ACE against all liabilities and costs arising out of such damage and its repair, except to the extent caused by ACE's negligence or willful misconduct. ACE will conduct its on-site activities to limit damage to existing conditions to the extent possible. Client acknowledges that damage may occur to

3025 Venture Road, Placerville, CA 95667 tel 530.748.1336 fax 530.621.4837 www.acaciace.com

facilities such as paving, landscaping, utilities, structures, other improvements and existing conditions, by the work, even with reasonable care. Client agrees to compensate ACE for all costs to perform restoration work required by the Client.

LIMITS ON ACE RESPONSIBILITY

ACE will not be responsible for the acts or omissions of any others, except for its employees and subconsultant(s). ACE will not supervise, direct or have control over any contractor's work. ACE will not have authority over or responsibility for the means, methods, techniques, sequences, or procedures of construction, for work site health or safety precautions or programs, or for any failure of contractors to comply with contracts, plans, specifications or laws. Any estimates or opinions of ACE of probable quantities or costs of labor, materials, equipment or services to be furnished by others are strictly estimates and are not a guaranty or representation that actual quantities or costs will be consistent with those estimates or opinions. Client acknowledges that ACE does not warrant or guarantee the approval or receipt of any governmental permits or approvals, or the time to obtain such permits or approvals.

DOCUMENTS AND INFORMATION

All documents, data, calculations and work papers prepared or furnished by ACE are instruments of service and will remain ACE's property. Designs, reports, data and other work product delivered to or on behalf of the Client are for Client's use only for the limited purposes disclosed to ACE and subject to Client paying for the services to provide said work product. Any delayed use, use at another site, use on another project, or use by a third party will be at the user's sole risk and Client agrees to indemnify and defend ACE against any liabilities resulting there from. Any technology, methodology, or technical information learned or developed by ACE will remain its intellectual property.

CONFIDENTIALITY

Information about this Agreement and ACE's services and information provided by the Client about the services will be maintained in confidence and will not be disclosed to others without the Client's consent, except as ACE believes is necessary to perform its services, comply with professional standards to protect public safety, health and the environment, and to comply with laws and court orders. ACE will make reasonable efforts to notify the Client prior to any disclosure except as necessary to perform its services. Information available to the public and unprotected information acquired from third parties will not be considered confidential. The Client will reimburse ACE to respond to any subpoena or governmental inquiry or audit related to the services at ACE's standard rates then in effect.

INSURANCE

During the work, ACE will maintain workers' compensation, commercial general liability, automobile liability, and professional liability insurance in the following minimum amounts:

Workers compensation $1,000,000
General liability $1,000,000 per occurrence $2,000,000 aggregate
Auto liability $1,000,000 per accident
Professional liability $1,000,000 aggregate

ACE will furnish certificates of insurance upon request. ACE will purchase project specific insurance at Client request if it is commercially available and Client pays the premium and our costs to obtain the additional coverage.

INDEMNIFICATION

ACE shall throughout the term of this agreement to the fullest extent permissible by law defend and indemnify the Client for the amount of damages allocated to the Consultant but only to extent of Consultants' negligence or willful misconduct.

LIMITATION OF LIABILITY

To the fullest extent permitted by law and notwithstanding anything else in this Agreement to the contrary, the aggregate liability of ACE and its affiliates and subconsultants and their employees, officers, and directors for all claims arising out of this Agreement or the services is limited to the greater of $100,000 or the compensation received by ACE under this agreement. This limitation applies to all injuries, damages, claims, losses, expenses and defense costs, whether based in contract, negligence, strict liability, statutory, trespass, indemnity, misrepresentation or any other theory of liability. No claim will be valid if presented to ACE more than three years after substantial completion of the services or, if shorter, the applicable statute of limitations period. ACE will not be liable for lost profits, loss of use of property, diminution of value of property or goods, delays, cost to obtain replacement samples, or other special, indirect, incidental, consequential, punitive, and exemplary or multiple damages. ACE will not be liable to anyone for injuries or deaths of any persons, except to the extent that such liability is covered by the insurance as noted above.

DISPUTES

All disputes between the Client and ACE shall be subject to non-binding mediation. Either party may demand mediation by serving written notice stating the essential nature of the dispute, the amount of time or money claimed, and requiring the matter be mediated within forty-five days of service of notice. The mediation shall be administered by the American Arbitration Association in accordance with their most recent Construction Mediation Rules, or by such other person or organization as the parties may agree on. No action or suit may be commenced unless mediation has occurred but did not resolve the dispute, or unless a statute of limitation period would expire if suit were not filed prior to such forty-five days after service of notice.

OTHER

This Agreement shall be governed by California law. The above terms and conditions regarding Limitation of Liability and Indemnification shall survive the completion of the services under this Agreement and the termination of the contract for any cause. Any amendment to this Agreement must be in writing signed by both parties. This Agreement supersedes any contract terms, purchase orders or other documents issued by the Client. These Terms and Conditions shall govern over any inconsistent terms in the Proposal, expect those specifically identified in the proposal. If these Terms and Conditions have been provided to you, your verbal authorization to commence services constitutes your acceptance of them. The provisions of this Agreement are severable; if any provision is unenforceable, it shall be appropriately limited and given effect to the extent that it is enforceable. Headings in these Terms and Conditions are for convenience only and do not form a part of the agreement. Nothing in this Agreement shall be construed to give any rights or benefits to third parties.

Standard Notes

1.Allowable unloading time for delivery trucks is two (2) hours. Demurrage charges of $75.00 per hour thereafter will be added.

2.Construction loadings typically exceed the intended post-construction live load used for design. Contact your Contech representative for specific guidelines and limitations based on the construction live loads anticipated.

3.Flexible structures of the type on this project are reliant on the type of structural backfill used, the compaction of that material and the balanced placement of structural backfill. Contact your Contech representative for specific information.

4.Prices are based on standardized loading to achieve full truckloads. If special loading requirements are needed additional freight charges will be added.

5.Quotation is based upon estimated (not guaranteed) quantities. Buyer must verify final quantities needed prior to commencement of work by Contech. If Buyer elects to purchase from Seller only a portion of the material quoted, Seller retains the right to adjust its prices.

6.The estimated manufacturing lead time for this material is x weeks from the receipt of approved submittal documents.

7.This quotation expires 30 days from the date shown. Prices are firm for shipment within 60 days of the date of quotation and are subject to a maximum escalation of 8% for each 30 days thereafter.

TERMS OF PROJECT PROPOSAL (These terms shall become part of any subsequent contract)

Included:

1) Prices are subject to review of final plans, soils report and contract documents.
2) Asphalt compensation increases or decreases belong to Darren Taylor Construction (DTC)
3) We have based or proposal on being awarded all of the work included in this quotation and the entire project being constructed concurrently under one contract. If portions of the work are to be deducted from the scope of work, we will revise our proposal.
4) Unless otherwise expressly stated, this proposal is based on paving being performed in the calendar year 13,14. If paving cannot be completed in this timeframe, additional costs for energy surcharges, increase in material transportation costs or liquid asphalt price escalations, will be added to the final contract price.
5) Prices include one move in for paving & grinding. Additional move-ins will result in additional costs due to reduced productivity and added mobilization charges. Unit prices and or mobilization charges will be adjusted accordingly.
6) A minimum of 14 days notice with a schedule is required to schedule a move-in, subject to minor adjustments. Project schedule shall be mutually agreeable to DTC and the Owner / Contractor.
7) Schedules are subject to extensions caused by unfavorable weather conditions, lack of site accessibility, labor disputes, delay of material deliveries, vandalism, and or acts of God.
8) Our proposal is based on having clear, unobstructed continuous access to all areas of work for each stage of work.
9) Any overtime requested by the Owner / Contractor to expedite completion will be subject to additional charges that will be negotiated prior to performance of the work.
10) This proposal is based on availability of an on- site water source; no provision for rationing is included.
11) The site has been represented to DTC as being free from hazardous an/or toxic substances, nor the removal of any liability that might otherwise be incurred by DTC as a result of the presence of any hazardous an/or toxic substances at, or under, the site, or in any fill material.
12) Existing soils onsite are figured to be suitable for all project applications. Handling of spoils generated by others is Not included in this proposal.

TERMS OF PROJECT PROPOSAL (These terms shall become part of any subsequent contract)
Continued:

13) Aggregate base and AC paving is based on finish grade and thickness tolerances as detailed in the Caltrans Standard Specifications, therefore the structural section dimensions shown on the plans are to be interpreted as average depths and not minimum depths.
14) When SS – 1 Fog Seal is included in our proposal, it is our intent to apply the seal immediately after paving. Any delay caused by the Owner / Contractor could result in added cost for sweeping and washing.
15) DTC will not honor any "back-charges" or deductions in payment that have not been authorized in writing by an authorized agent of DTC.
16) All "extra work" shall be in writing and signed by both parties prior to begging any extra work. "Extra Work" will be performed on a :Time and Material Basis" at cost plus 15%.
17) DTC will perform contract work in accordance with project specifications and industry standard practice. DTC does not assume responsibility for damages, losses or overruns due to unsuitable soil conditions, failed sub-grade, poor compaction on aggregate base, poor design, high or low grade and/or actions of others.
18) This proposal is based on using conventional construction equipment and practices. We are not responsible for structure damage resulting from vibrations from our equipment or any reason other than negligence.
19) Material and workmanship warranty is limited to one year from physical completion of DTC contact work.
20) This project is subject to California Mechanic's Lien Law.
21) Patching to be performed on grade prepared by others.
22) All manhole, water valve, and cleanout iron to be left 6" below subgrade elevation.

Via e-mail

We are pleased to provide the following concrete price quotation for this upcoming job.

1 sack popcorn	$76.00/cy
2 sack Sand Slurry	$82.00/cy
Minor Concrete	$96.00/cy

Prices are net 30 days, plus sales tax (7.5%).This price is good until October 1, 2014. There are no additional fuel surcharges or environmental fees. Chilled or Hot Water, if necessary, is available at $2.75 per cubic yard of concrete. Prices are for deliveries during normal business hours, Monday thru Friday, except Holidays.

These prices do not include accelerators, retarders, Super-plasticizers, fibers, rubber or color, if necessary.

We operate a fleet of 10 mixer trucks and our **fully automated Batch Plant** has a proven capacity of 130+ yards per hour. We are approximately 5 miles from the jobsite. Our mix designs are designed, tested and inspected by an independent testing laboratory. We have supplied concrete to numerous Cal Trans projects in Tehama County. References are available upon request. Please feel free to contact us if you need more information or if we can be of assistance to you.

Sincerely,

Kevin L. Brunnemer

Project: Caltrans Contract # 02-2E6204
02-The-5, 36-30.2, 39.7/40.3
I-5 / Highway 36 Tehema County

We are pleased to submit the following quotation, subject to all the terms, conditions and limitations hereof for productions on work herein described:

Item No.	Item Code	Item Description Material	Unit of Measure (US Ton)	Estimated Quantity	Unit Price
34	390132	¾" HMA PG 64-28 M Lime Treat	Ton	6530	$73.00
33	260203	Class II Base Rock	Ton	13,680	$10.50
28	190185	Shoulder Backing	Ton	2010	$10.00

PLANT LOCATION: FAWNDALE ROCK AND ASPHALT 15380 Fawndale Road Redding, CA 96001

Terms & Conditions:

All prices are quoted NET 30 DAYS and F.O.B FAWNDALE ROCK & ASPHALT plus at the applicable Sales Tax Rate. The HMA is subjected to the Compensation Adjustments for Price Index Fluctuations per section 5-1.04 of this contract 02-2E6204 and will be paid to FAWNDALE ROCK & ASPHALT monthly. All other materials will be quoted firm through 2013.

Exclusions:

1. Price Excludes: Saturday, Sunday, Holiday and/or any back charges due to Plant Break Downs.
2. Price Excludes: QC/QA testing on the project site.

Special Conditions:

1. Price for HMA Type A includes 1 per Job Mix Formula (JMF) with testing at the plant site only for Item 34. Any additional JMF will be charged as time and materials to the Customer/Contractor.
2. QC/QA is included in above Hot Mix Asphalt "Type A" pricing for material gradation and oil content only. Customer/Contractor responsible to obtain HMA samples the same day of production as required by contract specifications and/or Project Resident Engineer and deliver to FAWNDALE ROCK & ASPHALT. 3. Bonus calculations for QC/QA will be determined by using the Contractor's HMA Contract Price (HMACP), the price between the Contractor and Caltrans, as noted in contract 02-2E6204 Amendments. These Bonus Calculations shall be to the account of FAWNDALE ROCK & ASPHALT as follows: FAWNDALE ROCK & ASPHALT is responsible for the material gradation and oil content only. Therefore, FAWNDALE ROCK & ASPHALT will receive the bonus or deduction based upon material and oil content only. As an example the following could happen, it could be possible for FAWNDALE ROCK & ASPHALT to be out of Specification on the material gradation thus to suffer a deduction, yet the Contractor to achieve QCQA bonus based on compaction required. FAWNDALE ROCK & ASPHALT would receive a deduction and the Contractor would receive their bonus.
4. Material produced for Caltrans to verify Mix Design will be purchased by Contractor at the above price with a minimum of 75 tons.
5. Above material prices are subject to sales tax unless Resale Certificate is on file.
6. FAWNDALE ROCK & ASPHALT to receive a "conditional purchase agreement" within 30 Days from contract bid date listed above and followed by a "formal purchase agreement" including all FAWNDALE ROCK & ASPHALT Terms & Conditions when the project has been awarded.
7. FAWNDALE ROCK & ASPHALT warrants all materials will be free from defects at our plant on date of pickup.
8. Material availability is subject to a mutually agreeable schedule.
9. Customer/Contractor is responsible for an accurate production schedule. A copy of the project's HMA Mix Design approved by the Project Engineer and the Customer/Contractor will be provided to FAWNDALE ROCK & ASPHALT a minimum of 10 days prior to HMA production.
10. HMA Type "A" price subject to minimum daily purchase of 400 tons.
11. Terms of Payment are Net 30. All invoices become past due after 30 days from date of invoice. Past due balances are subject to a finance charge computed by a periodic rate of 1.50% per month, which equates to an annual rate of 18%. In the event an attorney or collector is employed in the collection of this account, the buyer agrees to pay all attorney and/or collector fees incurred, with or without suit.
12. A 20-day Preliminary Notice will be mailed with each new order. This notice contains cost information and will be sent to all parties. All Preliminary information must be supplied by the Customer/Contractor 10 Days prior to the first day of materials purchased.

PROJECT:
4/3/2013

TERMS OF PROJECT PROPOSAL (These terms shall become part of any subsequent contract)

1) This is a unit price based contract; actual pay quantities based on work performed for this project.
2) Prices are subject to review of final plans, soils report and contract documents.
3) Our proposal is based on your quantity takeoff as derived from the bid set of plans. Should there be any discrepancies between the final approved plans and the bid plans, adjustments may be made to the bid unit price.
4) **All asphalt concrete paving prices in this proposal are based on the current Bay Area Rack Price of liquid asphalt. Any increases to the cost of liquid asphalt may directly affect this unit price. If there are price increases, please be advised that jobs will be billed at current pricing when the job paves. Supply is not guaranteed.**
5) We have based our proposal on being awarded all of the work included in this quotation and the entire project being constructed concurrently under one contract. If portions of work are to be deducted from KRC's scope of work, we will revise our proposal
6) Unless otherwise expressly stated, this proposal is based on paving being performed in the calendar year dated on the proposal. If paving cannot be completed in this timeframe, additional costs for energy surcharges, increase in material transportation costs or liquid asphalt price escalations, will be added to the final contract price
7) Prices include one move in for asphalt paving. Additional move-ins will result in additional costs due to reduced productivity and added mobilization charges. Unit prices and/or mobilization charges will be adjusted accordingly.
8) A minimum of three weeks notice with a schedule is required to schedule a move-in, subject to minor adjustments. Project schedule shall be mutually agreeable to KRC and the Owner/Client.
9) Schedules are subject to extensions caused by unfavorable weather conditions, lack of site accessibility, labor disputes, delay of material deliveries, vandalism, and/or acts of God.
10) Our proposal is based on having clear, unobstructed continuous access to all areas of work for each stage of work.
11) The start of home construction prior to completion of KRC's work will directly impact our construction efficiencies. If building construction commences prior to completion of our work, impacts to contract prices and schedule will be negotiated with Owner/Client.
12) Any overtime requested by the Owner/Client to expedite completion will be subject to additional charges that will be negotiated prior to performance of the work.
13) This proposal is based on availability of an on-site water source; no provision for rationing is included.
14) The site has been represented to KRC as being free from hazardous and/or toxic substances. KRC shall not be responsible for testing to determine the presence or absence of hazardous and/or toxic substances, nor the removal of any liability that might otherwise be incurred by KRC as a result of the presence of any hazardous and/or toxic substances at , or under, the site, or in any fill material.
15) This proposal excludes wet weather conditions, soil stabilization work, lime treatment or stabilization fabric. Any work requested by the Owner/Client to be performed in inclement weather or over optimum moisture conditions will result in additional costs that will be negotiated by the Owner/Client.
16) Existing soils onsite are figured to be suitable for all project applications. Handling of spoils generated by others is Not included in this proposal.
17) Owner or Prime Contractor to certify agg base grade prior to paving.
18) Prices are based on placing a single lift of asphalt paving for lift thicknesses up to 3". Dividing single-lift sections into multi-lift sections will result in additional costs that will be negotiated prior to performance of the work.
19) Prices are based on using ½"or 3/4" PG 64-10 Asphalt Concrete in conformance with CalTrans Standard Specifications.
20) AC paving is based on finish grade and thickness tolerances as detailed in the Caltrans standard specifications, therefore the structural section dimensions shown on the plans are to be interpreted as average depths and not minimum dept
21) When SS-1 fog seal is included in our proposal, it is our intent to apply the seal immediately after paving. Any delay caused by the Owner/Client could result in added cost for sweeping and washing.
22) KRC will not honor any "back-charges" or deductions in payment that have not been authorized in writing by an authorized agent of KRC.
23) All "extra work" shall be in writing and signed by both parties prior to beginning any extra work. "Extra work" will be performed on a "Time and Materials Basis" at cost plus 15%.
24) KRC will perform its contract work in accordance with project specifications and industry standard practice. KRC does not assume responsibility for damages, losses or overruns due to unsuitable soil conditions, failed subgrade, poor compaction on agg base, poor design, high or low grade and/or actions of others.
25) This proposal is based on using conventional construction equipment and practices. We are not responsible for structure damage resulting from vibrations from our equipment or any reason other than negligence.
26) Material and workmanship warranty is limited to one year from physical completion of KRC contract work.
27) This project is subject to California Mechanic's Lien Laws.
28) Patching to be performed on grade prepared by others.
29) All paving to be completed in the same shift.

GENERAL TERMS AND CONDITIONS

The work will be completed as quickly as possible, weather, soil and other conditions permitting.

The Seller will not be responsible for failure to make delivery when prevented by strikes or other labor conditions, accidents or necessary repairs to machinery; by fire, floods or other adverse weather conditions; by inability to procure transportation, electric power, materials or machinery; by Government regulation, requirements, or orders ; by acts of God, by acts of public enemies, mobs or violence, or by any other cause beyond the Seller's control.

Unless otherwise agree, it is understood that the work will be performed during regular working hours of regular working days. If overtime work is required it is mutually agreed that an additional price, at the Seller's usual rate for such work, shall be charged to the Purchaser and he/she agrees to pay for the same under the same terms as herein set forth.

This proposal is made on your warranty that our right to Mechanics' Lien has not been, or is not waived.

No charges for labor or material furnished by the Purchaser shall be allowed as a credit on this agreement unless authorized in writing by the Seller at the time of the transaction.

Unless otherwise provided herein, this agreement is made at the office of Knife River Construction, Chico, California, and all payments shall be made at such place on or before the 10th of each month and shall be for 100% (one hundred per cent) of the proportion of the contract price representec by the work performed during the preceding month. Final payment shall be made at said office within 20 (twenty) days after completion of work covered by this proposal.

All payments shall be made as provided for in this Contract.

The Purchaser agrees to pay the Seller as a late charge on all past due balances 1 1/2% per month or the maximum rate otherwise permitted by law whichever is the lesser.

In the event that legal action must be taken to enforce the terms of this Agreement, the prevailing party shall be entitled to reasonable attorney fees and costs.

Notwithstanding the rights afforded the Seller under and by virtue of the Mechanics' Lien Law of the State of California, and further notwithstanding any and all other terms of the herein Agreement, Seller and Purchaser agree that a default in the form of nonpayment of progress payments as per the General Conditions of this Contract will be considered a default on the part of the Purchaser, and Seller shall have the right to immediately cease work and collect all payments for work performed. Any such cessations of work by Seller will not be considered a default on its behalf. Seller shall not be required to complete any and all remaining work until such time as payment in accordance with the terms of the Contract is satisfied.

This proposal is made subject to Knife River Construction's approval of customer credit.

Contractors are required by law to be licensed and regulated by the Contractors' State License Board which has jurisdiction to investigate complaints against contractors If a compliant regarding a patent act of omissionis filed within four years of the date of the alledged violation. A complaint regardinga latent act of omission pertaining to structural defects must be filed within 10 years of the date of the alleged violation. Sunray 480

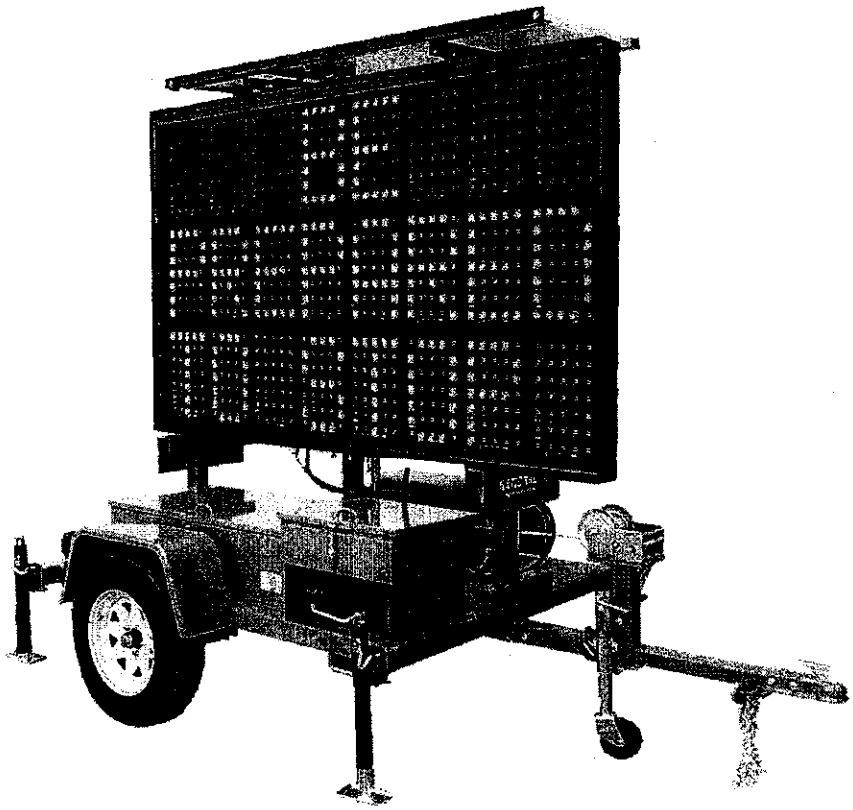
National Signal continues to innovate with the addition of our 'mid-size' message sign.

The SR480 combines the features of our large and small signs into a convenient package that delivers great legibility in a compact easy to use package. The SR480 comes equipped with 15" high characters, manual lift, or an electro-hydraulic lift option.



- ***AlInGaP LED technology***
- ***Environmentally friendly***
- ***Cost effective***
- ***Reliable and easy to operate***
- ***Meet or exceed all state and federal highway MUTCD traffic safety specifications***
- ***Hundreds of pre-programmed messages, MUTCD messages, and operator-created messages***
- ***Replace characters without the need of tools***

With our newly postioned control there is no more kneeling or bending over to program your message.

And now, you can see your message while you program. No more walking around the sign.

Find out more about the other great features of our SR480.

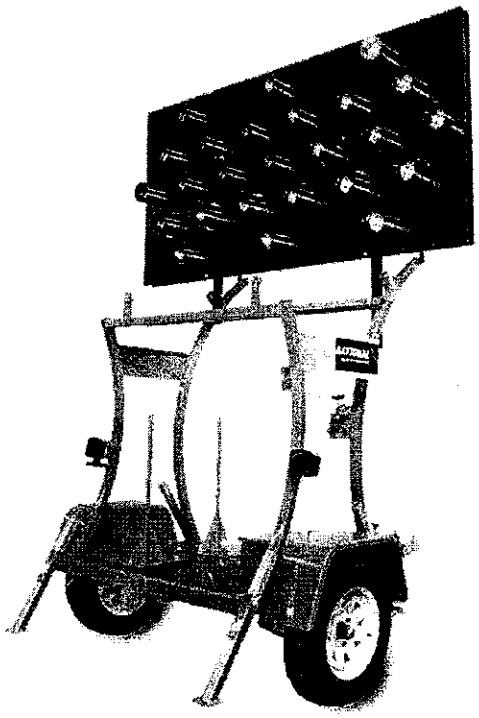
Aro-lite Curve Trailer™

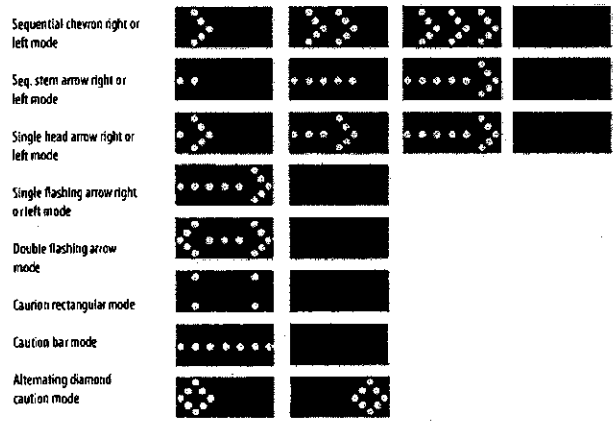
The new National Signal Aro-Lite Curve™ traffic controller represents the latest blend in environment and technology.

With our innovative curve design, the operator has greater clearance to maneuver around the chassis.

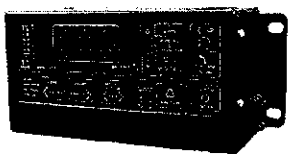
This unique curve design provides greater lateral strength to the uprights, decreases the amount of welding which means less energy required for manufacturing, and increases the foot print area.

That means less chance for blow overs in high wind areas.





Energy efficient, touch sensitive sealed buttons, solid state control with LED display



- ***Environmentally friendly sealed battery prevent spills and leaks***
- ***New control with touch sensitive keys and LED display uses 50% less energy which means longer run times between charges***
- ***Newly designed replaceable fenders means less repair time***
- ***Curb side winch and battery box means greater safety for the user***
- ***High mounted tail lights provide motorists with a better view when stopping***

Standard Terms & Conditions For Spears and Ernst, LLC dba SPECS

1. APPLICABILITY. These Standard Terms & Conditions for Acceptance of Purchase Orders hereafter, "Standard Terms") shall apply to all purchase orders or other Supply Arrangements (hereafter defined) submitted by any customer ("Buyer") of Spears & Ernst Civil Solutions LLC, and/or its affiliates (collectively, "SPECS") regardless of the form or medium of Buyer's purchase order, and regardless of whether Seller's actions are deemed to be a prior offer of Buyer's purchase order or acceptance thereof and regardless of SPECS' execution of any agreement or other instrument/document required by Buyer. If SPECS is deemed to be accepting a prior offer of Buyer, such acceptance is limited to the terms contained herein. Buyer's acceptance of any goods shipped or services provided by SPECS shall constitute acceptance of these Standard Terms, regardless of any conflicting terms or waiver language contained in any Buyer purchase order, general terms & conditions, or other Supply Arrangement. Any proposal for additional or different terms or any attempt by Buyer to vary in any degree any of the Standard Terms is hereby rejected, but such proposals shall not operate as a rejection of an offer by SPECS unless such variances are in the terms of the description, quantity, price or delivery schedule of the goods or services, but shall be deemed a material alteration thereof, and the offer by SPECS shall be deemed accepted by Buyer without said additional or different terms.

2. ACCEPTANCE OF ORDERS. All Buyer purchase orders shall be deemed accepted when SPECS issues an order acknowledgment to Buyer or when SPECS begins performance of the order. All orders accepted by SPECS shall be governed by these Standard Terms and by any additional terms and conditions which are expressly agreed upon by authorized representatives of the parties in a fully executed Supply Arrangement. Unless otherwise agreed to in a Supply Arrangement, SPECS shall have no obligation to accept any particular Buyer purchase order and these Standard Terms shall control.

3. SHIPMENT/DELIVERY DATES. The delivery date is only an estimate of when the product will be shipped. SPECS shall use reasonable efforts to meet any shipment or delivery date stated in any Buyer purchase order, but SPECS assumes no liability for loss or damage (including any direct, incidental, consequential or punitive damages) due to delays or failure to meet any Buyer-specified delivery date. If SPECS cannot meet such shipment or delivery date, it will promptly notify Buyer. Buyer will designate common carriers for the shipment of all products (but if Buyer fails to designate a carrier, SPECS shall have the right to select a carrier on Buyer's behalf). To the extent a quoted price for any product does not expressly include shipping, the cost thereof shall be paid directly by Buyer. SPECS reserves the right to make delivery in installments (including both advance shipments and back orders). All such installments shall be separately invoiced and paid for when due, without regard to subsequent deliveries. Delivery of an installment shall not relieve Buyer of its obligation to accept remaining deliveries. SPECS shall have no responsibility to ship goods to any location other than those in the United States, Canada or Mexico unless Buyer has previously secured all applicable permits and licenses for the transfer of goods.

4. TAXES/DUTIES. Applicable sales, excise, use and other taxes, and import/export duties and other charges, are in addition to any prices quoted by SPECS and shall be paid by Buyer.

5. PRICE CHANGES. The price shall be as set forth on the Supply Arrangement and due within thirty (30) days of delivery unless otherwise specified in writing. With respect to any "open" or "blanket" purchase order of Buyer, or if any Supply Arrangement contemplates the purchase/sale of products or services beyond a 6 month period, SPECS may from time-to-time (but no more than once in any 6 month period) increase the price of any particular product or service by an amount proportional to any increase in SPECS' labor, utility or other verifiable costs respecting such product or service. Additionally, in the event SPECS' raw material costs materially increase, SPECS may pass on such increases to Buyer at any time. Prices shall be adjusted to SPECS' prices in effect at the time of shipment.

6. CREDIT; LATE PAYMENTS. Any obligation of SPECS to extend credit to Buyer is conditional upon Buyer's timely payment of invoices, and upon the continued financial stability of Buyer. SPECS reserves the right to limit, cancel or revoke credit of Buyer at any time for any reason, and SPECS may require or demand payment or adequate assurances of performance from Buyer prior to performing any aspect of the sale of goods hereunder. Late payments on invoices shall bear interest at 1.5% per month or the highest rate allowed by applicable law, whichever is less. SPECS shall be entitled to recover its costs of collection of any past due invoice, including court costs and reasonable attorneys' fees. Buyer agrees that SPECS shall have the right to obtain financial information on a quarterly basis and shall be entitled to annual tax returns.

7. WARRANTY. SPECS shall provide an "industry standard" warranty on all of its goods and services. If there is no industry standard, then SPECS' sole warranty obligation for all goods and services that are or become defective in material or workmanship within twelve (12) months from the date of shipment or performance shall be limited to the replacement or repair of the defective goods or services free of charge. SPECS' warranty obligations hereunder are contingent upon the following conditions: SPECS is promptly notified of the defect; Buyer establishes to SPECS' reasonable satisfaction that any goods have been properly handled, stored, installed, maintained and operated; the goods were not materially altered; the defect did not occur after receipt of shipment; and upon SPECS' request, Buyer will return the defective goods or part thereof to SPECS. The foregoing warranty is a limited warranty, and is in lieu of all other warranties, express or implied. EXCEPT AS EXPRESSLY STATED IN THIS SECTION, SPECS DISCLAIMS AND DOES NOT MAKE ANY ADDITIONAL REPRESENTATIONS, WARRANTIES AND/OR INDEMNITIES OF ANY KIND (WHETHER BY IMPLICATION OR OPERATION OF LAW) WITH RESPECT TO THE PRODUCTS, INCLUDING WITHOUT LIMITATION ANY REPRESENTATIONS, WARRANTIES AND/OR INDEMNITIES AS TO MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, PRICE, PATENT OR ANY OTHER MATTER. THIS SECTION SURVIVES THE TERMINATION OR CANCELLATION HEREOF.

8. REMEDIES AND LIABILITIES. BUYER AGREES THAT SPECS' LIABILITY AND BUYER'S SOLE AND EXCLUSIVE REMEDY FOR ANY CLAIM OF ANY KIND HEREUNDER OR RELATING TO THE GOODS OR SERVICES DELIVERED BY SPECS SHALL BE (A) THE REPAIR OR REPLACEMENT AT SPECS' OPTION OF DEFECTIVE GOODS OR SERVICES, OR (B) A REFUND OF THE PRICE ALLOCABLE TO THE DEFECTIVE GOODS OR SERVICES IF SPECS IS UNABLE TO EFFECTIVELY REPAIR, REPLACE OR CORRECT SUCH DEFECT IN A REASONABLE TIME AFTER USING ITS REASONABLE EFFORTS. UNDER NO CIRCUMSTANCES SHALL SPECS HAVE ANY LIABILITY WHATSOEVER FOR INCIDENTAL, CONSEQUENTIAL (INCLUDING LOSS OF BUSINESS OR PROFITS) OR PUNITIVE DAMAGES, NOR SHALL BUYER BE ENTITLED TO OBTAIN INJUNCTIVE RELIEF AGAINST SPECS FOR ANY REASON WHATSOEVER.

9. RISK OF LOSS; TITLE. Possession and risk of loss for all goods shall pass to Buyer upon SPECS' delivery of such goods to any carrier, common or otherwise. Title to such goods shall not pass until they have been fully paid for by Buyer. Buyer shall have been deemed to have accepted the goods and services as delivered within five (5) business days of delivery unless Buyer shall notify SPECS of any deficiency in writing.

10. ASSIGNMENT. Buyer shall not assign its interest in any Supply Arrangement without SPECS' prior written consent.

11. INDEMNITY. To the maximum extent allowed by law, Buyer shall reimburse, indemnify and hold SPECS and its employees and agents harmless from and against any claims, demands, liabilities, damages, suits, judgments, losses, costs and/or expenses (including attorneys' fees and other expenses of any litigation) suffered and paid by SPECS (collectively, "Losses") that relates to or arises on account of (a) Buyer's negligence, use, ownership, maintenance, transfer, transportation or disposal of the goods and services delivered by SPECS or (b) Buyer's violation or alleged violation of any federal, state, county or local law, rule or regulation.

12. INTELLECTUAL PROPERTY.

(a) If Buyer provides SPECS with any specifications for goods or services to be furnished by SPECS, Buyer shall reimburse, indemnify, defend and hold SPECS harmless from and against any Losses concerning, arising out of or relating to any claimed or actual infringement of any patent, copyright, trade secret or other intellectual property rights of any third party respecting such goods or services.

(b) Except with respect to any product that Buyer has specifically contracted with SPECS to design or develop, (i) any product or any improvement to any product developed by SPECS, and (ii) any method or process of production respecting the product or improvement thereto developed by SPECS, shall be the sole property of SPECS.

(c) Buyer may use SPECS' trademarks only to sell new SPECS products purchased by Buyer directly from SPECS, and for no other reason. Buyer shall not take any or fail to take any action that may dilute SPECS' trademarks.

(Revised March 13, 2013)

(d) Except as expressly set forth herein, (i) SPECS shall have no obligation to sell, assign, license, or transfer intellectual property of any kind to Buyer, and (ii) Buyer shall have no right to use any intellectual property of SPECS without the express written consent of SPECS, which may be withheld in its sole discretion. SPECS may enforce this Section through injunction or otherwise.

13. FORCE MAJEURE. SPECS shall be temporarily excused from performance under any Supply Arrangement to the extent such non-performance is caused by acts of God, war, terrorism, riot, embargoes, fire, floods or other severe weather problems, accidents or other casualty, quarantine restrictions, factory conditions, labor disputes, governmental acts, orders or regulations, delays in transportation, shortage of transport vehicles, labor or materials or other circumstances beyond the reasonable control of SPECS. SPECS shall use all available commercially reasonable efforts to remedy the circumstances causing the non-performance, or shall take steps to work around such circumstances. Promptly after the circumstances causing the non-performance are remedied, SPECS shall resume performing.

14. TERMINATION. Unless otherwise agreed to in a fully executed Supply Arrangement, SPECS may terminate any Supply Arrangement, including open or continuing purchase orders: (i) on reasonable ten day notice to Buyer, for any or no reason, or (ii) immediately, if Buyer fails to timely pay for goods delivered or services rendered, breaches any of its other obligations under any Supply Arrangement, violates or refuses to abide by or acknowledge these Standard Terms, or threatens any of the foregoing. Buyer has no right to terminate for convenience. Buyer may only terminate for SPECS' material breach if Seller, after written notice, fails to cure within 30 days of receipt of such notire. Any termination by Buyer must be in writing. In the event of a termination by Buyer or SPECS for any reason other than a material breach by SPECS that SPECS fails to cure, Buyer shall pay SPECS termination charges consisting of all of SPECS' costs and expenses incurred in connection with SPECS' performance (including without limitation labor, material and overhead), all costs and expenses incurred as a result of termination, any of SPECS' other incidental damages and SPECS' expectation damages. Regarding any by breach by Buyer hereunder, SPECS reserves all rights and remedies available hereunder.

15. MISCELLANEOUS. Notwithstanding any Buyer purchase order or Buyer standard terms and conditions to the contrary:

(a) Buyer shall have no right to (i) inspect SPECS' facilities, (ii) examine SPECS' books, records or other documents, or (iii) seek or obtain any information from SPECS deemed proprietary or confidential by SPECS in its sole discretion, without the express written consent of SPECS obtained in each instance, which consent may be withheld in SPECS' sole discretion.

(b) SPECS shall have no obligation to sell or otherwise transfer any raw materials, work-in-progress, tools, dies, jigs, fixtures, molds, patterns, templates, models, mock-ups, gauges, drawings, equipment/machinery or other means of production to Buyer except where the same was specifically designed, developed and/or purchased by SPECS solely for Buyer's account under a bona fide Supply Arrangement and has been fully paid for by Buyer.

(c) SPECS shall have no obligation to comply with any agreements between Buyer and any third party unless SPECS is furnished a written copy of such agreement and expressly agrees to so comply in a signed writing after SPECS' receipt of such copy.

(d) SPECS shall not be required to obtain any property, liability or other type of insurance for its own account or for the account of Buyer or its property.

(e) SPECS shall not be required to arbitrate any claim against Buyer or Buyer's customers or agents, or bring or defend any such claim in any particular forum.

(f) In the event of any formal dispute resolution proceeding between the parties, the prevailing party shall be entitled to recover its reasonable attorney's fees and other expenses of dispute resolution, such as arbitrator fees, case filing fees, costs of transcription and expert witness fess.

(g) The substantive laws of the State of California shall apply to all dealings and transactions between Buyer and SPECS.

16. CONFLICT OF TERMS. These Standard Terms supersede any prior purchase orders, supply agreements, nomination letters, proposals, quotations, requisitions, oral statements and/or representations, Buyer standard terms and conditions, correspondence or similar matters (collectively, "Supply Arrangements") between the parties or their representatives. Any conflict between these Standard Terms and other Supply Arrangements shall be resolved in favor of these Standard Terms. Buyer's acceptance of any goods shipped or services provided by SPECS shall constitute acceptance of these Standard Terms. If at any time (i) Buyer claims or asserts that these Standard Terms are not applicable to any Supply Arrangement between SPECS and Buyer, or (ii) a determination is made by a court, arbitration panel or other legal authority that these Standard Terms do not apply to any Supply Arrangement between the parties, SPECS shall have the right to immediately terminate such Supply Arrangement without liability or further obligation to Buyer. However, the failure or refusal of SPECS to so terminate any Supply Arrangement shall not constitute or be deemed a waiver by SPECS of the effectiveness or enforceability of these Standard Terms. SPECS reserves the right to amend these Standard terms from time to time.

17. WAIVER. Either party hereto may waive any requirement, condition or obligation to be performed by the other party, provided any such waiver is in writing and executed by the party waiving the requirement, condition or obligation and shall be specifically designated as a waiver hereunder with reference to the applicable section. A waiver by a party of any breach of any term, covenant, or condition contained herein to be performed by a party, or the delay, forbearance, indulgence or failure of a party in exercising any right hereunder on account of such breach, or the partial exercise of such right, shall not be deemed a waiver of any subsequent breach of the same term or any other term, covenant or condition hereof.

18. DELIVERY. Unless otherwise agreed to in writing by the Seller, the Buyer hereby agrees to take delivery of the materials on this order within the later of thirty (30) days after the want date shown on the face of the order or within thirty (30) days after notification, oral or written, that the materials are ready for shipment. In the event that the Buyer does not arrange to take delivery of the materials in accordance with this Contract, Seller, at Seller's option, may:

(a) invoice the Buyer for the materials less freight if applicable; store the material in Seller's yard for a period not to exceed sixty (60) days from the date of invoice; charge a storage fee not to exceed 5% per month or fraction thereof of the selling price of the stored materials; add any applicable price increases listed on the face of the order; charge for any repair work to protective coatings harmed by weathering while such material is being stored; and charge applicable freight when shipment to the Buyer is made. Materials remaining in storage after sixty (60) days from the invoice date shall become the property of the Seller for disposition at the Sellers' discretion. In that event, Buyer shall not be liable for the invoice price of the materials, but shall be liable for the storage fee and any repair work to protective coatings.

(b) Cancel the order and invoice the Buyer for cancellation charges, which shall be 25% of the selling price of the materials if the materials are standard, in-stock material, or the full selling price if the materials are special or nonstandard in nature and were specially fabricated for the Buyer.

19. SEVERABILITY. If any provision of this Agreement or any related document or instrument is held to be illegal, invalid or unenforceable under present or future laws, such provision shall be either reformed by a court of competent jurisdiction to reflect the intent of the parties, or deleted from the Agreement by the court, whichever course of action in the opinion of the court would best reflect the intent of the parties, taking into consideration all provisions of this Agreement. If a provision is deleted, the remaining provisions hereof shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by severance herefrom.

20. WAIVER OF JURY TRIAL. BUYER AND SPECS ACKNDWLEDGE THAT THE RIGHT TD TRIAL BY JURY IS A CONSTITUTIDNAL DNE, BUT THAT IT MAY BE WAIVED. EACH OF THE BUYER AND SPECS, AFTER CONSULTING (OR HAVING THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF ITS CHDICE, KNDWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES ANY RIGHT TO TRIAL BY JURY IN ANY ACTION OR OTHER LEGAL PROCEEDING ARISING OUT OF OR RELATING TO ANY OTHER DOCUMENT PERTAINING TO ANY ORDER.

21. VENUE, The parties hereby agree that all actions or proceedings arising directly or indirectly, from this Agreement shall be litigated in courts having a situs within the state of California, and the parties hereby consent to the jurisdiction of any local, state or federal courts that is located within the state of California.

22. STATUTE OF LIMITATIONS. Any action resulting from any breach on the part of SPECS as to the goods or services delivered hereunder must be commenced within one year after the cause of action has accrued.
