Dear Mr. Clink:

The Department of Transportation (Caltrans) received the attached Certified Disabled Veteran Business Enterprise (DVBE) Summary form on March 22, 2013 for Contract No. 02-3E6304 from Truesdell Corporation of California, Inc. (Truesdell). Caltrans established a DVBE goal of 3 percent for this project. Truesdell claimed a DVBE commitment of 3.04 percent.

The Office of Business and Economic Opportunity, Contract Evaluation Unit (CEU) conducted a review of the DVBE summary form submitted by Truesdell and concluded that the Water Pollution Control Program was not included in the quote submitted by Titan. As a result, the CEU staff reduced the amount of participation by \$785, which resulted in an overall DVBE participation of 2.79 percent, below the stated goal of 3 percent.

Based on this finding, Truesdell is no longer eligible for the award of this contract and Caltrans will proceed to award this contract to lowest responsible bidder.

If you have any questions, please contact Deborah Crawford, Contract Evaluation Analyst, at deborah_crawford@dot.ca.gov or (916) 324-8389.

Sincerely,

JOHN C. McMILLAN

Date: April 10, 2013

From: JEFFREY SKIDMORE
Manager, Contract Evaluation Unit (CEU)
Office of Business and Economic Opportunity 

Subject: Contract No.: 02-3E6304

The bid submitted by Truesdell Corporation of California, Inc. (Truesdell) for the above referenced contract listed Titan DVBE, Inc. (Titan) as a DVBE subcontractor. The documentation received with the bid indicates Titan will prepare the water pollution control program for this contract.

After further review of the work items provided by Truesdell, CEU staff concluded that the water pollution control program was not included within Titan's quoted amount. As a result, CEU staff subtracted the indicated amount (\$785) from Truesdell's commitment (\$34,920 minus \$785 = \$34,135), achieving 2.79%. Consequently, the 3% DVBE participation goal was not accomplished.

If you have any questions/concerns, you may contact Deborah Crawford, CEU Analyst, at (916) 324-8389 or by electronic mail at deborah_crawford@dot.ca.gov.

Please notify the prime contractor and the subcontractor.
