Dear Mr. Holland:

The Department of Transportation (Caltrans) received a bid submitted by Dig-It Construction, Inc (Dig-It) for Contract 02-4F3904 on April 16, 2015. Caltrans notifies Dig-It that its bid is nonresponsive since Dig-It did not comply with the Contract Revised Standard Specifications, Section 2-1.10., Subcontractor List, which states in part...

*Show the portion of the work by:*

- 4.1. Bid item numbers for the subcontracted work*
- 4.2. Percentage of the subcontracted work for each bid item listed*
- 4.3. Description of the subcontracted work if the percentage of the bid item listed is less than 100 percent.*

Dig-It failed to provide the percentage of the subcontracted work for each bid item listed on the Subcontractor List form.

Based on the above, Caltrans will proceed to award the contract to the lowest responsible bidder provided all requirements are met.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

A handwritten signature in black ink, appearing to read "John C. McMILLAN".

JOHN C. McMILLAN  
Deputy Division Chief  
Office Engineer
