**RE: DISADVANTAGED/MINORITY/WOMEN BUSINESS ENTERPRISE
(DBE/MBE/WBE) RECERTIFICATION APPROVAL File No. - 163-32609**

Dear Ms. Espie-Underwood:

We are pleased to advise you that after careful review of your application and supporting documentation, the City of Los Angeles has determined that your firm meets the eligibility standards to be recertified as a **Disadvantaged/Minority/Women Business Enterprise (DBE/MBE/WBE)** as required under the U.S. Department of Transportation (U.S. DOT) Regulation 49 CFR Part 26, as amended.

Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs and the City of Los Angeles DBE/MBE/WBE directory under the following specific area(s) of expertise that you have identified on the business service form for contracting opportunities:

| <u>NAICS Code</u> | <u>Description</u> |
|-------------------|--|
| 541330 | Engineering Services |
| 541620 | Environmental Consulting Services |
| 541690 | Other Scientific and Technical Consulting Services |
| 562910 | Remediation Services |

Your DBE certification is good for five years from the date of this letter and applies only for the above codes. You may review your firm's information in the CUCP DBE database, which can be accessed at the California Department of Transportation's website at www.dot.ca.gov/hq/bep/ and the City of Los Angeles DBE/MBE/WBE database at <http://bca.lacity.org>. Any additions and revisions must be submitted to the City of Los Angeles for review and approval.

After the five-year certification period, your entire file will be reviewed in order to ascertain continued DBE certification status. You will be notified of the pending DBE status review and any documentation update necessary prior to the expiration date.

The Regulations also require annual updates during this five-year period. In order to assure continuing DBE status, you must submit annually a DBE Declaration with supporting documentation, in the format, which will be sent to you. Based on your annual submission that no change in ownership and control has occurred, or if changes have occurred, they do not affect your firm's DBE standing, the DBE certification of your firm will continue until the five-year certification has expired.
