16-03454 Redding: RFQ - To Provide Aviation Planning And Consulting Services For Redding Municipal Airport And Benton Airpark

11/3/2016 - 3:00 PM

CONTACT: City of Redding - Airports

PHONE: 530-224-4321 FAX: 530-224-4318

The City of Redding wishes to retain the professional services of a qualified firm to provide professional aviation planning and consulting services for Redding Municipal Airport and Benton Airpark. The aviation planning and consulting services may include airport system and master planning, airport noise compatibility planning and environmental assessments and related studies. The airport development projects listed above are expected to be funded in part by grants from the FAA and State of California and with local funding. The projects will be subject to state and federal requirements and the work may be accomplished during the course of several grant Request for Qualifications Page 4 projects. The consultant may be required to represent the City in discussions with the Federal Aviation Administration regarding the work program, grant requirements, and project documentation.
