In the event we are unable to perform on the job due to breakdown or unavailability of equipment we may subcontract a local sweeper in at their rates which may vary higher than ours. We will make all attempts to quickly limit the expense in these events. In the event that we cannot perform or substitute a contractor to perform on this job, Wells Sweeping will not be held liable for any back charges, surcharges, and or costs related to delays. If dispatched equipment/driver is not able to perform on scheduled day and client is provided notice of the same, unless such circumstances exist that render such notice impossible, client will be responsible for acquiring a replacement. Client agrees to assume any and all liability for delay due to this circumstance. This clause remains in effect from the date of this proposal. (These circumstances are possible, but highly unlikely; we are performing work out of our normal area of operations and events out of our control can and may take place, we have a very high out-of-town success rate and our clients are extremely satisfied with our services) The parties agree that the contents herein are deemed a proposal until the contract is awarded to Wells Sweeping, at which time the terms and conditions stated herein become binding. *Small surcharge may be added to cover fluctuations in fuel costs.*

We look forward to providing you with quality service.

Payment Terms / Legal Clarifications

PAYMENT IS DUE UPON COMPLETION AND PAST DUE AFTER THIRTY (30) DAYS FROM INVOICE DATE.

The Customer agrees to pay late charges on any billings not paid when due, from the due date until paid, at the rate of 18% per annum or the maximum rate allowed by law, whichever is less.

If a project is of longer duration (more than 30 days), Cal Electro, Inc. (CEI) shall receive progress payments monthly in proportion to the amount of work completed. In order to receive progress payments, CEI will furnish the customer a schedule of values for the contract agreement work items. Within Ten (10) days after Customer receives a statement from CEI setting forth the proportionate part of the work which CEI estimates shows to have been earned during the period covered by such statement, Customer will pay to CEI the amount set forth by such progress statement. The Customer may elect to hold a retainage of up to 10% of the value of the work performed as security until all work has been completed. Retainage will become due thirty five (35) days after final completion of the work performed for the project.

Upon satisfactory payment being made for any portion of the work performed, if requested, CEI shall furnish a full and unconditional release from any claim or mechanic's lien for that portion of the work for which payment has been made.

Prior to commencement of work, Customer shall furnish CEI with written confirmation from the lender or bank that sufficient funds have been committed and will be available to make payments called for under this agreement. Furnishing this written confirmation to CEI to act is a condition precedent to the obligation of CEI to perform under this agreement. This provision is solely for CEI protection and shall not limit CEI right to receive payment for its work without, or prior to receipt of the written confirmation.

GENERAL CONDITIONS
