F. ADDITIONAL TEMPORARY TRAFFIC CONTROL DEVICES (Part of Item No. 3)

We can provide a wide variety of additional traffic control devices at modest rental rates. All devices are night-rated with high-intensity retroreflectivity and are NCHRP-350 certified. See a partial list with rental rates on page 3 below.

GENERAL NOTES, TERMS & CONDITIONS - Please read carefully

- **Acknowledgement & Agreement:** By appointing or listing Force Traffic Control as a subcontractor on this project, the Prime Contractor acknowledges and agrees to all applicable terms and conditions as stated above and in the descriptions below.
- **Durability of Rates Quoted Above:** Based upon the Advertisement Date of this project, all labor rates quoted above shall remain in effect through June 30, 2015. Should the State of California increase the applicable rates for work on this project thereafter, our rates above will increase by no more than 5% more than the State's net increase.
- **Radios:** Our flaggers and pilot car(s) will be equipped with VHF or UHF 2-way radios. Additionally, pilot cars are equipped with CB radios for coordination with your truckers and other CB-equipped equipment.
- **Rental equipment** (excludes non-powered devices): For this project, the Portable Changeable Message Signs are covered herein under. The Prime Contractor shall be responsible for any damage or loss to/of the equipment due to traffic conflicts, vandalism, theft, acts of nature or mishandling by Prime Contractor's staff. The Prime Contractor will NOT be responsible for maintenance of the operational capabilities, except for operational difficulties and repairs brought about by such traffic conflicts, vandalism, acts of nature or mishandling by Prime Contractor's staff.
- **Night Work:** (a) No increase is applicable to any labor rates quoted above; (b) All added costs associated with illuminating the flaggers stations shall be borne by the Prime Contractor; (c) we will provide the two required 12" flashing beacons at \$5 each per shift.
- **Labor Agreements:** Signatory to the AGC-No. California Laborers' Traffic Control & Lane Closure Agreement.
- **Insurance:** Force Traffic Control, Inc. maintains insurance coverages as required by USDOT-FHWA, CalTrans and Nevada DOT (Commercial General Liability, Workers Comp and Commercial Auto). Any additional coverages required by the Prime Contractor can be acquired by us at the Prime Contractor's sole par-value expense (e.g., Workers' Comp Waiver of Subrogation, Excess Liability umbrella).
- **Mobilization:** For this project our initial advance notice requirements are 21 calendar days for USA-locate and installation of Construction Area Signs, and 10 calendar days for mobilization of CMS boards, flaggers, pilot car, etc.
- **Inclusion of these entire quotations in Subcontract or Work Order** is required either within the body of the Subcontracts/Work Orders or appended to and referenced within the Subcontracts/Work Orders. Such inclusion and/or referencing in no way obligates the Prime Contractor to use any of the optional quotations above.
- **Short-Work week:** Excluding beginning and end of project if work crews are worked less than three consecutive work days an additional charge of 10% may be added to rates above.

Should you have any questions regarding these quotations, please call Vern at 559.786.9856.

Cordially,

Rosemary Force Stimpel

President

**Please accept these terms before taking material from the quarry.*

Thank you for your business!

This is a quotation on the goods named, subject to the conditions noted below:

1. This quotation will be valid for the period of time set forth above. In order to make it a binding agreement, the Customer must accept all of its terms by either signing and returning a copy to Martin Marietta or by accepting products sold by Martin Marietta within that period of time. Any quotation that does not become binding prior to the quote expiration date above will lapse.
2. If the terms of this quotation are accepted, it will constitute an agreement under which Martin Marietta will sell the products shown to the Customer, and the Customer will purchase such products from Martin Marietta, for the prices indicated, over the next following 12 months, or longer or shorter period of time specified at the time of sale or agreed to by the parties in writing.
3. At the time of shipment, Martin Marietta warrants good title and conformance to the written specifications of the project referenced above or, if no project is referenced, the customary specifications of Martin Marietta for such products from the facility of Martin Marietta indicated above. No other specifications will apply, including those relating to moisture. Other than the warranties stated in the first sentence of this paragraph, MARTIN MARIETTA HEREBY EXCLUDES ANY AND ALL WARRANTIES OF MERCHANTABILITY AND ALL WARRANTIES OF FITNESS FOR ANY PARTICULAR PURPOSE AND ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, AS TO THE PERFORMANCE OF ITS AGGREGATES WITH RESPECT TO ALKALI-AGGREGATE REACTIVITY.
4. All products will be delivered FOB at the particular facility of Martin Marietta indicated above or as otherwise shown. Deliveries will occur in a manner that conforms to customary industry practice. If deliveries are to occur at a jobsite, a safe and secure delivery area must be provided by the Customer. Deliveries made inside a curb line or on the lot are at customer's risk only and Martin Marietta accepts no responsibility whatsoever for damage resulting from such deliveries.
5. The Customer will be responsible for all compaction and other preparatory work required at the jobsite prior to the placement of the products shown. Martin Marietta will not be responsible for any problems that may arise if such preparatory work is not properly performed.
6. The prices set forth above are based upon the provisions of this quotation and the customary production and delivery practices of Martin Marietta. If the Customer hereafter requests action by Martin Marietta that is not customary, Martin Marietta will attempt to comply with the request, subject to the following:
 - A. If the Customer requests additives to products which are not a part of the applicable specifications described above, they will be added by Martin Marietta, if available, and an amount equal to the then standard price of Martin Marietta for such additives will be added to the purchase price. Customer remains responsible for determining appropriate specifications and additives, if any, appropriate for its specific project.
 - B. If the Customer requests delivery FOB at the jobsite in trucks or trailers that are different from customary tractors with end or bottom dump trailers, Martin Marietta will attempt to comply with such request, and, if successful, will add the then standard prices of Martin Marietta for such trucks or trailers to the purchase price.
 - C. If the Customer requests deliveries of products at night or on weekends or holidays, Martin Marietta will attempt to comply with such request, subject to sufficient advance notice and a prior agreement with the Customer regarding additional charges for such services that will be added to the purchase price.
7. In addition, Martin Marietta may also add amounts to the purchase prices to reflect fuel surcharges that are imposed by third parties in connection with any shipment of the products shown or any materials that are used in the production thereof, or any other recuperative charges that are then applied by Martin Marietta to similar sales.
8. Shipments are subject to prior credit approval. If credit is approved, all payments must be made in accordance with the then applicable credit policies of Martin Marietta, and if not so made, the agreement that is contemplated herein may be terminated by Martin Marietta immediately. Terms of payment are net 30 days following date of invoice. If not paid when due, Customer agrees to pay interest charges at the rate of 1.5% per month or the maximum lawful rate, whichever is lower, and Martin Marietta's reasonable attorney's fees.
9. All deliveries of products are subject to delays that may be experienced by Martin Marietta in connection with adverse weather conditions, labor disputes, strikes, sabotage, war, governmental action, mechanical failures, inventory shortages, rail or truck transportation, and other similar events. Under such circumstances, Martin Marietta shall have the additional time needed to complete the order and/or the right to allocate the available supply in any manner it selects.
10. The Customer will be responsible for any taxes owed as a result of the sale of products hereunder unless the Customer provides Martin Marietta with a valid tax exemption certificate or other documentation properly indicating that such taxes should not be collected.
11. These terms shall control the sale and purchase of the products shown and shall be a part of the Customer's purchase agreement and may not be modified or altered in any way unless expressly approved in writing by a duly authorized representative of Martin Marietta. Any acceptance by the Customer that changes the terms hereof will not be effective.
