**2 hour minimum per job is applicable if the one sweeper is shared with another Company jobsite for the day for the total time to equal 4 hours or to split the time between job sites.

Time is billed by quarter hour increments.

Per diem will be charged at the rate of the hotel that our operator is staying at. We suggest that you contact our office if your company is receiving a special rate for out of town work because the rate can sometimes be passed to your sub-contractors to save your company money.

These rates are effective for every job that is bid for work starting in 2016. June 30, 2016 there will be a Labor increase of \$2.10 added to each hourly sweep rate. The rates are determined by the cost of petroleum, disposables related to petroleum, (curb and rear brooms, tires, belts, oil and other wear items) and increases in labor wages slated by the MLA and Operating Engineers. Rates are subject to change for unforeseen rises in petroleum related goods and taxes.

Szeremi Sweeping is equipped with 14 M6000 Schwarze Mechanical (High-Dump) and 5 A7000 Schwarze Regenerative Air Sweepers that are PM10 Rule 1186 Compliant & AQMD Auxiliary Eng. Each sweeper has an Operating Engineers Signatory Operator.

If you have any questions, please feel free to contact us at any time.
