Dear Mr. Burke:

The Department of Transportation (Caltrans) received a bid from Granite Construction Company (Granite) for contract 03-1A8444 on May 7, 2013. By this letter, Caltrans notifies Granite that its bid is nonresponsive because it failed to submit the Subcontractor List within the 24 hour period with columns 2 and 3 completed.

The Subcontractor List form states in part, "...Complete columns 1 and 4 and submit with the bid. Complete columns 2 and 3 and submit with the bid or fax to (916) 227-6282 within 24 hours after the bid opening. Failure to provide complete information in columns 1 through 4 within the time specified will result in a nonresponsive bid." Granite submitted its 24 hour Subcontractor list on May 9, 2013 at 8:34 a.m.

Based on the above action, Caltrans will proceed to award the contract to the lowest responsible bidder provided that all requirements are met.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.
