Dear Mr. Malaekheh:

The Department of Transportation (Caltrans) received a bid submitted by Z Squared Construction (Z Squared) for Contract 03-1F5104 on May 3, 2016. By this letter, Caltrans notifies Z Squared that its bid is nonresponsive because Z Squared failed to comply with Section 2-1.04 Contractor Registration, of the 2010 Revised Standard Specifications which states:

*"No contractor or subcontractor may be listed on a bid proposal for a public works project (submitted on or after March 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)]".*

On its Subcontractor's List form, Z Squared listed Delta T. Mechanical with the Department of Industrial Relations' Public Works Contractors Registration (PWCR) number 1000005806 at time of bid; however, the PWCR number listed is either expired or not valid.

Based on the above action, Caltrans will proceed to award the contract to the lowest responsive bidder, provided that all requirements are met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

#### Search Results

No active registered contractors to display. If the contractor name you searched for does not appear, the registration may have expired. Expired registrations may be viewed by selecting "renew" on the registration page and searching again using the PWC Registration Number or Contractor Legal Name.

It is also possible that the contractor's registration is active and you simply need to modify your search. The best way to search for a specific contractor is to complete only one of the search criteria, either the PWC Registration Number or the License Number, and to leave the Contractor Legal Name blank.
