Bids Opened: September 17, 2014
Protest of Not Meeting DBE Goal Letter

Dear Mr. McMillan:

Teichert Construction ("Teichert") is in receipt of Caltrans' letter dated October 27, 2014. In the letter, Caltrans notified Teichert that it had not met the DBE goal, due in large part because Caltrans had recalculated the DBE commitment on Black Diamond Asphalt, Inc., ("BDA"). Teichert objects to Caltrans' finding that the trucking portion of BDA quote should be reduced to 60%. Teichert is submitting this letter to present further substantiation that Teichert met the DBE goal and should be awarded the project.

Teichert is eligible to claim 100% of trucking per 49 CFR Part 26.55(d)(3)

The portion of work BDA is performing under this contract is to furnish and deliver the Asphalt Binder, PG 64-28, to the Teichert Aggregates – Martis Valley Plant for the manufacturing of Hot Mix Asphalt. BDA has quoted a material buy price of $619.00/TN + tax and a delivery price of $54/TN of asphalt binder to the Martis Valley Plant. (See attached quote.)

The following is the process for utilizing BDA on this project:

The Martis Plant - plant orders asphalt binder through Teichert Aggregates' dispatcher like normal. Teichert Aggregates' dispatcher places the order for asphalt binder with BDA. BDA then takes responsibility for contacting the binder manufacturer(s) and managing the fulfillment of the order with their own labor and equipment. BDA manages and supervises the transportation of the asphalt binder to the Martis Valley Plant using BDA company owned trucks and trailers. (See attached registration and DMV documents) BDA deals directly, and uses which ever asphalt binder

11-06-14A11:45 RCVD

manufacturer they have negotiated with. BDA invoices Teichert Aggregates for the asphalt binder quantity BDA supplied to this contract.

The Martis Valley Plant will receive approximately 5 loads from BDA on any given day, 1 of their owned trucks will be utilized to transport the asphalt binder. This truck will provide 1 load per day. In total BDA will provide approximately 5 loads (approximately 25 tons per load) of asphalt binder to this project.

Teichert has committed utilizing BDA for 110 tons of asphalt binder of the total tonnage of asphalt binder required for this project.

Teichert's DBE paperwork correctly shows 60% for the certified supplier and 100% for the trucking. Teichert is contending this is an accurate method of computation the DBE commitment *per 49 CFR 26.55(d)*. The State is incorrectly contending the company owned trucks cannot be used as 100% and needs to be counted as 60%. We clearly dispute this method of computation. Since BDA has (4) four trucks and (6) tanker-trailers at their disposal and are performing a commercially useful function their participation for trucking the binder to Martis Valley should be the "total value" of the trucking counted (100%) towards the goal.

Per 49 CFR 26.55(d) Use the following factors in determining whether a DBE trucking company is performing a commercially useful function:

(1) The DBE must be responsible for the management and supervision of the entire trucking operation for which it is responsible on a particular contract, and there cannot be a contrived arrangement for the purpose of meeting DBE goals.

(2) The DBE must itself own and operate at least one fully licensed, insured, and operational truck used on the contract.

(3) The DBE receives credit for the <u>total value</u> of the transportation services it provides on the contract using trucks it owns, insures, and operates using drivers it employs.(emphasis added)

Teichert Construction committed DBE is $232,579.14 which exceeds the State's 7% DBE goal.

<u>Caltrans has awarded numerous past projects with 100% of trucking for BDA</u>

Caltrans must be consistent in their determination of DBE commitments. Attached are a few awarded projects to contractors other than Teichert that have used 100% of the trucking value from BDA on their DBE commitment form. Please see contract 03-1F7404 awarded to George Reed, Inc. and contract 03-2A9204 awarded to Road and Highway Builders of California, Inc. and contract 10-0A8404 awarded to Desilva Gates Construction. All three examples correctly used the "total value" of the trucking in their DBE commitment computations.

For the reasons stated above and Caltrans' past precedence Teichert respectfully asks that Caltrans finds that Teichert indeed met the DBE goal and is eligible for award. Teichert is the lowest responsive and responsible bidder on Contract No. 03-2F2904, and Caltrans should proceed with award of this contract to Teichert. Should you need any additional information, I can be reached at 916-645-4855.

Sincerely,

Eric Stannard

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE

A. **SECTION II - WHO IS AN INSURED** is amended to include any person or organization you are required to include as an additional insured on this policy by written contract in effect during the policy period and executed prior to the "occurrence" of the "bodily injury" or "property damage" but only for the vicarious liability imposed on the Additional Insured provided that such liability is caused by the sole negligent conduct of the Named Insured and is proximately caused by "your work" or "your product" for the Additional Insured.

B. The insurance provided to the Additional Insured under this endorsement is limited as follows:

1. In the event the written contract requires limits of insurance in excess of the Limits of Insurance provided by this policy, the Limits of Insurance provided by this policy shall apply and not the limits required by the written contract. This endorsement shall not increase the Limits of Insurance stated in the Declarations of this policy.

2. This insurance does not apply to "bodily injury" or "property damage" arising out of "your work" or "your product" included in the "products-completed operations hazard" unless you are required to provide such coverage by written contract. If such insurance is required by written contract, the insurance provided to the Additional Insured is limited to the alleged or actual vicarious liability imposed on the Additional Insured as a result of the alleged or actual negligent conduct of the Named Insured as a result of liability solely caused by "your work" or "your product" for the Additional Insured.

3. Any insurance provided by this endorsement to an Additional Insured shall be excess over any other valid and collectible insurance available to the Additional Insured whether primary, excess, contingent or on any other basis unless a written contract specifically requires that this insurance apply on a primary or primary and noncontributory basis.

4. Where there is no duty to defend the Named Insured, there is no duty to defend the Additional Insured. Where there is no duty to indemnify the Named Insured, there is no duty to indemnify the Additional Insured.

5. This insurance does not apply to "bodily injury" or "property damage," arising out of the sole negligence of the Additional Insured or any employees of the Additional Insured.

C. Duties of the Additional Insured in the event of "occurrence", claim or "suit":

1. The Additional Insured must promptly give notice of an "occurrence", a claim which is made or a "suit", to any other insurer which has insurance for a loss to which this insurance may apply.

2. The Additional Insured must promptly tender the defense of any claim made or "suit" to any other insurer which also issued insurance to the Additional Insured as a Named Insured or to which the Additional Insured may qualify as an Additional Insured for a loss to which this insurance may apply.

ALL OTHER TERMS AND CONDITIONS OF THE POLICY REMAIN UNCHANGED.

This Endorsement shall be attached to and made a part of all policies insuring motor carriers of property required to obtain a permit pursuant to the Motor Carriers of Property Permit Act, commencing with California Vehicle Code section 34600. The purpose of this Endorsement is to assure compliance with the Act and related rules and regulations.

Insurer agrees to each of the following:

- The coverage provided by the endorsement excludes any costs of defense or other expense that the policy provides.
- To pay, consistent with the minimum insurance coverage required by California Vehicle Code Section 34631.5, and consistent with the limits it provides herein, any legal liability of insured for bodily injury, death, or property damage arising out of the operation, maintenance, or use of any vehicle(s) for which a motor carrier permit is required, whether or not such vehicle(s) is described in the attached policy.
- No provision, stipulation, or limitation contained in the attached policy or any endorsement shall relieve insurer from obligations arising out of this Endorsement or the Act, regardless of the insured's financial solvency, indebtedness or bankruptcy.
- The Certificate of Insurance shall not be canceled on less than thirty (30) days notice from the insurer to the DMV, written on an authorized Notice of Cancellation form and that the thirty (30) day/period commences to run from the date the Notice of Cancellation was actually received at the office of the California Department of Motor Vehicles, Motor Carrier Services Branch, in Sacramento, California.
- To furnish DMV with a duplicate original of the referenced policy, DMV authorized endorsement, and all other related endorsements and documentation upon request.
- Except as specified in this endorsement, the terms, conditions, and limitations of this policy remain in full force and effect. This endorsement shall not prevent insurer from seeking reimbursement from insured for any payment made by insurer solely on account of the provisions herein.

Insurer certifies to each of the following:

- This insurance policy covers all vehicles used in conducting the service performed by the insured for which a motor carrier permit is required whether or not said vehicle(s) is listed in the insurance policy.

Authorized Company Representative

The policy to which this endorsement is attached provides primary or excess insurance as indicated by [X] for the limits shown.

[X] This insurance is primary and the company shall not be liable for amounts in excess of $1,000,000 for each accident.

[ ] This insurance is excess and the company shall not be liable for amounts in excess of $_____ for each accident.

in excess of the underlying limit of $_____ for each accident.

Whenever required by the Federal Highway Administration (FHWA) or the Interstate Commerce Commission (ICC), the company agrees to furnish the FHWA or the ICC a duplicate of said policy and all its endorsements. The company also agrees, upon telephone request by an authorized representative of the FHWA or the ICC, to verify that the policy is in force as of a particular date.

Cancellation of this endorsement may be effected by the company or the insured by giving (1) thirty-five (35) days notice in writing to the other party (said 35 days notice to commence from the date the notice is mailed; proof of mailing shall be sufficient proof of notice), and (2) if the insured is subject to the ICC's jurisdiction, by providing thirty (30) days notice to the ICC (said 30 days notice to commence from the date the notice is received by the ICC at its office in Washington, D.C.).

DEFINITIONS AS USED IN THIS ENDORSEMENT

ACCIDENT includes continuous or repeated exposure to conditions which result in bodily injury, property damage, or environmental damage which the insured neither expected nor intended.

MOTOR VEHICLE means a land vehicle, machine, truck, tractor, trailer, or semitrailer propelled or drawn by mechanical power and used on a highway for transporting property, or any combination thereof.

BODILY INJURY means injury to the body, sickness, or disease to any person, including death resulting from any of these.

ENVIRONMENTAL RESTORATION means restitution for the loss, damage or destruction of natural resources arising out of the accidental discharge, dispersal, release or escape into or upon the land, atmosphere, watercourse, or body of water, of any commodity transported by a motor carrier. This shall include the cost of removal and the cost of necessary measures taken to minimize or mitigate damage to human health, the natural environment, fish, shellfish and wildlife.

PROPERTY DAMAGE means damage to or loss of use of tangible property.

PUBLIC LIABILITY means liability for bodily injury, property damage, and environmental restoration.

The insurance policy to which this endorsement is attached provides automobile liability insurance and is amended to assure compliance by the insured, within the limits stated herein, as a motor carrier of property, with Sections 29 and 30 of the Motor Carrier Act of 1980 and the rules and regulations of the Federal Highway Administration (FHWA) and the Interstate Commerce Commission (ICC).

In consideration of the premium stated in the policy to which this endorsement is attached, the insurer (the company) agrees to pay, within the limits of liability described herein, any final judgment recovered against the insured for public liability resulting from negligence in the operation, maintenance or use of motor vehicles subject to the financial responsibility requirements of Sections 29 and 30 of the Motor Carrier Act of 1980 regardless of whether or not each motor vehicle is specifically described in the policy and whether or not such negligence occurs on any route or in any territory authorized to be served by the insured or elsewhere. Such insurance as is afforded, for public liability, does not apply to injury to or death of the insured's employees while engaged in the course of their employment, or property transported by the insured, designated as cargo. It is understood and agreed that no condition, provision, stipulation, or limitation contained in the policy, this endorsement, or any other endorsement thereon, or violation thereof, shall relieve the company from liability or from the payment of any final judgment, within the limits of liability herein described, irrespective of the financial condition, insolvency or bankruptcy of the insured. However, all terms, conditions, and limitations in the policy to which the endorsement is attached shall remain in full force and effect as binding between the insured and the company. The insured agrees to reimburse the company for any payment made by the company on account of any accident, claim, or suit involving a breach of the terms of the policy, and for any payment that the company would not have been obligated to make under the provisions of the policy except for the agreement contained in this endorsement.

It is further understood and agreed that, upon failure of the company to pay any final judgment recovered against the insured as provided herein, the judgment creditor may maintain an action in any court of competent jurisdiction against the company to compel such payment.

The limits of the company's liability for the amounts prescribed in this endorsement apply separately to each accident, and any payment under the policy because of any one accident shall not operate to reduce the liability of the company for the payment of final judgments resulting from any other accident.

The Motor Carrier Act of 1980 requires limits of financial responsibility according to the type of carriage and commodity transported by the motor carrier. It is the MOTOR CARRIER'S obligation to obtain the required limits of financial responsibility.
THE SCHEDULE OF LIMITS SHOWN ON THE REVERSE SIDE DOES NOT PROVIDE COVERAGE.
The limits shown in the schedule are for information purposes only.

Re: Caltrans Contract No. 10-0A8404
UDBE Commitment Analysis

To whom it may concern,

The following is an analysis of the UDBE commitment dollars for the UDBE subcontractors or suppliers listed on the Caltrans Bidder - UDBE - Commitment form.

1. Black Diamond Asphalt, Inc.
   Furnish and Deliver Asphalt Binder for Bid Item No. 53
   Asphalt Binder Quantity = 1123 Tons
   Asphalt Binder = $650/Ton + Tax
   Material Supplier = 60% of material value can be used
   1123 Tons x $650/Ton x 7.75% tax x 60% = $471,912
   1123 Tons x $ 24/Ton x 100% = $ 26,952 ← 100% OF TRUCKING
   Black Diamond tanker truck and trailer vehicle registrations are attached. We will require approximately 2 to 3 loads (26 tons/ld) of asphalt binder per shift for approximately 19 shifts. Black Diamond plans on using their own equipment to deliver the asphalt binder.

2. AC Dike Company
   No analysis required since AC Dike Company has a complete package quote for Bid Item Nos. 57, 58 & 59 and is a qualified UDBE firm.

3. Tully Consulting Group
   No analysis required since Tully Consulting Group has a complete package quote for the initial SWPPP plan and is a qualified UDBE firm.

If you have any questions regarding this please call me at (925) 361-1587.

Respectfully,
DeSilva Gates Construction.
