Firm Number: 37441

Dear Mr. Quijada:

I am pleased to advise you that after careful review of your application and supporting documentation, the California Department of Transportation (Caltrans) has determined that your firm meets the eligibility standards to be certified as a Disadvantaged Business Enterprise (DBE) as required under the U.S. Department of Transportation's Code of Federal Regulation (CFR) 49, Part 26, as amended.

Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs under these specific areas of your expertise and license identified following a comprehensive review of your firm:

NAICS Category Codes	Description
532412	Construction, Mining, and Forestry Machinery and Equipment Rental

Work Category Codes	Description
C9907	Construction Equipment Rental
C9908	Heavy Equipment Rental

Your DBE certification is recognized solely for the above codes. You may review your firm's information in the CUCP DBE Database, which can be accessed at Caltrans' Web site at <http://www.dot.ca.gov/hq/bep/>. Any additions and revisions must be submitted to Caltrans for review and approval.

In order to assure continuing DBE status, you must annually submit a No Change Declaration Form (which will be sent to you) along with supporting documentation. Based on your annual submission – that no change in ownership and control has occurred – or if changes have occurred, they do not affect your firm's DBE standing. The DBE certification of your firm will continue until or unless it is removed by Caltrans.

Also, should any changes occur that could affect your certification status prior to receipt of the No Change Declaration Form, such as changes in your firm's name, business/ mailing address, ownership, management or control, or failure to meet the applicable business-size standards or personal net worth standard, please notify us immediately. Failure to submit forms and/or change of information will be deemed a failure to cooperate under Section 26.109 of the Regulations.

Caltrans reserves the right to withdraw this certification if at any time it is determined that it was knowingly obtained by false, misleading, or incorrect information. DBE certification is subject to review at any time. The firm thereby consents to the examination of its books, records, and documents by Caltrans.
