Re: DVBE/SBE Sweeping Rates Proposal – CalTrans #03-3F4204 – DVBE/SBE

Dear Ersan,

We would like to thank you for your time giving us this opportunity to offer you our rates. All rates provided are on a contract to contract basis. We are willing to do what it takes to build strong business relationship and hope that you will continue to call us for assistance on all of your projects.

**Service Rates**

Prevailing Sweeping Rate: \$ 145.00 per hour with a 6 hour minimum (DVBE #0000333)  
Overtime Rate: \$ 30.00 per hour additional (Over 8 Hours on Job Site)

**Surcharges**

Travel Rate: \$ 114.00 per hour to and from project locations  
Per Dlem: \$ 105.00 per dlem (Per Nightly Lodging If necessary)  
Weekend Hold: \$ 80.00 per hour with a 6 hour minimum (Per day lodging onsite during weekend)  
Cancellation: \$ 95.00 per hour with a 6 hour minimum (Per scheduled day canceled)  
Weekend Rate: \$ 20.00 per hour additional (Saturday, Sunday, and Holidays)  
Night Rate: \$ 20.00 per hour (8:00PM – 8:00AM)

*We may be required to have equipment travel back to our shops for periodic servicing or operator exchange. Equipment may need to be serviced at our shop due to unexpected breakdowns. In the event we are unable to perform on the job due to breakdown or unavailability of equipment we may subcontract a local sweeper in at their rates which may vary higher than ours. We will make all attempts to quickly limit the expense in these events. In the event that we cannot perform or substitute a contractor to perform on this job, Wells Sweeping will not be held liable. If dispatched equipment/driver is not able to perform on scheduled day, client will be responsible for acquiring a replacement, client will assume any and all liability for delay due to this circumstance; this clause remains in effect from the date of this proposal, without signature of acceptance. (These circumstances are possible, but highly unlikely; we are performing work out of our normal area of operations and events out of our control can and may take place, we have a very high out-of-town success rate and our clients are extremely satisfied with our services) \*Small surcharge may be added to cover fluctuations in fuel costs.*

We look forward to providing you with quality service.

Sincerely,

Aaron D. Ashcraft

RE: Disabled Veterans Business Enterprise (DVBE) Number 41891

Dear Mr. Lavender:

Congratulations! We are pleased to advise you of the results of the site visit conducted by the Department of Transportation (Caltrans), Contract Evaluation Unit (CEU) staff on February 01, 2011. The purpose of a site visit is to ensure all certified DVBE firms that bid and provide services on Caltrans State funded projects are performing a commercial useful function (CUF). Caltrans initiated the affirmative step to verify CUF for DVBEs on Caltrans State funded projects and your firm was selected for a CUF review. After careful evaluation of the information and documentation obtained as a result of the site visit, pursuant to Military & Veterans Code §999(b)(5)(B)(i) and (ii), your firm performs a CUF when providing the following type of service.

Classification Number	Description
781018	Road cargo transport

You may review your firm's information on the Department of General Services (DGS) website at <https://www.bidsync.com/DPXBisCASS>. It is your responsibility to maintain correct information regarding your firm's name, address, phone/fax number, and e-mail address on the DGS website.

Please notify us immediately if any changes occur regarding your classification numbers or the types of services you provide. Failure to do so may result in your firm being listed on a project for a service that does not constitute a CUF. Consequently, your firm's DVBE participation on a contract may be disallowed and would not be counted toward a DVBE goal.

For information on contracting opportunities with Caltrans, please visit our website at <http://www.dot.ca.gov/hq/esc/oc/>.
