Dear Mr. Stannard:

The Department of Transportation (Caltrans) received a letter from A. Teichert & Sons, Inc. dba Teichert Construction (Teichert) protesting the bid submitted by Martin Brothers Construction (Martin) for contract 03-3F6704 on October 22, 2014. The protest alleges that on bid day Martin identified Central Striping to perform work described as striping, rumble strip and mobilization. However, on the 24 hour submittal, added bid items 52 and item 59 (Thermoplastic Pavement Marking – Enhanced Wet Night Visibility, Pavement Marker Retroflective). In addition, the protest also alleges that Martin identified Construction Area Signs (CAS) to perform work described Construction Area Signs, Lane Separation, Markers, Delineators. However, did not list item 59, Pavement Marker Retroflective and thus reduced the amount of work to be performed by CAS.

Caltrans reviewed the bid documents submitted by Martin and determined that striping is inclusive of the Retroflective Pavement Marker and not included in the work to be performed by CAS.

Based on the above findings, Caltrans will proceed to award this contract to the lowest responsive and responsible bidder provided that all requirements have been met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

A handwritten signature in black ink, appearing to read "John C. McMILLAN".
