Chris,
Quotes for these 2:

1. 02-3E7104 – Hwy 36 West of the Hwy 3/36 Intersection (Curve Realignment), Bids March 26, 2013
\$750 for the WPCP
for inspections we can work it out so your onsite person does them and I sign off. Maybe one trip out during the project. Looks like 3 hours round trip travel from here (from mapquest) so that adds \$\$\$ to the cost of the inspections to do on a weekly basis. With 3 hours travel & mileage, site time and forms cost for the site visits is \$500
2. 03-3M5804 – Hwy 99 North of Chico at the Tehama Co/Butte Co. line (HMA Overlay), Bids March 26, 2013
\$750 for the WPCP
overlay, etc - same as above your super can do the inspections and just check in with me to sign and one trip out to the site over the construction. Cost for me to go down and do them for this is \$275
